Managing Director, Tim Levy commented *"The Company has spent the past two quarters successfully building out engineering and sales capacity to prepare for the peak mid-year sales period in the US. We're very pleased with the March quarter and with more than 1 million students licenses in our pipeline we look forward to exceptional quarters ahead"*.

Significant growth in schools and student numbers

The Company achieved outstanding sales success in the typically quiet March quarter. The Company has achieved greater than 130% YoY growth in the number of contracted schools and student licenses.

Substantial growth in contracted revenue

The Company achieved 97% YoY growth in the total value of contracts sold in the quarter coming in at \$3.6 million.

Encouragingly the Company continues to see improvements in average license fees and sales conversion rates.

The Company ended the quarter with a record pipeline of more than 1 million student licenses.

This announcement was made on 9 April 2021 and was authorised by the Board of Family Zone Cyber Safety Limited.
