4. EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the General Meeting of Shareholders and the Reduction of Capital Meeting to be held at 11.00 am (EST) and 11.15 am (EST) respectively on 28 August 2009 at Level 32, HSBC Centre, 580 George Street, Sydney, New South Wales.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

4.1 Background

At the Company's Annual General Meeting held on 20 May 2009 (**AGM**), the Company obtained Shareholder approval pursuant to Listing Rule 10.11 to allot and issue 833,333 Shares to the Masterman Superannuation Fund (or nominee) (**MSF Shares**).

The Masterman Superannuation Fund is an entity associated with Michael Masterman, a Director of the Company and is therefore a related party of the Company. As stated in the Notice of Annual General Meeting for the AGM and as required by Listing Rule 10.11, the MSF Shares were required to be issued no later than one month after the date of the General Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules).

As stated in the Appendix 3Y announced to ASX on 3 July 2009, the MSF Shares were issued to the Masterman Superannuation Fund on 30 June 2009, being a period of greater than one month after the AGM.

It has subsequently been brought to the Company's attention that the MSF Shares were issued to the Masterman Superannuation Fund in breach of Listing Rule 10.11 (**Breach**). The Company wishes to advise Shareholders that the Breach was a result of an unintended and inadvertent administrative oversight.

Further to discussions with ASX in relation to the Breach, the Company is seeking Shareholder approval pursuant to:

- (a) Resolution 1 of the Notice of General Meeting and Resolution 1 of the Notice of Meeting for the Capital Reduction to cancel the MSF Shares; and
- (b) Resolution 2 of the Notice of General Meeting to re-issue the MSF Shares.

Shareholders should be aware that they have previously approved the issue of the MSF Shares. However, as a result of the Breach, the Company is required to reobtain Shareholder approval in respect of the issue of those Shares. Further details of the cancellation and re-issue of the MSF Shares is contained in Sections 4.2 and 4.3 below.

ABN 33 087 741 571

4.2 RESOLUTION 1 – CANCELLATION OF SHARES ISSUED TO THE MASTERMAN SUPERANNUATION FUND

4.2.1 General

This Resolution relates to Resolution 1 of the Notice of General Meeting and to Resolution 1 of the Notice of Reduction of Capital Meeting.

As detailed in Section 4.1, on 30 June 2009 the Masterman Superannuation Fund was issued 833,333 shares in the Company at an issue price of \$1.20 each to raise \$1,000,000 (**MSF Shares**). The MSF Shares were issued in breach of Listing Rule 10.11.

Accordingly, Resolution 1 seeks Shareholder approval for the reduction of capital by way of cancellation of 833,333 shares in the Company held by the Masterman Superannuation Fund by way of a selective reduction of capital.

4.2.2 Corporations Act

Pursuant to Section 256 of the Corporations Act, a company may make a selective capital reduction if it is approved by a special resolution passed at a general meeting of the Company, with no votes being cast in favour of the resolution by any person who is to receive consideration as part of the reduction or whose liability to pay amounts unpaid on shares is to be reduced. If the reduction of capital involves the cancellation of shares, the reduction must also be approved by a special resolution passed at a meeting of the shareholders whose shares are to be cancelled.

The Corporations Act provides that the rules relating to a reduction of share capital are designed to protect the interests of shareholders and creditors by:

- (a) addressing the risk of the transaction leading to the company's solvency;
- (b) seeking to ensure fairness between the shareholders of the company; and
- (c) requiring the company to disclose all material information.

In particular, Section 256B of the Corporations Act requires that a company may only reduce its capital if:

- (a) it is fair and reasonable to the shareholders as a whole;
- (b) it does not materially prejudice the company's ability to pay its creditors; and
- (c) it is approved by shareholders in accordance with Section 256C of the Corporations Act.

Section 256C(4) of the Corporations Act requires that the company must include with the Notice a statement setting out all information known to the company that is material to the decision on how to vote on the resolution. However, the company does not have to disclose information if it would be unreasonable to require the company to do so because the company had previously disclosed the information to shareholders.

ABN 33 087 741 571

The Directors believe that the capital reduction as proposed is fair and reasonable to shareholders for the reasons set out in this Explanatory Statement and that the capital reduction will not prejudice the Company's ability to pay its creditors. Further, the Directors believe it is appropriate that the Shares be cancelled in the circumstances.

