EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2019 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.peelmining.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – MR JAMES SIMPSON

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr James Simpson, having been appointed by other Directors on 9 September 2019 in accordance with the Constitution, will retire in accordance with the Constitution and ASX Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.2 Qualifications and other material directorships

Mr James Simpson has more than 30 years mining industry experience, specialising in underground metalliferous mining. His previous roles include Managing Director at Aurelia Metals Limited, Chief Operating Officer and Executive Vice President for Peak Gold Ltd; General Manager & Director at Goldcorp Asia Pacific, Peak Gold Mines; and General Manager Mining Lead Zinc at MIM Holdings, Mt Isa. Mr James Simpson's experience ranges from mine development and management through to corporate and equity market participation.

Mr James Simpson holds a Bachelor of Engineering Mining (Hons) from University of NSW and a Diploma of Business (Frontline Management) and is a member of the Australasian Institute of Mining and Metallurgy.

3.3 Independence

If elected the Board does not consider Mr James Simpson will be an independent director.

3.4 Board recommendation

The Board supports the election of Mr James Simpson and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR GRAHAM HARDIE

4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Graham Hardie, who has served as a Director since 24 February 2010 and was last re-elected on 29 November 2017, retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

Mr Graham Hardie is the principal of Hardie Finance Corporation, a private Perth-based property development company, and is also the principal of Entertainment Enterprises, a private Perth-based hospitality company. He is a Fellow of the Institute of Chartered Accountants, and a former partner in a leading Chartered Accountancy firm. He has extensive commercial and financial experience and has held board positions on a number of public companies in the mining, media, transport and retail industries.

4.3 Independence

If re-elected the Board does not consider Mr Graham Hardie will be an independent Director.

4.4 Board recommendation

The Board supports the election of Mr Graham Hardie and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE – PLACEMENT SHARES

5.1 General

On 13 June 2019, the Company issued 22,580,646 Shares at an issue price of \$0.31 per Share to raise \$7,000,000.

Resolution 4 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Shares (**Ratification**).

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

5.2 Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Ratification:

- (a) 22,580,646 Shares were issued;
- (b) the issue price was \$0.31 per Share;

- (c) the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued to sophisticated and professional investors, who were identified by Patersons Securities Limited. None of these subscribers are related parties of the Company; and
- (e) the funds raised from this issue will be used to continue advancing the Company's 100%-owned Wagga Tank Southern Nights deposit and the Company's 50%-owned Mallee Bull deposit towards development. Funds will also be used to further explore the Company's other projects in NSW and for working capital.

6. **RESOLUTION 5 – ADOPTION OF INCENTIVE PERFORMANCE RIGHTS AND OPTIONS PLAN**

Resolution 5 seeks Shareholder approval for the adoption of the employee incentive scheme titled Incentive Performance Rights and Options Plan (**Plan**) in accordance with ASX Listing Rule 7.2 (Exception 9(b)).

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period. ASX Listing Rule 7.2 (Exception 9(b)) sets out an exception to ASX Listing Rule 7.1 which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

If Resolution 5 is passed, the Company will be able to issue Performance Rights and Options under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

The objective of the Plan is to attract, motivate and retain key employees and it is considered by the Company that the adoption of the Plan and the future issue of Performance Rights or Options under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

Any future issues of Performance Rights or Options under the Plan to a related party or a person whose relationship with the company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time.

In the past 3 years, the Company has not issued any Options or Performance Rights under the Plan. The Company has previously issued Options under the Incentive Option Plan which was approved by Shareholders on 22 November 2016.

A summary of the key terms and conditions of the Plan is set out in Schedule 1. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary (Ryan Woodhouse). Shareholders are invited to contact the Company if they have any queries or concerns.

7. RESOLUTIONS 6,7 AND 8 – ISSUE OF OPTIONS TO MR ROBERT TYSON, MR SIMON HADFIELD AND MR GRAHAM HARDIE

7.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 2,000,000 Options (**Related Party Options**) to Messrs Robert Tyson, Simon Hadfield and Graham Hardie (**Related Parties**) on the terms and conditions set out below.

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Related Party Options constitutes giving a financial benefit and Messrs Robert Tyson, Simon Hadfield and Graham Hardie are related parties of the Company by virtue of being Directors of the Company.

In addition, ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act and ASX Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Related Party Options to the Related Parties.

