Orcoda Transport Logistics Contract Win and Update

Orcoda Limited (ASX: ODA) ('Orcoda' or 'the Company'), the resources, healthcare, and transport logistics optimisation company, is pleased to announce that its Transport Logistics division has signed a national multi-year contract with long term and loyal customer, CEVA Logistics Australia ("CEVA").

The new contract will allow CEVA to consolidate the distribution of different brands of passenger tyres to retailers across Australia. The Company will implement phase one this month in Victoria. Phase one is valued at approximately \$108,000. The other states will follow soon. The Company advises that it is in discussions with CEVA for optimising replenishment of convenience stores.

The Company also advises that a long-term customer of over 10 years, Mrs Macs, has come to an end because Mrs Macs have sold their distribution channel. The Mrs Macs agreement will complete at the end of March and is valued at \$2,400 per month.

"We are extremely pleased to expand our partnership with CEVA, a global supply chain leader. Our customers' logistics needs vary as much as the products they market. Orcoda ensures that our solutions are modified to maximise the benefits in clients' supply chains. This model builds unprecedented customer loyalty. Having had Mrs Macs as a client for 10 years demonstrates this loyalty." Managing Director, Brendan Mason said.
