ABOUT MONARO MINING NL - BUILDING A SERIOUS URANIUM COMPANY

Monaro Mining NL is an Australian-based international exploration and pre-development company focusing on uranium. Its major assets include tenements in the Central Asian Kyrgyz Republic and Australia, with some of these holding potential for gold as well. Monaro aims to grow both through project acquisition and corporate initiatives such as the merger with Uranium King Limited. The Monaro shares are listed on the Australian Securities Exchange and the Frankfurt Stock Exchange and Monaro ADSs are eligible for OTC trading in the U.S.
