¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

CORPORATE GOVERNANCE STATEMENT

PERPETUAL RESOURCES LIMITED

ACN 154 516 533

(Company)

This Corporate Governance Statement is current as at 30 September 2025 and has been approved by the Board of the Company on that date.

The board of directors of Perpetual Resources Limited ("PEC") is committed to conducting the Company's business in accordance with the highest standards of corporate governance. The board is responsible for the Company's Corporate Governance and the governance framework, policy and procedures, and charters that underpin this commitment. The board ensures that the Company complies with the corporate governance requirements stipulated in the *Corporations Act 2001* (Cth), the ASX Listing Rules, the constitution of the Company and any other applicable laws and regulations.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties and is available on the Company's website at <https://www.perpetualresources.co/corporate-governance>

Due to the current size and nature of the existing Board and the magnitude of the Company's operations, the Board does not consider that the Company will gain any benefit from individual Board committees and that its resources would be better utilised in other areas as the Board is of the strong view that at this stage the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees.

The table below summarises the Company's compliance with the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (4th Edition) in accordance with ASX Listing Rule 4.10.3.

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION
Principle 1: Lay solid foundations for management and oversight		
Recommendation 1.1 (a) A listed entity should have and disclose a board charter which sets out the respective roles and responsibilities of the Board, the Chair and management, and includes a description of those matters expressly reserved to the Board and those delegated to management.	YES	The Company has adopted a Board Charter that sets out the specific roles and responsibilities of the Board, the Chair and management and includes a description of those matters expressly reserved to the Board and those delegated to management. The Board Charter sets out the specific responsibilities of the Board, requirements as to the Board's composition, the roles and responsibilities of the Chairman and Company Secretary, the establishment, operation and management of Board Committees, Directors' access to Company records and information, details of the Board's relationship with management, details of the Board's performance review and details of the Board's disclosure policy. A copy of the Company's Board Charter, which is part of the Company's Corporate Governance Plan, is available on the Company's website.

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a Director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director.	YES	(a) The Company has guidelines for the appointment and selection of the Board and senior executives in its Corporate Governance Plan. The Company's Nomination Committee Charter (in the Company's Corporate Governance Plan) requires the Nomination Committee (or, in its absence, the Board) to ensure appropriate checks (including checks in respect of character, experience, education, criminal record and bankruptcy history (as appropriate)) are undertaken before appointing a person, or putting forward to security holders a candidate for election, as a Director. In the event of an unsatisfactory check, a proposed Director will not be appointed. (b) Under the Nomination Committee Charter, all material information relevant to a decision on whether or not to elect or re-elect a Director must be provided to security holders in the Notice of Meeting containing the resolution to elect or re-elect a Director.
Recommendation 1.3 A listed entity should have a written agreement with each Director and senior executive setting out the terms of their appointment.	YES	The Company's Nomination Committee Charter requires the Nomination Committee (or, in its absence, the Board) to ensure that each Director and senior executive is personally a party to a written agreement with the Company which sets out the terms of that Director's or senior executive's appointment. The Company has written agreements with each of its Directors and senior executives setting out the terms of their appointment. The Company also has written agreements with each consultant engaged by the Company and the nominated person to whom responsibilities of the consultant and the nominated person are delegated.
Recommendation 1.4 The Company Secretary of a listed entity should be accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.	YES	The Board Charter outlines the roles, responsibility and accountability of the Company Secretary. In accordance with this, the Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION
Recommendation 1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: (i) the measurable objectives set for that period to achieve gender diversity; (ii) the entity's progress towards achieving those objectives; and (iii) either: (A) the respective proportions of men and women on the Board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in the Workplace Gender Equality Act. If the entity was in the S&P / ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.	PARTIALLY	(a) The Company has adopted a Diversity Policy which provides a framework for the Company to establish, achieve and measure diversity objectives, including in respect of gender diversity. The Diversity Policy is available, as part of the Corporate Governance Plan, on the Company's website. (b) The Diversity Policy allows the Board to set measurable gender diversity objectives, if considered appropriate, and to continually monitor both the objectives if any have been set and the Company's progress in achieving them. (c) The Board did not set measurable gender diversity objectives for the financial year ended 30 June 2025, because: (i) the Board does not anticipate there will be a need to appoint any new Directors or senior executives due to the limited nature of the Company's existing and proposed activities and the Board's view that the existing Directors and senior executives have sufficient skill and experience to carry out the Company's plans; and (ii) if it becomes necessary to appoint any new Directors or senior executives, the Board will consider the application of the measurable diversity objectives and determine whether, given the small size of the Company and the Board, requiring specified objectives to be met, will unduly limit the Company from applying the Diversity Policy as a whole and the Company's policy of appointing the best person for the job; and (iii) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes) for the financial year ended 30 June 2025 are disclosed in the Company's Annual Report.

