2. Explanatory Notes to Resolutions

2023 Annual Financial Report

Pursuant to the Corporations Act, the Directors of a public company that is required to hold an Annual General Meeting must table the financial statements and reports of the Company for the previous year before Shareholders at that Annual General Meeting.

Shareholders have been provided with all relevant information concerning the Company's 2023 Accounts for the year ended 30 June 2023. A copy of this report has been forwarded or made available to each Shareholder and may also be found online at quantumgraphite.com and as announced to ASX. A copy of the 2023 Annual Financial Report will also be tabled at the Meeting.

Shareholders should note that the sole purpose of tabling the 2023 Annual Financial Report at the Annual General Meeting is to provide Shareholders with the opportunity to ask questions or discuss matters arising from the financial statements at the Meeting. It is not the purpose of the meeting that the financial statements be accepted, rejected or modified in any way. Further, as it is not required by the Corporations Act, no resolution to adopt the Company's financial statements will be put to Shareholders at the Meeting.

Shareholders will be allowed a reasonable opportunity to ask questions about, or make comments on, the management of the Company.

It is proposed that the Company's auditors will be present at the meeting. Shareholders present at the meeting will be allowed a reasonable opportunity to ask the Chairman of the Company questions about the management of the Company or ask the auditors questions relevant to:

- (i) the conduct of the audit;
- (ii) the preparation and content of the auditor's report;
- (iii) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (iv) the independence of the auditors in relation to the conduct of the audit.

Written questions to the Chairman about the management of the Company, or to the Company's auditor about the above matters, may be submitted by no later than 5 business days before the meeting to the Company Secretary at the Company's registered office.

Resolution 1 - Remuneration Report 2023

Section 300A of the Corporations Act requires that the Directors' Report must contain a Remuneration Report containing prescribed information about the Board's policy for determining the nature and amount of the remuneration of Directors and senior management. The Remuneration Report must also explain the relationship between the remuneration policy of the Board and the Company's performance. The Remuneration Report is set out in the 2023 Annual Financial Report on page 9.

The Corporations Act requires that the Remuneration Report be submitted to Shareholders for adoption by a non-binding resolution.

The Remuneration Report contains information regarding such matters (among others) as:

- (i) the Board's policy for determining the nature and levels of remuneration of the Company's senior management personnel;
- (ii) the relationship between the Board's remuneration policy and the Company's performance;
- (iii) prescribed information regarding the remuneration paid to each member of the Company's key management personnel, including the amount of the remuneration paid to those personnel; and
- (iv) where any element of the remuneration of a member of the key management personnel depended on the satisfaction of a performance condition, a summary of that performance condition and an explanation of why it was adopted in relation to the relevant personnel.

Section 250R(2) of the Corporations Act provides that the Company is required to put the Remuneration Report to the vote of Shareholders.

Section 250R(3) of the Corporations Act provides that this resolution is advisory only and does not bind the Directors of the Company. Of itself, a failure of Shareholders pass this will not require the Directors to alter any of the arrangements described in the respective Remuneration Report.

However, sections, 250U and 250Y, among others of the Corporations Act, give Shareholders the opportunity to remove the Board if the Remuneration Report receives a no vote of 25% or more at two consecutive annual general meetings (**Two Strikes Rule**).

Under the Two Strikes Rule, where a resolution on the Remuneration Report receives a no vote of 25% or more at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the Managing Director) who were in office at the date of approval of the applicable Director's Report must stand for re-election (**Spill Resolution**).

In addition, if comments are made on the Remuneration Report at the AGM, the Company's remuneration report in respect of the following financial year will be required to include an explanation of the Board's proposed action in response to those comments or, if no action is proposed, the reasons why.

The Chairman will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Reports.

The Chairman will cast all available proxies in favour of this resolution. Shareholders may also choose to direct the Chairman to vote against this resolution or to abstain from voting.

Voting Exclusion Statement

In accordance with section 250R of the Corporations Act, a vote on this must not be cast by, or on behalf of, a member of the Company's Key Management Personnel (KMP) whose remuneration details are included in the Remuneration Report or a closely related party of a KMP, whether the votes are cast as a Shareholder, proxy or in any other capacity, and the Company will disregard any such vote.