- (a) the related parties are Messrs Robert Tyson, Simon Hadfield and Graham Hardie and they are related parties by virtue of being Directors;

 - (ii) 500,000 Related Party Options to Mr Simon Hadfield (Resolution 7); and

- (c) the Board acknowledges the grant of Related Party Options to Messrs Simon Hadfield and Graham Hardie is contrary to Recommendation 8.3 of The Corporate Governance Principles and Recommendations with 2014 Amendments (3rd Edition) as published by The ASX Corporate Governance Council. However, the Board considers the grant of Related Party Options to Messrs Simon Hadfield and Graham Hardie reasonable in the circumstances for the reason set out in paragraph (m);
- (d) the primary purpose of the grant of the Related Party Options to the Related Parties is to provide a performance linked incentive component in the remuneration package for the Related Parties to motivate and reward the performance of the Related Parties in their respective roles as Directors;
- (e) Mr Robert Tyson declines to make a recommendation to Shareholders in relation to the Resolution 6 due to his material personal interest in the outcome of the Resolution on the basis that he (or his nominee) is to be granted Related Party Options should the Resolution be passed.

However, in respect of the Resolutions 7 and 8, recommends that Shareholders vote in favour of those Resolutions for the following reasons:

- (i) the grant of Related Party Options to the Related Parties will align the interests of the Related Parties with those of Shareholders;
 - (ii) the grant of the Related Party Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Directors; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Related Party Options upon the terms proposed;
- (f) Mr Simon Hadfield declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of the Resolution on the basis that he (or his nominee) is to be granted Related Party Option in the Company should Resolution 7 be passed. However, in respect of Resolutions 6 and 8, recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (g) Mr Graham Hardie declines to make a recommendation to Shareholders in relation to Resolution 8 due to his material personal interest in the outcome of the Resolution on the basis that he (or his nominee) is to be granted Related Party Option in the Company should Resolution 8 be passed. However, in respect of Resolutions 6 and 7, recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (h) Mr James Simpson does not have a personal interest in the outcome of Resolutions 6, 7 and 8;
- (i) Mr James Simpson recommends that Shareholders vote in favour of Resolutions 6 and 7 and 8 for the reasons set out in paragraph (m);
- (j) in forming their recommendations, each Director considered the experience of each other Related Party, the current market price of Shares, the current market practices when determining the number of Related Party Options to be granted as well as the exercise price and expiry date of those Related Party Options; and
- (k) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 6 to 8.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Related Party Options to the Related Parties as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Related Party Options to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

8. RESOLUTION 9 – APPROVAL OF 10% PLACEMENT CAPACITY

8.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities equal to 10% of its issued capital (**10% Placement Capacity**) without using that entity's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$70,523,247 (based on the number of Shares on issue and the closing price of Shares on the ASX on 21 October 2019 and excluding any restricted securities that may be on issue).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: PEX).

If Shareholders approve Resolution 9, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

Resolution 9 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 9 for it to be passed.

8.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 9:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or

- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in Section 8.2(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 9 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the market price of Shares and the number of Equity Securities on issue as at 21 October 2019.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

			Dilution		
Number of Shares on Issue (Variable A in ASX Listing Rule 7.1A2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.143	\$0.285	\$0.43
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	243,183,611 Shares	24,318,361 Shares	\$3,465,366	\$6,930,732	\$10,396,099
50% increase	364,775,417 Shares	36,477,541 Shares	\$5,198,049	\$10,396,099	\$15,594,148
100% increase	486,367,222 Shares	48,636,722 Shares	\$6,930,732	\$13,861,465	\$20,792,198

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-

rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 243,318,611 Shares on issue as at the date of this Notice of Meeting.
2. The issue price set out above is the closing price of the Shares on the ASX on 21 October 2019.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes as cash consideration in which case the Company intends to use funds raised for

- (i) exploration at the Company's NSW tenements and further advancement development of its 100% owned Wagga Tank-Southern Nights Project and 50% owned Mallee Bull Projects; and
- (ii) general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

(f) **Allocation policy under the 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(g) **Previous approval under ASX Listing Rule 7.1A**

The Company has not previously obtained approval under Listing Rule 7.1A.

8.3 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 9.

9. RESOLUTION 10 – REPLACEMENT OF CONSTITUTION

9.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 10 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted on 20 April 2006.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer);
- expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website www.peelmining.com.au and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 9382 3955). Shareholders are invited to contact the Company if they have any queries or concerns.