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION
Recommendation 1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the Board, its committees and individual Directors; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period. RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION
Recommendation 2.3 A listed entity should disclose: (a) the names of the Directors considered by the Board to be independent Directors; (b) if a Director has an interest, position or relationship of the type described in Box 2.3 of the ASX Corporate Governance Principles and Recommendations (4th Edition), but the Board is of the opinion that it does not compromise the independence of the Director, the nature of the interest, position or relationship in question and an explanation of why the Board is of that opinion; and (c) the length of service of each Director	NO	(a) The Board Charter requires disclosure of the names of Directors considered by the Board to be independent. The Board does not currently consider any of its Directors to be independent. Each current Director holds executive responsibilities or other associations that, in the Board's view, mean they do not satisfy the ASX definition of independence. (b) As there are presently no independent Directors, there are no instances to disclose where a Director has an interest, position or relationship but is nevertheless considered independent. (c) The Company's Annual Report will disclose the length of service of each Director, as at the end of each financial year.
Recommendation 2.4 A majority of the Board of a listed entity should be independent Directors.	NO	The Company's Board Charter provides that, where practical, the majority of the Board should be independent. The Board currently comprises three (3) Directors and does not include any Directors it considers to be independent. The Board does not currently consider an independent majority of the Board to be appropriate given: (a) the speculative nature of the Company's business, and its limited scale of activities, means the Company only needs, and can only commercially sustain, a small Board of three (3) Directors; (b) the Company considers it necessary, given its current activities, to attract and retain suitable Directors by offering Directors an interest in the Company; and (c) the Company considers it appropriate to provide remuneration to its Directors in the form of securities in order to conserve its limited cash reserves.

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION
Recommendation 2.5 The Chair of the Board of a listed entity should be an independent Director and, in particular, should not be the same person as the CEO of the entity.	NO	The Board Charter provides that, where practical, the Chair of the Board should be an independent Director and should not be the CEO/Managing Director. The Chair of the Company is not an independent Director and is not the CEO/Managing Director. The Chair is not independent and is an executive. The Board considers this appropriate at the current stage and will revisit as the Company grows.
Recommendation 2.6 A listed entity should have a program for inducting new Directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as Directors effectively.	YES	In accordance with the Company's Board Charter, the Nomination Committee (or, in its absence, the Board) is responsible for the approval and review of induction and continuing professional development programs and procedures for Directors to ensure that they can effectively discharge their responsibilities. The Company Secretary is responsible for facilitating inductions and professional development including receiving briefings on material developments in laws, regulations and accounting standards relevant to the Company.
Principle 3: Instil a culture of acting lawfully, ethically and responsibly		
Recommendation 3.1 A listed entity should articulate and disclose its values. The Board, management and employees are dedicated to high ethical standards and recognise and support the Company's commitment to compliance with these standards. (b) The Company's values are set out in its Code of Conduct (which forms part of the Corporate Governance Plan) and are available on the Company's website. All employees are given appropriate training on the Company's values and senior executives will continually reference such values.

