Dividend Donation Programme

The Company has determined to implement a Dividend Donation Programme in partnership with a recognised Australian charity.

This will give shareholders the opportunity to direct all or part of their cash dividends to this charity and (subject to compliance with Australian Taxation Office rules) receive a tax deduction for monies donated. It is also of assistance to the Company in processing smaller dividend cheques where the amount of the dividend can be less than the transaction and processing costs incurred by the Company with respect to such dividend.

Further details will be contained in mail out to shareholders.