9.2 Summary of material proposed changes

Restricted Securities (clause 2.12)

The Proposed Constitution complies with the proposed changes to ASX Listing Rule 15.12 which is due to be finalised and released in December 2019. Under this change, ASX will require certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) to execute a formal escrow agreement in the form Appendix 9A, as is currently the case. However, for less significant holdings (such as non-related parties and non-promoters), ASX will instead permit the Company to issue restriction notices to holders of restricted securities in the form of a new Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.

Fee for registration of off market transfers (clause 8.4(c))

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a "reasonable fee" for registering paper-based transfers, sometimes referred to "off-market transfers".

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from

Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

Direct Voting (clause 13, specifically clauses 13.35 – 13.40)

The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.

Dividends (clause 22)

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (a) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (b) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- (c) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

Partial (proportional) takeover provisions (new clause 36)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;

- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 10.

10. RESOLUTION 11 – ISSUE OF OPTIONS TO MR JAMES SIMPSON

10.1 General

On 9 September 2019, the Company appointed Mr James Simpson to the Board and issued 2,000,000 Options to Mr Simpson (or his nominee) under the Incentive Option Plan which was adopted by Shareholders on 22 November 2016 (**Simpson Options**).

The Company did not obtain Shareholder approval under Listing Rule 10.11 for the issue of the Simpson Options as it was of the view that Listing Rule 10.12 exception 6 applied to the issue of the Simpson Options. Shareholder approval was also not sought under Chapter 2E of the Corporations Act as the Board considered that the issue of Simpson Options was reasonable remuneration which had been negotiated on arm's length terms.

However, Listing Rule 10.14 provides that an entity must not permit a director, or an associate of a director, (among others) to acquire securities under an employee incentive scheme without shareholder approval. Accordingly, the issue of the Simpson Options without prior Shareholder approval was in breach of Listing Rule 10.14. The Company wishes to advise Shareholders that the breach was an administrative oversight and that steps have been taken to avoid such a breach reoccurring in the future.

Further to discussions with ASX regarding this matter, the Company is seeking to remedy the breach by cancelling the Simpson Options and seeking Shareholder approval pursuant to Resolution 11 to re-issue the Simpson Options to Mr Simpson (or his nominees) for the purposes of Listing Rule 10.14.

Accordingly, the Company has agreed, subject to obtaining Shareholder approval and to the adoption of the Plan (refer Resolution 5), to issue the Simpson Options to Mr Simpson (or his nominees) pursuant to the Plan and on the terms and conditions set out below.

10.2 Chapter 2E of the Corporations Act and ASX Listing Rule 10.14

A summary of Chapter 2E of the Corporations Act is set out in Section 7.2 above.

The grant of the Simpson Options constitutes giving a financial benefit and Mr Simpson is a related party of the Company by virtue of being a Director.

In addition, ASX Listing Rule 10.14 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a

person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained.

The Directors (other than Mr Simpson who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of Simpson Options because the agreement to grant Simpson Options, reached as part of the remuneration package for Mr Simpson, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

10.3 Technical information required by ASX Listing Rule 10.15

Pursuant to and in accordance with the requirements of ASX Listing Rule 10.15, the following information is provided in relation to the proposed grant of the Simpson Options:

- (a) Mr Simpson is a related party by virtue of being a Director;
- (b) the maximum number of Options (being the nature of the financial benefit being provided) to be granted to the Mr Simpson is 2,000,000 Options, comprising of:
 - (i) 1,000,000 Tranche 1 Options; and
 - (ii) 1,000,000 Tranche 2 Options;
- (c) the Simpson Options will be granted for nil cash consideration, accordingly no funds will be raised;
- (d) no Options have been issued under the Plan as it is proposed to be adopted at this Meeting pursuant to Resolution 5;
- (e) any Director (being Simon Hadfield, Graham Hardie, Robert Tyson and James Simpson), full or part time employee, casual employee or contractor of the Company (as set out in further detail in clause (a) of Schedule 1) is entitled to participate in the Plan, however, at the current time the Company does not intend to make an offer to any other employees. Accordingly, approval is being sought only for the offer to Mr Simpson;
- (f) no loan will be provided to Mr Simpson with respect to the Simpson Options;
- (g) the Simpson Options will be issued to Mr Simpson no later than 12 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Simpson Options will be issued on one date; and
- (h) the terms of the Simpson Options are in accordance with the Plan, subject to the key terms and conditions of the Simpson Options summarised in SCHEDULE 4.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Simpson Options to the Related Parties as approval is being obtained under ASX Listing Rule 10.15. Accordingly, the issue of Simpson Options to Mr Simpson will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.
