Preamble

The Company underwent significant Board and management changes during the 2016-2017 financial year and there were no operational board committees during the financial year.

The ASX Corporate Governance Principles and Recommendations recommend the establishment of an Audit and Risk Management Committee, Remuneration Committee and Nomination Committee to assist the Board in the execution of its duties and allow detailed consideration of complex issues. However, given the current size and composition of the Company's Board, the full Board is responsible for the duties of the Committees as detailed in the relevant charters. Committees will be re-formed if the Board grows further in size and considers the re-establishment to be appropriate.

The Company published the following Committee Charters on the website:
