Explanatory Statement

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1 Resolution 1 – Adoption of remuneration report

1.1 General

Section 250R(2) of the Corporations Act requires that the section of the Directors' report dealing with the remuneration of Directors and Key Management Personnel (KMP) of the Company (**remuneration report**) be put to the vote of Shareholders for adoption by way of a non-binding vote. The vote on this resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into account in setting remuneration policy for future years.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for a financial year.

Shareholders can view the full remuneration report in the 2020 Annual Report which is available on QuickFee's website at <https://quickfee.com/investors/annual-reports/>.

Following consideration of the remuneration report, the Chairman of the Meeting will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the remuneration report.

1.2 Board recommendation

The Directors abstain, in the interests of good governance, from making a recommendation in relation to this Resolution 1.

1.3 Voting exclusion statement

A voting exclusion applies to Resolution 1, as set out on page 3 of this Notice.

1.4 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive Meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those Meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those Meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second Meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2 Resolution 2 – Re-election of Director – Barry Lewin

2.1 General

The Board appointed Barry Lewin as an independent Non-Executive Director and Chairman of the Company on 1 May 2019 and he was elected as a Director by Shareholders at the 2019 Annual General Meeting. In accordance with clause 14.2 of the Constitution, the Company must hold a re-election of Directors at every Annual General Meeting. Directors being elected under clause 14.2 of the Constitution do not count for this purpose.

ASX Listing Rule 14.4 also provides that a director of an entity must not hold office (without re-election) past the third Annual General Meeting following the director's appointment, or 3 years, whichever is longer. This rule does not apply to the managing director.

Resolution 2 provides for the re-election of Barry Lewin as a Director of the Company in accordance with the Constitution and ASX Listing Rule 14.4.

Barry Lewin retires from office at the conclusion of the Meeting and, being eligible, offers himself for re-election as a Director of the Company. If Shareholders do not approve the re-election of Barry Lewin, then Barry Lewin will cease to be a Director at the conclusion of the Meeting.

Prior to Barry Lewin's appointment, the Company completed several background and screening checks with no adverse findings.

The Board also considered whether Barry Lewin had any interest, position or relationship that may interfere with each of his independence as a Director, having regard to the relevant factors as set out in the ASX Corporate Governance Principles & Recommendations (4th edition) (ASX Principles). The Board considers that Barry Lewin (if elected), will continue to be an independent Director.

Barry currently serves as the Chair of the Board, Chair of the audit and risk committee and is a member of QuickFee's remuneration and nomination committee.

Barry is the Founder and Managing Director of Melbourne-based corporate advisory firm SLM Corporate where he advises public and private companies on mergers, acquisitions, transaction structuring, debt and equity issues, business sales and on all aspects of corporate governance. Prior to establishing SLM Corporate in 1999, Barry spent 12 years as an in-house counsel to a number of ASX listed companies.

Barry is Non-Executive Chairman of ELMO Software Limited (ASX:ELO) and ASX listed Praemium Limited (ASX:PPS), and has held previous directorships at ASX listed Senetas Corporation Limited (ASX:SEN) and Clean TeQ Holdings Limited (ASX:CLQ), where he also chaired the audit committee.

He has degrees in Commerce and Law and holds an MBA from Swinburne University.

Prior to submitting himself for election, Barry Lewin has confirmed that he would continue to have sufficient time to properly fulfil his duties and responsibilities to the Company.

The Board supports the election of Barry Lewin as he will contribute to the Board with his proven commercial acumen and deep public company experience, as well as complementing the skills of the existing Directors and enable QuickFee to execute on its growth strategy.

2.2 Board recommendation

The Directors, with Barry Lewin abstaining, unanimously recommend Shareholders vote in favour of this Resolution 2.

3 Resolution 3 – Ratification of Placement

3.1 General

As announced by the Company on 18 September 2020, the Company successfully completed a placement to certain institutional and professional investors (**Placement**) of 25,862,068 new fully paid ordinary shares at an issue price of A\$0.58 per share (**Placement Shares**) to raise A\$15.0 million (before costs).

The Company now seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the previous issue of 25,862,068 of the Placement Shares issued pursuant to the Company's existing capacity under ASX Listing Rule 7.1 on 25 September 2020.

