Notes

- 1 The quarterly report provides a basis for informing the market how the entity's activities have been financed
for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is
encouraged to do so, in a note or notes attached to this report.
- 2 The "Nature of interest" (items 6.1 and 6.2) includes options in respect of interests in mining tenements
acquired, exercised or lapsed during the reporting period. If the entity is involved in a joint venture
agreement and there are conditions precedent which will change its percentage interest in a mining tenement,
it should disclose the change of percentage interest and conditions precedent in the list required for items 6.1
and 6.2.
- 3 **Issued and quoted securities** The issue price and amount paid up is not required in items 7.1 and 7.3 for
fully paid securities.
- 4 The definitions in, and provisions of, *AASB 1022: Accounting for Extractive Industries* and *AASB 1026:
Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International Accounting Standards for
foreign entities. If the standards used do not address the topic, the Australian standard on that topic (if any)
must be complied with.
