Eastern Gas Corporation Limited – IPO Oversubscribed

Sydney, 30 January 2026: Australian clean technology company Pure One Corporation Limited (ASX: P1E) ("Pure One" or "the Company") advises that Eastern Gas Corporation Limited ("Eastern Gas") has received applications in excess of AUD 5.5 million to be raised under its initial public offering.

Eastern Gas is currently working with the Australian Securities Exchange (ASX) in relation to the proposed listing of the company, including progressing customary listing and regulatory requirements.

In accordance with the Second Supplementary Prospectus dated 23 January 2026, the Offer is expected to close on 6 February 2026. However, the Company reserves the right to amend the Closing Date, including closing the Offer earlier. As previously advised, Pure Offer applications will be given priority in the allocation process.

About Pure One Corporation Limited

Pure One Corporation Limited (ASX: P1E) is a clean technology company focused on delivering zero-emission mobility and energy solutions. Building on its legacy in hydrogen technologies, Pure One has expanded into battery-electric vehicles and battery-swap solutions, creating commercial and sustainable value for customers across Australia and beyond.

The Company continues to support hydrogen fuel as a domestically sourced clean energy option while offering innovative multi-technology solutions that enable commercial fleets to transition to zero-emission operations.

Concurrently, the Company is developing natural gas projects in Australia through Eastern Gas Corporation Limited and indirectly in Botswana through a strategic investment it holds in Botala Energy (ASX: BTE), a Botswana-focused energy company listed on the ASX.

Strategically, Pure One will also prioritise incubation for early-stage companies or projects within the clean energy sector, with the aim of realising profits from those investments. For further information see www.pure1corp.com.
