About Osteopore Limited

Osteopore Limited is a Singapore-founded regenerative medicine company and a global leader in 3D-printed biomimetic and bioresorbable implants. The Company seeks to commercialise products that stimulate natural bone healing across multiple segments.

Osteopore creates patented scaffolds using 3D-printed biomimetic and bioresorbable materials to guide and nurture bone-forming cells.

Through our proprietary manufacturing process – which uses a naturally dissolving polymer – our patented scaffolds enable bone tissue growth, significantly reducing the post-surgery complications commonly associated with permanent bone implants.
