CHAIRMAN'S LETTER

29 August 2025

Dear RCT Unitholder,

I am delighted to have the opportunity to present Iris' offer to acquire all of your units in Reef Casino Trust (**RCT**).

If you accept the Offer, you will be paid \$3.87 cash for each RCT Unit that you hold, subject to the Offer becoming unconditional.

We believe the Offer represents a compelling proposition for RCT Unitholders because:

- The Offer represents a significant cash premium to the trading price of RCT Units on the ASX prior to the announcement of the Offer, being a 28.15% premium to the closing RCT Unit price of \$3.02 on 11 July 2025 (the Business Day before the announcement of the proposed Offer) and a 43.80% premium to the 3 month volume weighted average price of RCT Units to 25 February 2025 (the last trading day prior to RCT announcing that it had received a proposal from Iris) of \$2.6912 per unit;
- Being an all cash offer, Iris is providing certain value of your RCT units;
- The Offer has been unanimously recommended by the Independent Board Committee (**IBC**) established by the board of Reef Corporate Services Limited, in its capacity as responsible entity of RCT (**RCSL**) subject to:
 - there being no Superior Proposal;
 - the Regulatory Conditions being satisfied or not becoming incapable of being satisfied by the end of the Offer Period; and
 - the Independent Expert engaged by RCT determining that the Offer is either fair or reasonable or not fair but reasonable, and that certain other transactions contemplated by the Bid Implementation Agreement do not amount to a net benefit (**Reasonable Opinion**);
- RCT's two largest unitholders, Casinos Austria International Limited (**CAIL**) and Accor Casino Investments (Australia) Pty Ltd (**Accor**), who collectively have a relevant interest in more than 71% of the units in RCT, have stated that they intend to accept the Offer within 21 days after the opening of the Offer Period, in the absence of a superior proposal and subject to the Independent Expert giving (and not revoking) a Reasonable Opinion; and
- As at the date of this Bidder's Statement, no Superior Proposal to the Offer as presented in this Bidder's Statement has emerged and there is no other offer which is capable of acceptance by RCT Unitholders.

Details of our Offer, including its terms and conditions are set out in this Bidder's Statement. I encourage you to read the Bidder's Statement carefully and in full, together with the Target's Statement to be released soon by RCT, and to accept the Offer as soon as possible. In order to be valid, your acceptance must be received before 7.00pm (Sydney time) on 13 March 2026 which, unless extended, will be the closing date of the Offer.

To accept the Offer you should follow the instructions in this Bidder's Statement and on the accompanying Acceptance Form.

Thank you for your consideration of our Offer. We look forward to receiving your acceptance.

Yours sincerely

1 WHY YOU SHOULD ACCEPT THE OFFER

The Offer provides significant benefits to you as a RCT Unitholder. The key reasons why you should accept the Offer are set out below. Detailed discussion of each of these points is also provided in the following pages.

- | | | |
|---|---|-------------|
|  | The Offer represents a significant and compelling premium to the undisturbed RCT Unit price prior to the NBIO Announcement Date | Section 1.1 |
|  | The IBC and all Directors unanimously recommend that you accept the Offer and all of the Directors intend to accept the Offer in respect of the RCT Units they hold or control after satisfaction of the Regulatory Conditions, in the absence of a Superior Proposal and subject to the Independent Expert giving (and not revoking) a Reasonable Opinion | Section 1.2 |
|  | RCT's two largest unitholders, CAIL and Accor, have stated that they intend to accept the Offer within 21 days after the opening of the Offer Period, in the absence of a superior proposal and subject to the Independent Expert giving (and not revoking) a Reasonable Opinion | Section 1.3 |
|  | You are being offered full cash consideration and certain value for Your RCT Units | Section 1.4 |
|  | Accepting this Offer removes risk that could affect the value of Your RCT Units over time | Section 1.5 |
|  | No Superior Proposal has emerged | Section 1.6 |
|  | RCT's unit price is likely to fall if this Offer is not successful and there is no comparable proposal | Section 1.7 |
|  | The Offer allows you to sell your entire unitholding in a stock which has relatively low trading liquidity | Section 1.5 |

