Orica Welcomes Incitec Announcement on New Scheme

Orica today welcomed the announcement of Incitec's decision to proceed with a new scheme, which will result in the formation of two listed companies – Incitec Fertilisers and Industrial Chemicals. This will enable Incitec Fertilisers to pursue a merger with Pivot.

Orica Managing Director and Chief Executive Officer, Mr. Malcolm Broomhead, said that "We maintain our desire to pursue this fertiliser merger, because of the benefits it creates for shareholders of all companies involved."
