ASX ANNOUNCEMENT

Agreement for Distribution of VODOne Lottery Application in China

SmartTrans Technology (Beijing) Company Limited, a wholly owned subsidiary of SmartTrans Limited, has entered into an agreement with VODOne's Beijing Caishijie Information Technology Company Limited (www.caishijie.com) for the distribution of its V1 Mobile Telephone Lottery Application in China.

Under the agreement, SmartTrans has been granted the exclusive right to provide the V1 Lottery Application to customers of the China Mobile group of companies in China and the non-exclusive right to provide that application to other subscribers in China. SmartTrans is entitled to commission on all amounts wagered by customers using the V1 Lottery Application accessed from the SmartTrans platform.

Players will simply register and download the lottery software from SmartTrans' mobile telephone based AMP software and self-pick or quick-pick their lottery numbers, study lottery information and check their account balance through their handsets.

The VODOne V1 Lottery Application to be distributed by SmartTrans will enable users to access and participate in lotteries run by the China Welfare Lottery Management Center (www.zhwcw.com) and provide access to VODOne's portal named "Lottery Lifestyle" which broadcasts lottery related news and information exclusively supplied by the Ministry of Civil Affairs of the People's Republic of China.

VODOne - www.vodone.com - is a company listed on the Hong Kong Stock Exchange (0082.HK). According to VODOne, it is one of the first authorised service providers of mobile lottery betting service for mobile end users in China and mobile lottery has the advantage of surpassing other traditional lottery purchasing methods because players can make their purchasing decision whenever and wherever.

VODOne also advises that, currently, the lottery betting services of VODOne Lottery View covers all nationwide welfare lotteries in China.

Xinhua, the official press agency of the government of the People's Republic of China, reports that, according to the Welfare Lottery Distribution and Management Center (WLDMC), China sold CNY96.8 billion worth of welfare lotteries in 2010 and sales of welfare lotteries posted an annual increase of 18.7 percent over the past five years, from CNY41.2 billion in 2006 to CNY96.8 billion in 2010 inclusive.