However, the Company will not disregard a vote cast by a KMP or closely related party of a KMP if:

- (a) the person is acting as proxy appointed by writing that specifies how the proxy is to vote on the resolution, and the vote is not cast on behalf of a person who is otherwise excluded from voting on the resolution as described above; or

- (b) the person is the Chair voting an undirected proxy which expressly authorises the Chair to vote the proxy on a resolution connected with the remuneration of a member of the Company's KMP.
- (c) if it is cast by a custodian or nominee, to the extent only that those holders (Nominee Holders) are acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of beneficiaries

If you are a KMP or a closely related party of a KMP (or are acting on behalf of any such person) and purport to cast a vote that will be disregarded by the Company (as described above), you may commit an offence by breaching the voting restrictions that apply to you under the Corporations Act.

A closely related party of a member of the Company's KMP means any of the following:

- a spouse or child of the member;
- a child of the member's spouse;
- a dependant of the member or of the member's spouse;
- anyone else who is one of the member's family and may be expected to influence the member, or be influenced by the member, in the member's dealings with the entity;
- a company the member controls; or
- a person prescribed by regulations (as at the date of this Notice, no such regulations have been prescribed).

Resolution 2: Election of Director – Mr David Trimboli

Mr David Trimboli offers himself for election to the Board in accordance with the Company's Constitution.

Mr Trimboli is an experienced global investor with significant experience in commodities financing and trading. He was formerly a long serving senior coal trader at the world's largest commodities trading group, Glencore International AG, and was a key member of the Glencore team when the group successfully completed its initial public offering in London and Hong Kong. Mr Trimboli has undertaken significant investments activities and holds diverse interests in commodities, industrial minerals, real estate and technology in Australia and internationally.

Mr Trimboli is the founder of Seefeld Investments, with offices in London, Zug and Perth and has been an integral part of the rapid growth of Seefeld's business. He brings a wealth of experience in cultivating partnerships and key commercial relationships.

The Chairman will cast all available proxies in favour of this resolution. Shareholders may also choose to direct the Chairman to vote against this resolution or to abstain from voting. Each Director recommends that Shareholders vote in favour of this resolution.

Resolution 3 - Ratification of prior issuance of Shares (issued under ASX Listing Rule 7.1)

a) Ratification of prior issue of 600,000 Shares to contractors (issued under ASX Listing Rule 7.1)

The 600,000 Shares (First Contractor Shares) were issued on 6 March 2023 pursuant to the Company's Listing Rule 7.1 placement capacity.

The First Contractor Shares were issued as payment to contractors providing various services to the Company's activities. No funds were received upon issuance of the First Contractor Shares however the Company has received the services sought.

Technical information required by ASX Listing Rule 7.5

- i) The First Contractor Shares were issued to contractors to the Company. These contractors agreed to provide their services in exchange for Shares.

- j) None of the recipients are related parties of the Company.
- ii) The issuance of the First Contractor Shares reduced the cash costs of engaging the contractor.
- iii) 600,000 First Contractor Shares were issued at a price of \$0.525 per Shares for a total consideration of \$315,000 pursuant to Listing Rule 7.1 (ratification of which is sought under Resolution 3(a)).

b) Ratification of prior issue of 370,000 Shares to contractors (issued under ASX Listing Rule 7.1)

The 370,000 Shares (Second Contractor Shares) were issued on 7 June 2023 pursuant to the Company's Listing Rule 7.1 placement capacity.

The Second Contractor Shares were issued as payment to contractors undertaking research regarding the markets and activities undertaken by the Company. No funds were received upon issuance of the Second Contractor Shares however the Company has received the services sought.

Technical information required by ASX Listing Rule 7.5

- i) The Second Contractor Shares were issued to contractors to the Company. These contractors agreed to provide their services in exchange for Shares.
- j) None of the recipients are related parties of the Company.
- ii) The issuance of the Second Contractor Shares reduced the cash costs of engaging the contractor.
- iii) 370,000 Second Contractor Shares at a price of \$0.515 per Share for a total consideration of \$190,550 were issued pursuant to Listing Rule 7.1 (ratification of which is sought under Resolution 3(b)).

Listing Rules 7.1 and 7.1A

Subject to a number of exceptions, Listing Rule 7.1 generally limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

Further, under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained approval to increase its limit to 25% at the Annual General Meeting held on 30 November 2022. The additional 10% capacity was not utilised during the year since the 2022 AGM for the purposes of the First Contractor Shares and the Second Contractor Shares (collectively referred to as the Unapproved Shares).

The issue of the Unapproved Shares does not fit within any of the Listing Rule 7.1 exceptions. Accordingly, as the issue has not yet been approved by Shareholders, it effectively reduces the Company's 15% issuance capacity under Listing Rule 7.1 by the amount of the Unapproved Shares and 12-month hereby reduces the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of issue of the Placement Shares.

Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under this rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

Resolution 3(a) and 3(b) seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Unapproved Shares.

Technical information required by ASX Listing Rule 14.1A

If Resolution 3 is passed, the Unapproved Shares will be excluded in calculating the Company's combined 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Unapproved Shares.

Resolutions 3(a) and 3(b) are being considered separately. Each resolution may be approved or rejected by the meeting (they are not linked). If any resolution is not approved, it will effectively reduce the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the relevant shares. That is if any resolution is not passed it will be included in calculating the Company's combined 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

For clarity sake, the impact of each resolution is as follows:

Resolution	Description	Date of Issue	Quantity of Securities (Amount that placement capacity will be reduced by if not passed)
Resolution 3(a)	First Contractor Shares	6 March 2023	600,000
Resolution 3(b)	Second Contractor Shares	7 June 2023	370,000

Voting Exclusion Statement: The Company will disregard any votes cast in favour of the Resolution by or on behalf of a person who participated in the issue of either the First Placement Shares, the Second Placement Shares, the Broker Options, the First Contractor Shares or the Second Contractor Shares or an associate of that person or those persons. However, this does not apply to a vote cast in favour of the Resolution by:

- (a) a person as a proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way; or
- (b) the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 4 – Approval of Proposed Issue of Shares to Service Providers

The Company is seeking Shareholder approval for the issue of up to 2,500,000 Shares to service providers including advisers and technical consultants that may be retained by the Company in connection with the advancement of its projects. The identity of the service providers is not known at this time.

The Shares shall be issued at a price not less than a 10% discount to VWAP of the Company's Shares in the prior 5 trading days. In accordance with ASX Listing Rule 7.3 the Shares are required to be issued within 3 months of the 2023 Annual General Meeting.

The Directors believe that this resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour. In particular, the ability of the Company to issue new Shares as an additional incentive to advisers better positions the Company to pursue its interests in the prevailing market conditions.

The Chairman will cast all available proxies in favour of this resolution. Shareholders may also choose to direct the Chairman to vote against this resolution or to abstain from voting. Each Director recommends that Shareholders vote in favour of this resolution.

Voting Exclusion Statement

The Company will disregard any votes cast in favour of this Resolution by or on behalf of a person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of that person (or those persons).

However, the Company need not disregard a vote if it is cast in favour of the resolution by:

- (d) a person or attorney as a proxy for a person who is entitled to vote, in accordance with the directions given to the proxy or attorney to vote on the resolution in that way; or
- (e) the Chair of the meeting as proxy or attorney for a person who is entitled to vote, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- (f) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 5 - Approval of Additional Share Issue Capacity under ASX Listing Rule 7.1A

The Company is seeking Shareholder approval to issue an additional 10% of its issued Shares (10% Placement Capacity) over a 12-month period under Listing Rule 7.1A. The formula for the 10% Placement Capacity is set out in Listing Rule 7.1A.2 and the approval period to which it relates (generally no more than 12 months) is set out in Listing Rule 7.1A.1 and detailed below.

There are a number of other conditions applicable to the approval and issue of Shares under Listing Rule 7.1A, including:

- (a) That any new Shares issued under the 10% Placement Capacity must be in the same class as the existing quoted class of Shares of the Company; and
- (b) A limitation on the discount to prevailing market price at which they may be issued.

If this resolution is passed, the Company will be able to issue Shares up to the combined 25% limit specified in Listing Rules 7.1 and 7.1A without Shareholder approval.

If this resolution is not passed, the Company will not be able to access the 10% Placement Capacity provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Shares without the Shareholder approval required by Listing Rule 7.1.

Maximum Number of Shares that may be Issued

As at the date of the Notice, the Company has 337,370,000 Shares on issue. If this resolution is approved by Shareholders, the Company, could issue up to a further 33,737,000 Shares under Listing Rule 7.1A. The actual number of Shares that the Company can issue under Listing Rule 7.1A will be calculated at the date of issue of the Shares in accordance with the formula prescribed in Listing Rule 7.1A.2

Minimum Issue Price of Shares Issued

The minimum issue price of Shares under Listing Rule 7.1A will be calculated at the date of the issue of the Shares in accordance with the prescribed formula, i.e., the issue price of Shares must not be less than 75% of the VWAP of the Shares calculated over the 15 Trading Days during which trades in the Company's Shares were recorded immediately before:

- (a) The agreed date on which the price at which the Shares are to be issued is agreed; or

- (b) If the Shares are not issued within ten Trading Days of the day referred to in (a) above, the date on which the Shares are issued.

