MARKET ANNOUNCEMENT

Dividend Donation Programme

The Company is pleased to announce that it has joined in partnership with the **"Investing In Hope" Dividend Donation Programme of Children's Hospital Foundations Australia**[1], an Australia wide national alliance of children's charities working together to fundraise in partnership with national corporate and business organisations for sick and injured kids in Australian children's hospitals.

Please refer to their website for further information: www.childrenshfa.com.au and details of member hospital foundations in each State.

"Investing in Hope allows shareholders to receive a triple benefit in return for their donation. Shareholders can take advantage of imputation credits and still receive a tax-deductible charity receipt. Importantly, these donations also provide hope for millions of sick and injured children and their families – now and in the future**"**, Noel Whittaker, Ambassador for Children's Hospital Foundations Australia.
