About Pacgold Limited:

Pacgold is an ASX-listed mineral exploration company (ASX: PGO) with highly prospective projects situated at the northern end of the Northeast Queensland Mineral Province. This gold-rich Province contains several multi-million-oz gold deposits including Pajingo, Mt Leyshon, Kidston, and Ravenswood.

The 100% owned Alice River Gold Project comprises 30km of prospective gold targets within 377km^2 of granted exploration permits and mining leases. It is set within a large intrusion-related gold system in North Queensland with similarities to the Fort Knox deposit in the USA and the Hemi deposit in Western Australia.

Pacgold also has the right, via a three-stage farm in agreement, to earn up to 100% interest in the St George Gold-Antimony Project located 70km west of Mt Carbine, North Queensland. The tenement package consists of 7 tenements comprising of 5 granted and 2 tenements in application for a total area of 905km^2 within a developing Antimony province in the Hodgkinson Province.

In addition, Pacgold has acquired the White Dam Gold Operation in South Australia, approx. 80km from Broken Hill. The project includes open pit mines, heap leach pad, full personnel camp and operational gold extraction plant with related infrastructure, providing a clear pathway to near-term gold production and cashflow.