3.2 ASX Listing Rules

Broadly speaking, ASX Listing Rule 7.1 provides that a company must not, subject to a number of exceptions, issue or agree to issue Equity Securities during any 12-month period in excess of 15% of its issued capital at the commencement of that 12-month period without Shareholder approval (**15% Placement Capacity**).

The Placement was undertaken within the Company's 15% Placement Capacity.

The Placement does not fit within any of the exceptions to ASX Listing Rule 7.1, and as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the Company's 15% Placement Capacity, reducing the Company's capacity to issue further securities without Shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the issue date of the Placement Shares.

ASX Listing Rule 7.4 allows shareholders of a listed entity to ratify an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the entity's capacity to issue further Equity Securities without Shareholder approval under that rule.

The Company wishes to retain maximum flexibility to manage its future capital requirements in the best interests of Shareholders without having to obtain Shareholder approval for such issues under ASX Listing Rules 7.1.

To this end, Resolution 3 seeks Shareholder ratification of the Placement under ASX Listing Rule 7.4.

If Shareholders approve Resolution 3 and therefore ratify the Placement in respect of the 25,862,068 Placement Shares issued under ASX Listing Rule 7.1, those shares will be deemed to have been issued with Shareholder approval and will no longer be deducted from the Company's Placement Capacity under Listing Rule 7.1. This will effectively be increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the issue date.

If Shareholders do not approve Resolution 3, and therefore do not ratify the Placement, the Placement Shares will be deducted from the Company's 15% Placement Capacity, effectively

decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the issue date.

3.3 Information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the information below is provided in relation to Resolution 4:

The names of the persons to whom the Company issued or agreed to issue the Placement Shares or the basis on which those persons were identified or selected	25,862,068 of the Placement Shares were issued to certain institutional and professional investors, including both existing Shareholders and new investors. Participants in the Placement were identified and selected by the Board in consultation with their advisors, Bell Potter, having regard to the best interests of the Company. Bell Potter received a management fee of 2% of the placement proceeds and a selling fee of 2% of the proceeds in relation to the Placement (excluding placement proceeds in relation to the Shares issued to Barry Lewin as set out in Resolution 4 of this Notice), equal to a total fee of A\$599,998.98 + A\$60,000 GST for services provided by Bell Potter to the Company in relation to the Placement. Of the participants in the Placement who acquired 1% or more of the current issued capital of the Company, the following are considered 'material investors' for the purposes of ASX Guidance Note 21, paragraph 7.2 because they are substantial holders of the Company: • Thorney Technologies Ltd ACN 096 782 188 and TIGA Trading Pty Ltd ACN 118 961 210, which subscribed for 2,844,828 Placement Shares; and • HTI Management Pty Limited ACN 100 811 434 and the K & J Gray Superannuation Fund, which subscribed for 1,293,105 Placement Shares. Apart from the Directors of the Company participating in the Placement (as set out in Resolution 4 of this Notice), no other participants in the Placement are considered 'material investors' for the purposes of ASX Guidance Note 21, paragraph 7.2.
The number and class of Placement Shares the Company issued or agreed to issue	25,862,068 fully paid ordinary Shares.
The date or dates on or by which the Placement Shares were or will be issued	25 September 2020.

The price or other consideration the Company has received or will receive for the issue	A\$0.58 per Placement Share.
The purpose of the issue, including the use or intended use of any funds raised by the issue	As set out in the Company's investor presentation released to ASX on 17 September 2020, the proceeds of the Placement, along with the separate A\$2.5 million Share Purchase Plan (SPP), will be used by the Company for the following purposes: • approximately A\$2,800,000 to scale up the team for customer acquisitions, predominantly in the US; • approximately A\$2,000,000 to increase research and development (R&D) for future product releases; • approximately A\$12,000,000 to increase the Company's receivables book for the expected increase in payment plans from QuickFee Instalments, with interest free product leveraging Splitit Payments Limited (ASX:SPT) technology; and • approximately A\$700,000 in transaction costs.
If the Placement Shares were or will be issued under an agreement, a summary of any other material terms of the agreement	Other than those set out in this Notice, there are no other material terms of the agreements in relation to the Placement.

