About SmartTrans
(https://youtu.be/-1t_yJe1DBA)

SmartTrans Holdings Limited (ASX: SMA) is a leading Australian technology and software provider that has developed a mobile and online billing payment and e-Commerce platform for the China market. The company has agreements in place to bill with China Mobile, China Unicom, China Telecom, UnionPay and Alipay. With the growing use of the smartphone as a billing device in China, the company is experiencing significant uptake of its technology in that market. SmartTrans has also developed cutting-edge proprietary logistics software which is used by some of Australia's leading blue-chip organisations who have long term contracts in place with the company. SmartTrans is assessing growth opportunities for its logistic offering in China to complement its mobile and online payments platform.
