¹ “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes “OR” at the end of the selection and you delete the other options, you can also, if you wish, delete the “OR” at the end of the selection.

RECOMMENDATIONS (4 TH EDITION)	COMPLIANT	EXPLANATION
Principle 1: Lay solid foundations for management and oversight		
Recommendation 1.1 A listed entity should have and disclose a board charter setting out: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	YES YES	The Company has adopted a Board Charter that sets out the specific roles and responsibilities of the Board, the Chair, the Company Secretary and management and includes a description of those matters expressly reserved to the Board and those delegated to management. The Board Charter also sets out the requirements as to the Board's composition, the establishment, operation and management of Board Committees, Directors' access to Company records and information, details of the Board's relationship with management, details of the Board's performance review and details of the Board's disclosure policy. A copy of the Company's Board Charter is available on the Company's website at https://ottoenergy.com/corporate-governance/.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	YES YES	(a) The Company has guidelines for the appointment and selection of the Board in its Remuneration and Nomination Committee Charter to ensure appropriate checks are undertaken before appointing a person or putting forward to security holders a candidate for election, as a director. (b) Through its Shareholders Communications Policy, the Company ensures all material information relevant to a decision on whether or not to elect or re-elect a director is provided to security holders in the Notice of Meeting containing the resolution to elect or re-elect a Director.

RECOMMENDATIONS (4 TH EDITION)	COMPLIANT	EXPLANATION
Recommendation 1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	YES	The Board requires that each Director and senior executive is a party to a written agreement with the Company which sets out the terms of that Director's or senior executive's appointment. The Company had written agreements with each of its Directors and senior executives for the past financial year.
Recommendation 1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	YES	The Board Charter outlines the roles and responsibilities of the Company Secretary. In accordance with this, the Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.

RECOMMENDATIONS (4 TH EDITION)	COMPLIANT	EXPLANATION
Recommendation 1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: (1) the measurable objectives set for that period to achieve gender diversity; (2) the entity's progress towards achieving those objectives; and (3) either: (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act. If the entity was in the S&P/ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.	PARTIALLY	(a) The Company is committed to an inclusive workplace that embraces diversity and values, respects and leverages the unique contributions of people with diverse backgrounds, experiences and perspectives. (b) The Company has adopted a Diversity & Inclusion Policy which provides a framework for the Company to recruit and manage on the basis of competence and performance regardless of age, nationality, race, gender, religious beliefs, sexuality, physical ability or cultural background. (c) The Diversity & Inclusion Policy is available on the Company's website. (d) The Board will review the Company's diversity practices on an annual basis, and the Diversity & Inclusion Policy will be reviewed regularly and updated as required. Given the Company's current size, the Board has opted not to set specific measurable objectives at this stage. Whilst the Board of the Company endorses the concept of gender diversity, until the Company's size has grown to a point where fully implementing specific measurable objectives will become more meaningful, the Company will, in accordance with its Diversity & Inclusion Policy, continue to recruit on the basis of competence and performance regardless of age, nationality, race, gender, religious beliefs, sexuality, physical ability or cultural background. It is essential that we have the right person for the right job and that we deliver at a high level of performance. The respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes) for the past financial year is disclosed in the Company's Annual Report. The Company is not a "relevant employer" under the Workplace Gender Equality Act.
