ASX Release – Company Announcement

Completion of sale of South American businesses

Nufarm today announced the sale of its South American crop protection and seed treatment operations in Brazil, Argentina, Colombia and Chile to Sumitomo Chemical Company Limited has been completed and the net sale proceeds have been received.

Nufarm Managing Director and Chief Executive Officer, Greg Hunt, commented, “The sale of our South American businesses significantly strengthens our balance sheet and enables us to focus on improving cash generation across our businesses”.