10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier of:

- (a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) The time and date of entity's next annual general meeting; and
- (c) the date of the approval by shareholders of a transaction under Listing Rule 11.1.1 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

Statement of Purpose

The Company would seek to issue the Shares under the 10% Placement Facility for cash consideration and will use the funds raised for capital expenditure, exploration and general operating expenses.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) upon issue of the Shares.

Technical Information

The numerical information in this part is correct as at the date of this Notice of Meeting.

- (a) Pursuant to Listing Rule 7.3A, the following additional information is provided in relation to the approval of the 10% Placement Facility. There is a risk that:
 - the market price for the Company's Shares may be significantly lower on the date of the issue of the Shares than on the date of the Meeting; and
 - the Shares may be issued at a price that is at a discount to the Shares in the same class on the issue date, which may have an effect on the amount of funds raised by the issue of the Shares.
- (b) The table below shows the risk of voting dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares on issue accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require shareholder approval (for example, a pro rata entitlements issue) or future specific placements under Listing Rule 7.1 that are approved at a shareholders' meeting; and
- two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Number of Shares on issue (Variable 'A' in ASX Listing Rule 7.1A2)		50% decrease in issue price \$0.285	Current Price Issue price \$0.57	100% increase in issue price \$1.14
Variable A = 337,370,000	Shares Issued	33,737,000	33,737,000	33,737,000
	Funds Raised	\$9,615,045	\$19,230,090	\$38,460,180
Variable A = 506,055,000	Shares Issued	50,605,500	50,605,500	50,605,500
	Funds Raised	\$14,422,567	\$28,845,135	\$57,690,270
Variable A = 674,740,000	Shares Issued	67,474,000	67,474,000	67,474,000
	Funds Raised	\$19,230,090	\$38,460,180	\$76,920,360

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Shares available under the 10% Placement Facility.
- (ii) Options on issue not included.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements pursuant to the date of the Meeting.
- (v) The table shows only the effect of issues of Shares under Listing Rule 7.1A and no other issues of Equity Securities.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- (vii) The issue price is \$0.57, being the closing price of the Shares on the ASX on 23 October 2023 (the last quoted price).

- (c) The Company may seek to issue the Shares for the following purposes:
- Consideration for the acquisition of services, assets or investments (including expenses associated with such acquisition) required for the development of the Company's projects; and/or
 - Raise funds for the general working capital needs of the Company.
- (d) The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon issue of any Shares.
- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Shares and the number of Shares allotted to each will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
- the methods of raising funds that are available to the Company including, but not limited to, rights issue or other issue in which the existing security holders can participate;
 - the effect of the issue of the Shares on the control of the Company;
 - the financial situation and solvency of the Company; and
 - advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (f) The Company has not previously obtained approval under ASX Listing Rule 7.1A.

Formula for Calculating the 10% Placement

The number of Shares which the Company may issue pursuant to this resolution 5 in accordance with ASX Listing Rule 7.1A.2 may be calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of Shares on issue at the commencement of the Relevant Period (the 12-month period immediately preceding the date of issue or agreement):

- plus the number of fully paid ordinary shares issued in the relevant period under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;
- plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under the ASX Listing Rules to have been approved under ASX Listing Rule 7.1 or ASX Listing Rule 7.4
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing rule 7.1 or ASX Listing Rule 7.4
- plus the number of partly paid shares that became fully paid in the relevant period;
- less the number of fully paid ordinary shares cancelled in the relevant period;

D is 10%

E is the number of Shares issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under ASX Listing Rules 7.4.

Board Recommendation

The Directors believe that this resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour. In particular, the ability of the Company to issue new Shares under the 10% Placement Capacity will enable the Company to issue Shares in circumstances where it might otherwise be subjected to the cost, delay and uncertainty of reverting to Shareholders for approval. The additional flexibility and speed to conduct capital raising will better position the Company to pursue its interests in the prevailing market conditions.

Voting Exclusion Statement

The Company will disregard any votes cast in favour of the resolution by or on behalf of any person who is expected to participate in an issue of Shares under the 10% Placement Capacity or any person who may obtain a material benefit as a result of an issue of Shares under the 10% Placement Capacity (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of that person (or those persons).

