Extension of Voluntary Suspension

Coventry Resources Inc. ("the Company") requested a voluntary suspension on 6 May 2015 and extensions to that voluntary suspension on 11 May 2015 and 18 May 2015, pending the release of an announcement regarding a capital raising (**Financing**).

The Company advises that it is still involved in negotiations in relation to securing the Financing and believes it remains appropriate to remain in voluntary suspension on the basis that the reinstatement of trading in the Company's securities before completion of these negotiations could impact the success of the Financing.

In accordance with ASX Listing Rule 17.2 the Company advises that:

1. it expects to remain in voluntary suspension pending completion of negotiations in relation to the Financing;
2. the event that is expected to end the voluntary suspension is an announcement by the Company on the terms of the Financing, which the Company anticipates at this time will be no later than pre-open on Thursday 21 May 2015;
3. it is not aware of any reason why the request for voluntary suspension should not be granted by the ASX; and
4. it is not aware of any other information necessary to inform the market about the voluntary suspension.

Yours faithfully

Ian Cunningham
Company Secretary