1.1 THE OFFER REPRESENTS A SIGNIFICANT AND COMPELLING PREMIUM TO THE UNDISTURBED RCT UNIT PRICE PRIOR TO THE NBIO ANNOUNCEMENT DATE

The Offer Price of \$3.87 cash per RCT Unit is a significant and compelling premium to the trading price of your RCT Units on the ASX prior to the RCT's announcement of the receipt of the Bidder's non-binding, conditional and indicative proposal to acquire all RCT Units made to the ASX on 26 February 2025 (**NBIO Announcement Date**). The Offer Price is also at a significant premium to the historic trading performance of RCT.

As shown in Figure 1 below, the Offer price of \$3.87 cash per RCT Unit represents:

- a premium of 41.76% to the closing price of Units on the 25 February 2025 of \$2.7300, being the last trading day that RCT Units traded on the ASX prior to the NBIO Announcement Date on 26 February 2025;
- a premium of 44.23% to the 5 day VWAP of RCT Units to 25 February 2025 of \$2.6833;
- a premium of 41.88% to the 1 month VWAP of RCT Units to 25 February 2025 of \$2.7276;
- a premium of 43.80% to the 3 month VWAP of RCT Units to 25 February 2025 of \$2.6912; and
- a premium of 42.17% to the 6 month VWAP of RCT Units to 25 February 2025 of \$2.7221.

Figure 1: Premia analysis of the Offer price pre-NBIO Announcement Date

Source: IRESS as at 28 August 2025

The Offer Price of \$3.87 cash per RCT Unit also represents a premium of 3.48% as at the close of trading on the Last Practicable Date (28 August 2025) of \$3.74 prior to the date of lodgement of this Bidder's Statement.

1.2 THE IBC AND ALL DIRECTORS UNANIMOUSLY RECOMMEND THAT YOU ACCEPT THE OFFER, IN THE ABSENCE OF A SUPERIOR PROPOSAL AND SUBJECT TO THE INDEPENDENT EXPERT GIVING (AND NOT REVOKING) A REASONABLE OPINION

The IBC and all RCT Directors unanimously recommend that you accept the Offer. The recommendation is subject to:

- there being no Superior Proposal;
- the Regulatory Conditions being satisfied by, or not becoming incapable of being satisfied before, the end of the Offer Period (provided that, in either case, ASIC has either consented to the withdrawal of the Offer or the Offer Period has ended and Iris is not required to proceed with the Offer); and
- the Independent Expert giving (and not revoking) a Reasonable Opinion.

1.3 MAJOR UNITHOLDERS INTEND TO ACCEPT, IN THE ABSENCE OF A SUPERIOR PROPOSAL

RCT's two largest unitholders, CAIL and Accor who collectively have a Relevant Interest in more than 71% of the units in RCT, have advised RCT of their support of the Offer, and have confirmed that they intend to accept the Offer in respect of all of their RCT Units within 21 days from the opening of the Offer Period in the absence of a superior proposal and subject to the Independent Expert giving (and not revoking) a Reasonable Opinion.

1.4 YOU ARE BEING OFFERED FULL CASH CONSIDERATION AND CERTAIN VALUE FOR YOUR RCT UNITS

Accepting the Offer will enable you to realise a certain and compelling value for Your RCT Units through 100% cash consideration.

If you accept the Offer and the Offer becomes unconditional, you will be paid \$3.87 cash for each of Your RCT Units, subject to the terms of the Offer.

1.5 ACCEPTING THIS OFFER REMOVES RISKS THAT COULD AFFECT THE VALUE OF YOUR RCT UNITS OVER TIME

RCT is subject to a number of risks.

If you accept this Offer, and if the conditions of the Offer are satisfied or waived, you will be paid cash for Your RCT Units and will no longer be exposed to the risks that could affect the trading price of RCT Units.