However, the Company need not disregard a vote if:

- (a) it is cast by a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney on the resolution in that way;
- (b) it is cast by the Chair of the meeting as proxy or attorney for a person who is entitled to vote, in accordance with the direction given to the to vote on the resolution as the Chair decides; or
- (c) it is cast by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that they are not excluded from voting, on the resolution; and
 - the holder votes on the resolutions in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolutions 6(a), (b), (c), (d) & (e): Approval of Issue of Shares to Directors and Company Secretary for Past Remuneration

This resolution of the Notice seeks Shareholder approval for the purpose of Listing Rule 10.11 and all other purposes for the issue of Shares to Directors. This issue is proposed in lieu of the cash payment of Directors' fees for the period 1 January 2023 to 31 December 2023. The Company pays such fees in Shares in order to conserve cash resources.

The issuance of Shares and the rates of remuneration are in accordance with the Company's arrangements with the officeholders. These resolutions will authorise the Company to now issue the Shares within a month of the Annual General Meeting.

For the purposes of calculating the number of Shares issued the Company has utilised a range of Share prices. For the period 1 January 2024 to 31 December 2024 the company has the prior month's VWAP (i.e 60.41 cents for the March 2023 quarter (being the VWAP for December 2022), 53.42 cents for the June 2023 quarter (being the VWAP for March 2023), 52.98 cents for the September 2023 (being the VWAP for June 2023) and 57.91 cents for the December 2023 quarters) (being the VWAP for September 2023).

RESOLUTION 7 - Approval of Proposed Issue of Shares to Market Nominees Pty Ltd for the provision of capital market services

3.1 Background

The Company is seeking Shareholder approval to issue up to 4,800,000 Shares to Market Nominees Pty Ltd an entity associated with Mr Sal Catalano for the provision of capital market services in connection with the raising of capital for the Uley 2 project.

This resolution is substantially the same as the resolutions passed at the General Meeting on 28 May 2021, 19 November 2021 and 30 November 2022 and is required to be put to Shareholders again due to the ASX Listing Rule requirements that the shares be issued within one month of the date of the approval by shareholders unless a waiver is sought and granted from the ASX. The Shares could not be issued within a month of the approval since the conditions could not be met within this time frame. It is anticipated that the successful conclusion of this transaction is likely to extend for a further three months and possibly up to six months and that further approvals may be required in the future.

Due to current market conditions, exchange rate movements and a potential increase in the scope of the plant, the quantum of the financing is likely to be larger than originally proposed and this resolution is based upon a potential capital raise of \$150,000,000.

3.2 Number of Shares to be issued

The number of Shares allocated is conditional upon the occurrence of specific capital markets milestones, i.e., (i) the signing of mandate documentation acceptable to the Company, (ii) the registration and/or approval of capital markets offering documentation and (iii) financial close.

On 21 May 2021, the Company announced that a funding mandate had been executed with ACT Capital GmbH triggering the first milestone under the mandate with CCM. Accordingly, on 4 June 2021, 9,850,000 Shares were issued to CCM.

For the purposes of this resolution the quantum of the maximum issue of shares is calculated by the following formula:

$$\text{Capital Amount} \times \text{Issue Price}$$

Where:

Capital Amount means the funding requirement for the Uley 2 project being A\$80,000,000 (see Mining Study announcement to the market on 11 December 2019) or such other amount determined by the Company.

Issue Price means the greater of \$0.09 and the monthly VWAP for the five (5) trading days immediately preceding the achievement of the relevant milestone).

The formula for determining the actual number of shares to be issued on the achievement of the relevant milestone shall be determined in accordance with the following formula:

$$(\text{Capital Amount} \times \text{Fee \%}) / \text{Issue Price}$$

Where:

Capital Amount see above.

Issue Price see above

Fee % means the fee percentage for each of the Milestones as specified in the following table.

Milestone	Fee %
Execution of mandate document with lead arranger	0.8%
Registration of offering or disclosure documentation	1.2%
Financial close of Uley 2 project funding	1.5%

For the purpose of illustration, the Company has assumed that Shares will be issued to CCM at the minimum price of \$0.45 per Share which would result in the maximum number of Shares being issued as set out in the table below:

	Fee %	A\$Fee	Maximum Number of Shares @ \$0.45
Signing of mandate document with lead arranger	0.8%	\$640,000	9,850,000¹
Registration of offering or disclosure documentation	1.2%	\$1,800,000	2,133,333
Financial close of Uley 2 project funding	1.5%	\$2,250,000	2,666,667
Total	2.7%	\$2,160,000	4,800,000

3.3 Note regarding Section 211

It is the view of Directors that the proposed issue of Shares pursuant to these resolutions fall within the exception under section 211 of the Corporations Act (reasonable remuneration) given the circumstances of the Company and the position

¹ This milestone was satisfied, and shares were issued in June 2021 pursuant to Resolution 4 of the General Meeting held on 28 May 2021. The prior shares are included for additional disclosure and are not included in the total.

held by Mr Sal Catalano. Accordingly, Shareholder approval is not being sought under section 208 of the Corporations Act, although Shareholder approval must be obtained pursuant to ASX Listing Rule 10.11.