Pursuant to Section 256C(2) of the Corporations Act, a selective reduction of capital must be approved by either:

- (a) a special resolution passed at a general meeting of the company, with no votes being cast in favour of the resolution by any person who is to receive consideration as part of the reduction or whose liability to pay amounts unpaid on shares is to be reduced, or by their associates; or
- (b) a resolution agreed to, at a general meeting by all ordinary shareholders.

The phrase "no votes being cast" is intended to operate in a similar way to the way in which voting exclusion statements operate in the context of the Listing Rules.

4.2.3 Summary of and Effect of Proposed Selective Capital Reduction

The overall effect of the selective capital reduction and cancellation of the MSF Shares is as follows:

	Shares
Current Issued capital	103,396,158
Less: Shares subject of capital reduction and cancellation	(833,333)
Issued capital upon completion of selective capital reduction and cancellation of MSF Shares	102,562,825

The Shares the subject of the selective capital reduction and cancellation represent approximately 0.80% of the issued capital of the Company as at the date of this Meeting.

In accordance with the Corporations Act, the Masterman Superannuation Fund has agreed to the cancellation of his 833,333 Shares.

4.2.4 Directors' Recommendation

The Directors believe that the proposed capital reduction is in the best interests of Shareholders.

The Company takes its compliance with the Listing Rules seriously and therefore as a result of inadvertent breach of Listing Rule 10.11 the Directors consider it both appropriate and necessary to cancel the previously issued MSF Shares and seek Shareholder approval pursuant to Resolution 2 of the Notice of General Meeting to re-issue the MSF Shares.

ABN 33 087 741 571

4.2.5 Other Material Information

There is no information material to the making of a decision by a Shareholder whether or not to approve the Resolution being information that is known to any of the Directors and which has not been previously disclosed to shareholders in the Company, other than as disclosed in this Explanatory Statement.

Once the Resolutions are passed by Shareholders and the Masterman Superannuation Fund, the Company will not make the reduction of capital until 14 days after lodgement of the Resolution with the ASIC.

4.3 RESOLUTION 2 – ALLOTMENT AND ISSUE OF SHARES TO THE MASTERMAN SUPERANNUATION FUND

4.3.1 General

The Company wishes to allow Mr Michael Masterman, via The Masterman Superannuation Fund, to indirectly participate in the placement of up to 833,333 Shares at an issue price of \$1.20 each to raise up to \$1,000,000 (**MSF Placement**).

ASX Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

Mr Masterman, by virtue of being a director, is a related party of the Company. It is the view of the Directors that the exceptions set out in Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the purposes of Listing Rule 10.11 for the Masterman Superannuation Fund (or nominee) to subscribe to the MSF Placement.

It is noted that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

Mr Masterman is a Director, and therefore a related party. Issuing Mr Masterman via the Masterman Superannuation Fund with Shares under the MSF Placement constitutes giving a financial benefit to a related party.

It is the view of the Directors that the exception set out in Section 210 of the Corporations Act (arms length transaction) applies in the current circumstances. Accordingly, Shareholder approval is not being sought under section 208 of the Corporations Act for the Masterman Superannuation Fund (or nominee) to participate in the MSF Placement.

ABN 33 087 741 571

4.3.2 Shareholder Approval (Listing Rule 10.11)

Pursuant to and in accordance with the requirements of ASX Listing Rule 10.13, the following information is provided in relation to the proposed issue of Shares to Mr Masterman:

- (a) the Shares are to be issued indirectly to Mr Masterman via the Masterman Superannuation Fund;
- (b) the maximum number of Shares to be issued to the Masterman Superannuation Fund (or nominee) is 833,333 Shares;
- (c) the Shares will be issued to the Masterman Superannuation Fund (or nominee) no later than one month after the date of the General Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Shares will be issued on one date;
- (d) the Shares will be issued for consideration of \$1.20 per Share. Accordingly a maximum of \$1,000,000 will be raised;
- (e) the Shares issued will rank equally with the Company's current issued Shares; and
- (a) the funds raised will be used to keep debt levels low, drill the Bezzecca gas appraisal project in northern Italy, and progress existing gas development projects to production.

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the Shares to the Masterman Superannuation Fund (or nominee) as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Shares to Mr Masterman via the Masterman Superannuation Fund will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1.

4.4 ENQUIRIES

Shareholders are required to contact Company Secretary on (08) 9278 2533 if they have any queries in respect of the matters set out in these documents.