3.4 Voting exclusion statement

A voting exclusion applies to Resolution 3, as set out on page 4 of this Notice.

3.5 Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

4 Resolution 4 – Approval of Director participation in the Placement

4.1 General

As described in section 3.1 above, the Company successfully completed the Placement of 25,862,068 Placement Shares on 18 September 2020.

Shareholder approval is being sought under Resolution 4 to permit Barry Lewin, Chairman of the Company and Director (and/or his respective nominees) to participate in the Placement and subscribe for up to 75,000 new fully paid ordinary shares each at an issue price of A\$0.58 per share in addition to the 25,862,068 Placement Shares the subject of Resolution 3 (together, the **Director Placement Shares**) on the same terms as all other Placement participants, other than the delay in timing of the issue due to the requirement for Shareholder approval.

4.2 ASX Listing Rules

ASX Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed entity must not issue or agree to issue Equity Securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at the time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the entity and who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in ASX Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the entity or a person referred to in Listing Rules 10.11.1 to 10.11.4 such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of Director Placement Shares to Barry Lewin falls within ASX Listing Rule 10.11.1 and does not fall within any of the exceptions in ASX Listing Rule 10.12. It therefore requires the approval of the Company's Shareholders under ASX Listing Rule 10.11.

Resolution 4 seeks the required Shareholder approval to the issue of the Director Placement Shares under and for the purposes of ASX Listing Rule 10.11.

If Shareholder approval is obtained under ASX Listing Rule 10.11, in accordance with ASX Listing Rule 7.2 (Exception 14), separate Shareholder approval for the issue is not required under ASX Listing Rule 7.1. Accordingly, if Resolution 4 is approved by Shareholders the Company will be able to proceed with the issue of the Director Placement Shares to Barry Lewin, and he (and/or his respective nominee/s) will be entitled to be issued the 75,000 Director Placement Shares each, and these Shares will not count towards the Company's 15% Placement Capacity under ASX Listing Rule 7.1 or 10% Placement Capacity under ASX Listing Rule 7.1A.

If Shareholder approval is not obtained under ASX Listing Rule 10.11, the Company will not be able to proceed with the issue of the Director Placement Shares, and Barry Lewin will not be issued any Director Placement Shares.

4.3 Related party approvals

Section 208 of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either the giving of the financial benefit falls within one of the exceptions to the provisions or Shareholder approval is obtained prior to the giving of the financial benefit.

Section 210 of the Corporations Act provides an exception to the requirement to obtain Shareholder approval for giving a financial benefit to a related party, where the financial benefit is on terms which would be reasonable in the circumstances if the public company and the related party were dealing at arm's length.

Barry Lewin will subscribe for the Director Placement Shares the subject of this Resolution 4 on the same terms and conditions as the Placement Shares issued by the Company to non-related party participants. Therefore, the Company considers that the proposed participation in the Placement by Barry Lewin, and the Company's issue of Director Placement Shares to him (and/or his respective nominees) falls within the arm's length exception set out in Section 210 of the Corporations Act.

4.4 Information required by ASX Listing Rule 10.13

Pursuant to and in accordance with ASX Listing Rule 10.13, the information below is provided in relation to Resolution 4:

The date or dates on or by which the Company will issue the Director Placement Shares	The Director Placement Shares will be issued as soon as practicable after the Meeting but in any case no later than 1 month after the date of the Meeting, if approved by Shareholders in accordance with Resolution 4.

The purpose of the issue, including the intended use of any funds raised by the issue	As set out in the Company's investor presentation released to ASX on 17 September 2020, the proceeds of the Placement along with the separate A\$2.5 million Share Purchase Plan (SPP) will be used by the Company for the following purposes: • approximately A\$2,800,000 to scale up the team for customer acquisitions, predominantly in the US; • approximately A\$2,000,000 to increase research and development (R&D) for future product releases; • approximately A\$12,000,000 to increase the Company's receivables book for the expected increase in payment plans from QuickFee Instalments, with interest free product leveraging Splitit Payments Limited (ASX:SPT) technology; • approximately A\$700,000 in transaction costs.
If the person is a Director and the issue is intended to remunerate or incentivise the Director, details (including the amount) of the Director's total current remuneration package	The issue of Director Placement Shares to Barry Lewin is not intended to remunerate or incentivise him.
If the Director Placement Shares were or will be issued under an agreement, a summary of any other material terms of the agreement	Other than those set out in this Notice, there are no other material terms of the agreements in relation to the Placement.