3.4 Note regarding ASX Listing Rule 10.11

Listing Rule 10.11 requires a listed company to obtain Shareholder approval by ordinary resolution prior to the issue of securities to a related party of the company. Approval pursuant to Listing Rule 7.1 is not required in order to issue the Shares to the Directors as approval is being obtained under Listing Rule 10.11.

Listing Rule 10.13 sets out a number of matters which must be included in a notice of meeting proposing an approval under Listing Rule 10.11. For the purposes of Listing Rule 10.13, the following information is provided in relation to Resolution 4:

- (a) the related parties is Mr Catalano and he is a related parties by virtue of being a Director of the Company;
- (b) the maximum number of Shares to be issued by the Company will be determined by dividing the milestone payment amount by the prior five-day VWAP (subject to a floor price of \$0.45) upon the occurrence of a milestone;
- (d) any fractions of Shares resulting from the calculation will be rounded down to the nearest whole number;
- (e) the Shares will be issued within five days of the milestone being achieved;
- (g) a voting exclusion statement is included in this Notice of Meeting of which this Explanatory Statement forms part; and
- (h) if a milestone has not been achieved within six (6) months the authorisation shall lapse (although the Directors may seek further approval from Shareholders to allow for Shares to be issued upon satisfaction of milestones after that date).

Mr Catalano is an executive Director of the Company and, as such, ASX Listing Rule 10.13.8 requires disclosure of Mr Catalano's existing remuneration.

Details of the current remuneration package for Mr Catalano is as follows:

	Base Payments	Director Fees (paid by issuance of Shares)	Total Remuneration
Mr Catalano	\$330,000	\$72,000	\$422,000

The Company's Annual Report for any period during which the Shares are issued to entities associated with Mr Catalano (or their nominees) shall disclose the details of the number of Shares that were issued to them, including the percentage of the Company's issued capital represented by those Shares.

The relevant interests of the related parties in Shares of the Company and the potential future voting power of the related parties based on the issues of Shares to CCM (or its Nominee) are set out below:

Assuming Resolution 6 is not passed

	Shares Currently Held	% Voting Power	Maximum No of Shares to be issued under Resolution 7	Increase in voting power for individual dilution	% Voting Power after issuance*
Mr Catalano	62,218,509	18.44%	4,800,000	1.14%	19.71%

Assuming Resolution 6 is passed

	Shares Held if Resolutions 2 and 3 are passed	% Voting Power	Maximum No of Shares to be issued under Resolution 7	Increase in voting power for individual dilution	% Voting Power after issuance*
Mr Catalano	62,218,509	18.45%	4,800,000	1.14%	19.59%

A Voting exclusion statement for each of the resolutions is set out in the Notice of Meeting. The Chairman intends to vote available undirected proxies in favour of all resolutions.

Resolution 8 Voting Exclusion Statement: The Company will disregard any votes cast in favour of this resolution by Mr Sal Catalano and any of his associates and any other person who will obtain a benefit (except a benefit solely in the capacity of a holder of securities).

However, the Company will not disregard a vote if:

- (b) if it is cast by a custodian or nominee, to the extent only that those holders (Nominee Holders) are acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of beneficiaries who did not or will not participate in the issue
- (c) it is cast by the person Chairing the Meeting as proxy for a person who is entitled to vote, in accordance with directions on the Proxy Form to vote as the proxy decides.

Voting Prohibition Statement: In accordance with section 224 of the Corporations Act, a vote on this resolution must not be cast (in any capacity) by or on behalf of a related party of the Company to whom the Resolution would permit a financial benefit to be given, or an associate of such a related party. However, the above prohibition does not apply if the vote is cast by a person as proxy appointed by writing that specifies how the proxy is to vote on the Resolution and it is not cast on behalf of the Excluded Party for that Resolution.

In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote on the basis of that appointment, on this Resolution if:

DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form.
