

Announcement to ASX

10 February, 2016

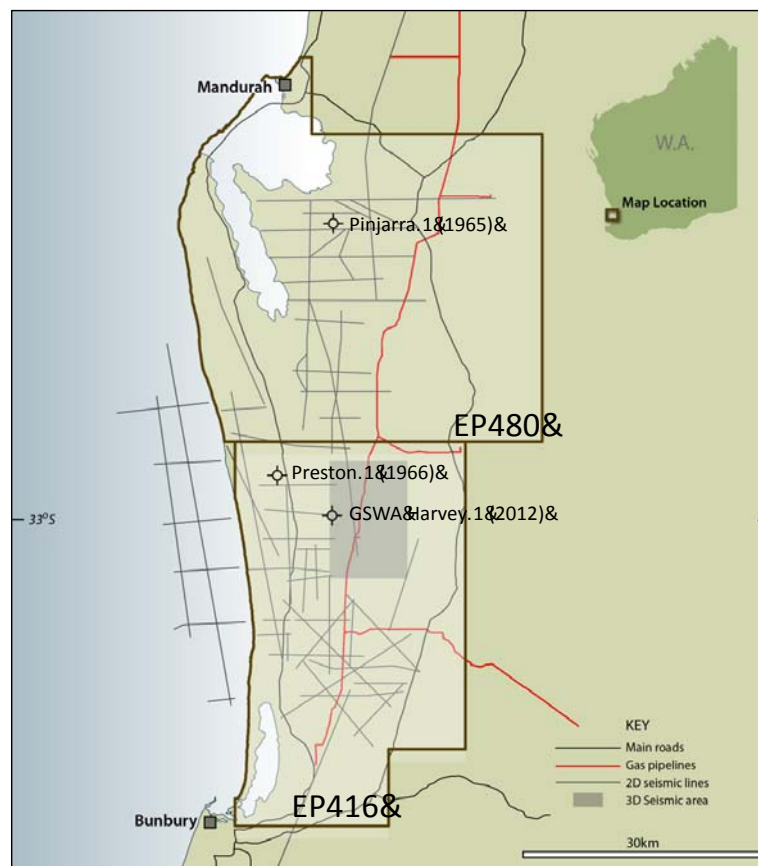

EP416 & EP480 DMP Approval

Pilot Energy Ltd (ASX: PGY) is pleased to advise that the West Australian Department of Mines & Petroleum has approved the transfer of title and operatorship to the Company pursuant to its agreement with Empire Oil & Gas NL ("Empire") to farm in to the EP416 and EP480 exploration permits ("EP416/480").

The working interests in EP416/480 are now as follows:

Pilot Energy Ltd	60% (Operator)
Empire Oil & Gas NL	40%

Pilot Energy is presently finalising its interpretation of the aero-geophysical survey acquired over the permits by Empire during 2015, and will provide a prospectivity update in due course.