4.5 Voting exclusion statement

A voting exclusion applies to Resolution 4, as set out on page 5 of this Notice.

5 Resolution 5 – Approval of Additional Share Issue Capacity under ASX Listing Rule 7.1A

5.1 General

ASX Listing Rule 7.1A enables an Eligible Entity (as defined below) to seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities equivalent to an additional 10% of the number of ordinary securities on issue by way of placement over a 12 month period (**10% Placement Capacity**). This is in addition to the existing 15% placement capacity permitted by ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant meeting:

- (a) it is not included in the S&P/ASX 300 Index; and
- (b) it has a market capitalisation of A\$300 million or less (excluding restricted securities and securities quoted on a deferred settlement basis).

As at the date of the finalisation of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 and it has a market capitalisation of approximately A\$112 million. The additional 10% Placement Capacity and Resolution 5 is conditional on the Company continuing to be an Eligible Entity at the date of the Meeting. If the Company is an Eligible Entity as at the date of the Meeting, and Resolution 5 is passed, the Company will have the benefit of the 10% Placement Capacity even if it subsequently ceased to be an Eligible Entity in the following 12 months.

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: QFE).

Accordingly, Resolution 5 is seeking approval of ordinary Shareholders by special resolution for the issue of such number of Equity Securities as calculated under the formula in ASX Listing Rule 7.1A.2, at an issue price as permitted by ASX Listing Rule 7.1A.3 to such persons as the Board may determine, on the terms as described in this Explanatory Memorandum.

At the date of this Notice, the Company has on issue 222,126,238 fully paid ordinary shares and a capacity to issue:

- (a) 33,318,935 Equity Securities under ASX Listing Rule 7.1 (assuming Shareholders approve Resolution 3 and Resolution 5); and
- (b) 22,212,623 Equity Securities under ASX Listing Rule 7.1A (assuming Shareholders approve Resolution 5).

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

The effect of Resolution 5 will be to allow the Directors to issue Equity Securities under ASX Listing Rule 7.1A during a 10% placement period, without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

5.2 Information required by ASX Listing Rule 7.3A

For the purposes of ASX Listing Rule 7.3A, the following information is provided in relation to this Resolution 5:

(a) Period for which the approval will be valid

An approval under ASX Listing Rule 7.1A will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (ii) the time and date of the next Annual General Meeting; and
- (iii) the time and date of the approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price at which the Equity Securities may be issued under Listing Rule 7.1A

Any Equity Securities issued under ASX Listing Rule 7.1A must be an existing quoted class of Equity Securities and issued for cash consideration. The minimum price at which the Equity Securities will be issued will be no less than 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class are recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; and
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i), the date on which the Equity Securities are issued.

(c) Purposes for which the funds raised by an issue of Equity Securities under Listing Rule 7.1A may be used

As previously noted, any Equity Securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expenses associated with

such acquisition), continued expenditure on the Company's current business operations and projects, continued development of the Company's current assets and/or general working capital.

(d) Risk of voting dilution

If Resolution 5 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing ordinary Shareholders face the risk of economic and voting dilution as a result of the issue of Equity Securities which are the subject of this resolution, to the extent that such securities are issued, including:

- (i) the market price of Equity Securities in that class may be significantly lower on the issue date than on the date on which this approval is being sought; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The following table gives examples of the potential dilution of existing ordinary Shareholders on the basis of the current market price of shares and the current number of ordinary securities for variable "A" in the formula in ASX Listing Rule 7.1A.2 as at the date of the Notice.