Some of these risks include:

- **Market volatility** – the Australian and international economic outlook and recent volatility in world markets may continue to impact upon movements in general levels of security prices on local stock markets (including RCT Units), inflation and interest rates that may impact upon RCT's business operations and the demand for listed securities (including RCT Units).
- **Exposure to the gaming and tourism market** – uncertainty in relation to economic conditions and the future outlook for the key markets in which RCT operates, such as the gambling and tourism markets.
- **Liquidity** – RCT Units have historically had relatively low trading liquidity on the ASX. Securities with low trading liquidity can be more difficult to sell on-market in a single transaction. The Offer provides you with an opportunity to dispose of all Your RCT Units in a single transaction for certain cash value at a compelling premium to historical trading prices.

1.6 NO SUPERIOR PROPOSAL HAS EMERGED

Following the announcement of the Offer on 14 July 2025, the Morris Group announced a competing proposal which included a proposed takeover bid for all RCT Units at \$3.70 per RCT Unit. On 20 August 2025, Iris announced a revised proposal which included an increase in the consideration offered to \$3.72 per RCT Unit. On 21 August 2025, the Morris Group proposed an increase in the consideration offered under its proposed takeover bid to \$3.85 per RCT Unit and on 28 August 2025, Iris increased the consideration offered under the Offer to \$3.87 per Unit. As such, as at the date of the Bidder's Statement, Iris' Offer has the support of the IBC, and CAIL and Accor, as set out above, and there is no other Superior Proposal.

1.7 RCT'S UNIT PRICE IS LIKELY TO FALL IF THIS OFFER IS NOT SUCCESSFUL AND THERE IS NO COMPARABLE PROPOSAL

As the diagram below reflects, since RCT announced that it had been approached by Iris in relation to the Offer on 25 February 2025, RCT's Unit price has increased by 37% to \$3.74 as at the close of trading on the Last Practicable Date prior to the date of this Bidder's Statement.

If the Offer does not proceed and no comparable transaction is announced and becomes available for acceptance by RCT Unitholders, it is likely that RCT's Unit price will fall significantly. There is no certainty that the Morris Group will proceed with its proposed takeover bid and is not committed to do so.

Figure 2: RCT's Unit Price performance over time

Source: Morningstar DatAnalysis as at 28 August 2025

1.8 YOU WILL NOT INCUR ANY STAMP DUTY AND GENERALLY WILL NOT INCUR BROKERAGE CHARGES

You will not be obliged to pay stamp duty if you accept the Offer.

If Your RCT Units are registered in an Issuer Sponsored Holding in your name and you deliver them directly to Iris by accepting the Offer in accordance with the instructions set out in this Bidder's Statement, you will not incur any brokerage charges. If Your RCT Units are registered in a CHESS Holding, you should ask your Controlling Participant (usually your broker) whether it will charge any transaction or service fees in connection with the Offer.

If you sell Your RCT Units on the ASX (rather than under the Offer), you may incur brokerage charges (and, potentially, GST on those charges).

2 SUMMARY OF OFFER AND HOW TO ACCEPT IT

4.9 OTHER MATERIAL INFORMATION ABOUT RCT

RCT will have the opportunity to disclose in its Target's Statement any information about RCT it considers RCT Unitholders would reasonably require to make an informed assessment as to whether to accept the Offer.

4.10 PUBLICLY AVAILABLE INFORMATION ABOUT RCT

RCT is a listed disclosing entity for the purposes of the Corporations Act and as such is subject to regular reporting and disclosure obligations. Specifically, as a listed managed investment scheme, RCT is subject to the ASX Listing Rules which require continuous disclosure of any information RCT has concerning it that a reasonable person would expect to have a material effect on the price or value of its securities.

ASX maintains files containing publicly disclosed information about all listed companies. RCT's file is available for inspection at ASX during normal business hours or online at www.asx.com.au.

In addition, RCT is required to lodge various documents with ASIC. Copies of documents lodged with ASIC by RCT may be obtained from, or inspected at, an ASIC office.

Further information about RCT (including copies of its financial statements) is available on its website at <https://www.reefcasino.com.au/reef-casino-trust/>.

5 SOURCES OF CONSIDERATION

5.1 TOTAL CASH CONSIDERATION

The consideration for the acquisition of the RCT Units to which the Offer relates will be paid in cash.

