Objective Corporation

Objective Corporation (ASX:OCL) develops, markets, tailors and supports its own knowledge and process management software solutions. Working with large, information intensive organisations including government departments and top 1000 corporations, Objective Corporation has established itself as one of the leaders in the knowledge management market, where its solutions have been consistent winners against international competition. Its solutions are open and integrate with existing applications and infrastructure, delivering clear outcomes and a measurable return on the client's investment.