The table also shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of fully paid ordinary securities the Company has on issue. The number of fully paid ordinary securities on issue may increase as a result of issues of fully paid ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples where the issue price of fully paid ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Dilution					
Number of shares on issue ¹		Shares issued (10% voting dilution)	Issue price		
			A\$0.26 (50% decrease)	A\$0.51 (current price)	A\$1.02 (100% increase)
			Funds raised		
Current	222,126,238	22,212,623	A\$5,775,282	A\$11,328,438	A\$22,656,875
50% increase	333,189,357	33,318,935	A\$8,662,923	A\$16,992,657	A\$33,985,313
100% increase	444,252,476	44,425,246	A\$11,550,564	A\$22,656,876	A\$45,313,750

¹ Variable "A" in ASX Listing Rule 7.1A.2

The table has been prepared on the following assumptions:

- there are currently 222,126,238 Shares on issue as at the date of this Notice of Meeting;
- the Company issues the maximum number of Equity Securities available under the 10% Placement Facility in ASX Listing Rule 7.1A;
- no unlisted Options (including any Options issued under the 10% placement facility) are exercised before the date of issue of ordinary shares under ASX Listing Rule 7.1A;
- the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting;
- the table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
- the issue of Equity Securities under the 10% Placement Facility consists only of shares; and
- the issue price is A\$0.51 per share, being the closing price of the shares on ASX on 4 November 2020 (rounded to the nearest cent), being the date prior to the finalisation of this Notice.

(e) Compliance with ASX Listing Rules 7.1A.4 and 3.10.3

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.3 upon issue of any Equity Securities. When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) immediately after the issue, a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.3 for release to the market.

(f) Allocation policy under 10% Placement Capacity

The Company's allocation policy under Listing Rule 7.1A.2 is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of allottees of Equity Securities that may be issued (subject to Shareholder approval of Resolution 5) have not been determined as at the date of this Notice but may include existing Shareholders and/or parties who are not currently Shareholders and are not related parties or associates of the Company. Any potential allottees will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- (i) the purpose of the issue;
- (ii) the methods of raising funds available to the Company (including but not limited to, rights issue or other issues in which existing security holders can participate), while balancing interest from potential allottees with the interests of existing Shareholders;
- (iii) the effect of the issue of Equity Securities on the control of the Company and balancing the interests of existing Shareholders. Allocation will be subject to takeover thresholds;
- (iv) the financial situation and solvency of the Company and its need for working capital at any given time;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisors (if applicable).

(g) Previous issue under ASX Listing Rule 7.1A

The Company issued Equity Securities under ASX Listing Rules 7.1 and 7.1A.2 as part of the placement announced on 6 May 2020 (**May 2020 Placement**). Accordingly, the following information is provided in accordance with ASX Listing Rule 7.3A.6:

The total number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months preceding the date of this Meeting, and the percentage they represent of the total number of Equity Securities on issue at the commencement of that 12-month period	32,714,286 Shares were issued under the May 2020 Placement, of which 15,250,045 were issued under the ASX Listing Rule 7.1A (10% Placement Capacity Shares). The 10% Placement Capacity Shares represent 10% of the number of Equity Securities on issue as at the commencement of the 12-month period preceding the date of the Meeting.
The names of the persons to whom the Company issued Equity Securities or the basis on which those persons were identified or selected	The 10% Placement Capacity Shares were issued to certain institutional and professional investors, including both existing Shareholders and new investors. Participants in the May 2020 Placement were identified and selected by the Board in consultation with their advisors, Bell Potter, having regard to the best interests of the Company. Bell Potter received a management fee of 2% of the placement proceeds and a selling fee of 3% of the placement proceeds in relation to the May 2020 Placement (excluding placement proceeds in relation to the Shares issued to Directors as set out in Resolution 2 of the Notice of Extraordinary General Meeting).

This issue price represents approximately a 21% discount to the closing market price of the Shares on the date of issue of the 10% Placement Capacity Shares (which was A\$0.265).
The total cash consideration received by the Company, the amount of cash that has been spent, what it was spent on, and what is the intended use for the remaining amount of that cash (if any)	The Company received A\$3,202,509,45 in respect of the 10% Placement Capacity Shares. The amount of that cash that has been spent by the Company is A\$1.5 million, which was spent on technology development (A\$1.1 million) and transaction costs from the Placement (A\$0.4 million). The intended use for the remaining amount of that cash is to fund an increase in the size of the Company's loan book.
