

Company announcement

Release date 3 September 2024

Appointment of CEO

Phoslock Environmental Technologies (ASX:PET) is pleased to announce the appointment of Graeme Newing as Chief Executive Officer. This appointment best reflects the role and responsibilities Graeme has been undertaking since 18 January 2024 when he was appointed to the board as a non-executive director. The appointment to Chief Executive Officer means Graeme will become an executive director of the Company.

Phoslock would like to thank Graeme for his ongoing commitment to the Company.

This announcement has been approved by the Chairman.

Mr Fred Bart
Chairman

About PET:

Phoslock Environmental Technologies Limited (ASX: PET) specialises in water treatment products to remediate polluted lakes, rivers, canals and drinking water reservoirs.

PET is headquartered in Sydney and has an office, factory and warehouse in Changxing, China. The Company is represented by licensees, distributors and agents in numerous other countries including HydroScience in Brazil.

PET's main manufactured product is Phoslock®, a lanthanum modified bentonite (LMB) that permanently binds excess phosphorus in the water column and sediments, and thus improves water quality and biodiversity. Phoslock does not harm living organisms and is certified for use in drinking water in North America, Europe, Brazil, Australia, and China.
