Welsh Assembly Government Selects Objective

Objective Corporation (ASX: OCL), a leading supplier of Enterprise Content Management software, today announced that the Welsh Assembly Government has selected Objective to provide an Electronic Document and Records Management (EDRM) solution.

The first phase of the project is being undertaken in partnership with Siemens IT Solutions and Services, the Assembly's prime contractor, to implement the solution within the Records Services Department. The Department is responsible for all physical records belonging to the Welsh Assembly Government and required a solution that supports their records management compliance strategy.

Adrian Cobb, Chief Operating Officer – Europe, Objective Corporation stated: "This is a significant contract for Objective. We look forward to working with Siemens and the Welsh Assembly Government to deliver a successful project and to continue the partnership beyond that to implement a fully functional Electronic Document and Records Management solution across the whole of the Welsh Assembly Government."
