ANNOUNCEMENT TO THE AUSTRALIAN STOCK EXCHANGE HUNTER HALL INTERNATIONAL LIMITED APPOINTMENTS TO THE INVESTMENT TEAM

18 October 2005

Peter Hall, Chairman of Hunter Hall International Limited, made the following statement today:

I am pleased to announce two senior appointments to the Hunter Hall investment management team.

Nigel Burgess and Tod McElroy have been appointed Portfolio Managers and will be based in our London office. Their research efforts will be primarily focussed on international equities.

Nigel holds a Masters of Commerce with an Accounting Major from the University of New South Wales. He has over 20 years of experience in funds management including periods with Friends Provident Life and GIO Australia and more recently has been based in Europe working for a family office.

Tod holds a Bachelor of Commerce from Victoria University, Wellington and has 16 years of investment experience. He has worked at Westpac Banking Corporation as a finance analyst and manager in the corporate banking area, as a stockbroker with Cazenove & Co and most recently as a portfolio manager for a family office in London.

These appointments increase our team of Portfolio Managers to eight, including four based in our London office. These portfolio managers are supported by four equities and portfolio analysts and one currency consultant giving a rich endowment of human resources in relation to funds under management.