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION

YES	(a) The Company's Corporate Code of Conduct applies to the Company's Directors, senior executives and employees. (b) The Company's Corporate Code of Conduct (which forms part of the Company's Corporate Governance Plan) is available on the Company's website. Any material breaches of the Code of Conduct are reported to the Board or a committee of the Board.
Recommendation 3.3 A listed entity should: (a) have and disclose a whistleblower policy; and (a) ensure that the Board or a committee of the Board is informed of any material incidents reported under that policy.	YES	The Company's Whistleblower Protection Policy (which forms part of the Corporate Governance Plan) is available on the Company's website. YES	The Company's Anti-Bribery and Anti-Corruption Policy (which forms part of the Corporate Governance Plan) is available on the Company's website. PARTIALLY	(a) The Company's Corporate Governance Plan contains an Audit and Risk Committee Charter that provides for the creation of an Audit and Risk Committee with at least three members, all of whom must be non-executive Directors, and a majority of the Committee must be independent Directors. The Committee must be chaired by an independent Director who is not the Chair. The Company does not have an Audit and Risk Committee Given the Company's small size, limited operations and the current absence of independent Directors, the Board has determined that establishing a separate committee would not provide additional benefit at this stage. as the Board considers the Company will not currently benefit from its establishment. In accordance with the Company's Board Charter, the Board carries out the duties that would ordinarily be carried out by the Audit and Risk Committee under the Audit and Risk Committee Charter including the following processes to independently verify the integrity of the Company's periodic reports which are not audited or reviewed by an external auditor, as well as the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner: (i) the Board devotes time at annual Board meetings to fulfilling the roles and responsibilities associated with maintaining the Company's internal audit function and arrangements with external auditors; and (ii) all members of the Board are involved in the Company's audit function to ensure the proper maintenance of the entity and the integrity of all financial reporting.
Recommendation 4.2 The Board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.	YES	The Company's Audit and Risk Committee Charter requires the CEO and CFO (or, if none, the person(s) fulfilling those functions) to provide a sign off on these terms. The Company has obtained a sign off on these terms for each of its financial statements in the past financial year.
Recommendation 4.3 A listed entity should disclose its process to verify the integrity of any periodic corporate report it releases to the market that is not audited or reviewed by an external auditor.	YES	The Board reviews all periodic reports and seeks professional assistance and advice where required to ensure the integrity of those reports. No additional disclosures are made separately on these reports.

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION

(b) The Corporate Governance Plan, which incorporates the Continuous Disclosure policy, is available on the Company's website.
Recommendation 5.2 A listed entity should ensure that its board receives copies of all material market announcements promptly after they have been made.	YES	Under the Company's Continuous Disclosure Policy (which forms part of the Corporate Governance Plan), all members of the Board receive material market announcements promptly after they have been made.

Recommendation 6.2 A listed entity should have an investor relations program that facilitates effective two-way communication with investors.	YES	The Company has adopted a Shareholder Communications Strategy which aims to promote and facilitate effective two-way communication with investors. The Strategy outlines a range of ways in which information is communicated to shareholders and is available on the Company's website as part of the Company's Corporate Governance Plan.
Recommendation 6.3 A listed entity should disclose how it facilitates and encourages participation at meetings of security holders.	YES	Shareholders are encouraged to participate at all general meetings and AGMs of the Company. Upon the despatch of any notice of meeting to Shareholders, the Company Secretary shall send out material stating that all Shareholders are encouraged to participate at the meeting.

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION
Recommendation 6.4 A listed entity should ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands.	YES	All substantive resolutions at securityholder meetings will be decided by a poll rather than a show of hands.
Recommendation 6.5 A listed entity should give security holders the option to receive communications from, and send communications to, the entity and its security registry electronically.	YES	The Shareholder Communication Strategy provides that security holders can register with the Company to receive email notifications when an announcement is made by the Company to the ASX, including the release of the Annual Report, half yearly reports and quarterly reports. Links are made available to the Company's website on which all information provided to the ASX is immediately posted. Shareholders' queries should be referred to the Company Secretary in the first instance.
Principle 7: Recognise and manage risk		
Recommendation 7.1 The Board of a listed entity should: (a) have a committee or committees to oversee risk, each of which: (i) has at least three members, a majority of whom are independent Directors; and (ii) is chaired by an independent Director, and disclose: (iii) the charter of the committee; (iv) the members of the committee; and (v) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or (b) if it does not have a risk committee or committees that satisfy (a) above, disclose that fact and the process it employs for overseeing the entity's risk management framework.	PARTIALLY	(a) The Company's Corporate Governance Plan contains an Audit and Risk Committee Charter that provides for the creation of an Audit and Risk Committee with at least three members, all of whom must be non-executive Directors, and a majority of the Committee must be independent Directors. The Committee must be chaired by an independent Director who is not the Chair. A copy of the Corporate Governance Plan is available on the Company's website. (b) The Company does not have an Audit and Risk Committee. Given the Company's small size, limited operations and the current absence of independent Directors, the Board has determined that establishing a separate committee would not provide additional benefit at this stage. In accordance with the Company's Board Charter, the full Board carries out the duties that would ordinarily be undertaken by an Audit and Risk Committee under the Audit and Risk Committee Charter. This includes processes to independently verify the integrity of the Company's periodic reports that are not audited or reviewed by an external auditor, and the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner: (i) the Board devotes time at quarterly Board meetings to fulfilling the roles and responsibilities associated with overseeing risk and maintaining the entity's risk management framework and associated internal compliance and control procedures; and

YES	(a) The Audit and Risk Committee Charter require that the Audit and Risk Committee (or, in its absence, the Board) should, at least annually, satisfy itself that the Company's risk management framework continues to be sound and that the Company is operating with due regard to the risk appetite set by the Board. (b) The Company's Corporate Governance Plan requires the Company to disclose at least annually whether such a review of the Company's risk management framework has taken place. The Board considers risks and discusses risk management at each Board meeting. Review of the risk management framework is an on-going process rather than an annual formal review. This ongoing review process continued during the year ended 30 June 2025. The Company's main areas of risk include: • exploration; • security of tenure;

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION
		• new project acquisitions; • environment; • occupational health and safety; • government policy changes; • funding; • commodity prices; • retention of key staff; • financial reporting; and • continuous disclosure obligations. Executive management is responsible for monitoring the health and wellbeing of staff and contractors and for liaising with landowners and other stakeholders.
Recommendation 7.3 A listed entity should disclose: (a) if it has an internal audit function, how the function is structured and what role it performs; or (b) if it does not have an internal audit function, that fact and the processes it employs for evaluating and continually improving the effectiveness of its governance, risk management and internal control processes.	YES	(a) Due to the size and nature of the existing Board and the magnitude of the Company's operations, the Company does not currently have an internal audit function. (b) The Audit and Risk Committee Charter provides for the Audit and Risk Committee to monitor and periodically review the need for an internal audit function, as well as assessing the performance and objectivity of any internal audit procedures that may be in place.

The Company's Corporate Governance Plan requires the Company to disclose whether it has any potential or apparent exposure to environmental or social risks and, if it does, put in place management systems, practices and procedures to manage those risks. Where the Company does not have material exposure to environmental or social risks, report the basis for that determination to the Board, and where appropriate benchmark the Company's environmental or social risk profile against its peers. The Company will disclose this information in its Annual Report and as an ASX Announcement in compliance with its continuous disclosure obligations.

RECOMMENDATIONS (4 th EDITION)	COMPLY	EXPLANATION

PARTIALLY	(a) The Company does not have a Remuneration Committee. The Company's Corporate Governance Plan contains a Remuneration Committee Charter that provides for the creation of a Remuneration Committee (if it is considered it will benefit the Company), with at least three members, a majority of whom are independent Directors and which must be chaired by an independent Director. (b) The Company does not have a Remuneration Committee as the Board considers that the Company will not currently benefit from its establishment. In accordance with the Company's Board Charter, the Board carries out the duties that would ordinarily be carried out by the Remuneration Committee under the Remuneration Committee Charter including the following processes to set the level and composition of remuneration for Directors and senior executives and ensuring that such remuneration is appropriate and not excessive: (i) the Board devotes time at the annual Board meeting to assess the level and composition of remuneration for Directors and senior executives; (ii) if required, engagement of external advisers to ensure remuneration for Directors and senior executives is commensurate with the industry in which the Company operates, having regard to the Company's size and operations.
Recommendation 8.2 A listed entity should separately disclose its policies and practices regarding the remuneration of non-executive Directors and the remuneration of executive Directors and other senior executives.	YES	The Company's Corporate Governance Plan requires the Board to disclose its policies and practices regarding the remuneration of Directors and senior executives, which is disclosed in the remuneration report contained in the Company's Annual Report as well as being disclosed on the Company's website.
Recommendation 8.3 A listed entity which has an equity-based remuneration scheme should: (a) have a policy on whether participants are permitted to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the scheme; and (b) disclose that policy or a summary of it.	YES	(a) The Company has an equity-based remuneration scheme.