As at the date of this Bidder's Statement, RCT has 49,801,036 units on issue. If acceptances are received for all RCT Units on issue as at the date of this Bidder's Statement or if Iris becomes entitled to and exercises the right of compulsory acquisition under the Corporations Act, subject to the terms and condition of the Offer (set out in section 10), the maximum amount of cash consideration that Iris would be required to pay would be approximately \$192,730,009.

In addition, the total consideration payable under the acquisitions of RCSL and CAIC (which are interconditional with the Offer), will be approximately \$43,884,000 (the final amount is not yet known given there is a working capital adjustment provided for in respect of CAIC) (see section 9.3 for further information).

Accordingly, the total consideration payable under the Offer, and the acquisition of RCSL and CAIC will be approximately \$236,614,009 (**Maximum Consideration Amount**).

5.2 SOURCES OF CASH CONSIDERATION

The Bidder has access to sufficient funds to pay for all the RCT Units and acquire RCSL and CAIC and will fund the Maximum Consideration Amount including associated transaction costs under the Offer (**Aggregate Amount**) using funds obtained as follows:

(a) Identity of person(s) to fund Aggregate Amount

The funds required by the Bidder to pay the Aggregate Amount will be available to the Bidder from funding pursuant to a binding equity commitment letter from the Iris Group Holding Entity described in section 5.2(b) below (**Equity Commitment Letter**).

The Bidder is also in ongoing discussions with potential debt financiers and may ultimately use debt financing to fund all or part of the Aggregate Amount. However, as at the date of this Bidder's Statement, the Bidder has access to the funds required to pay the Aggregate Amount as and when it is due and payable solely from the funds available to it under the Equity Commitment Letter.

The Bidder will provide supplementary disclosure to the Bidder's Statement if there is a change in circumstances or any material developments in relation to the Bidder's funding arrangements set out in this section 5.2.

(b) Particulars of the Equity Commitment Letter

Under the Equity Commitment Letter, the Bidder has a binding equity commitment from the Iris Group Holding Entity (an entity controlled by Sam Arnaout) to procure that the Bidder is funded up to the Aggregate Amount. The Iris Group Holding Entity undertakes to make available to the Bidder cash funding directly or indirectly (by way of equity, debt or other instrument) as is required to enable the Bidder to fulfil its obligations to pay the Aggregate Amount.

The obligations of the Bidder and the Iris Group Holding Entity to fund the Aggregate Amount are subject to satisfaction of the following conditions:

- the Bid Implementation Agreement not having been terminated; and
- the Takeover Bid becoming or being declared unconditional.

The Iris Group Holding Entity has (either directly or via entities that it controls) as at the date of this Bidder's Statement, net assets (being going concern assets and property development and other investments) in

excess of \$3.5 Billion. Given that there is likely to be a period of some months before the Regulatory Conditions are satisfied, the funds required to pay the Aggregate Amount will not be required for some months, at which time Iris Group Holding Entity expects to have available to it uncommitted cash reserves to meet its obligations under the Equity Commitment Letter if Iris has not in the meantime obtained debt financing in respect of all or part of the Aggregate Amount.

5.3 PAYMENT OF CASH CONSIDERATION

Having regard to the matters set out above, Iris is of the opinion that it has a reasonable basis for forming, and it holds the view, that it will be able to pay the Aggregate Amount. The Offer is not subject to any financing conditions.

They can only be transferred with the consent of CAIL, Accor and the Governor of Queensland and by Bidder making a binding covenant to be bound by the Foundation Agreement.

Iris will seek approval for the transfer of the Restricted Units and is willing to provide the binding covenant required to be bound by the Foundation Agreement.

6.6 NO PRE OFFER BENEFITS

Other than as disclosed in this Bidder's Statement, during the period of 4 months before the date of this Bidder's Statement, and the period from the date of this Bidder's Statement to the date before the date of the Offer, neither Iris nor any Associate of Iris gave, or offered to give, or agreed to give a benefit to another person which was likely to induce the other person, or an associate of the other person, to:

- (a) accept the Offer; or
- (b) dispose of RCT Units,

and which is not offered to all holders of RCT Units under the Offer.

During the period from the date of this Bidder's Statement to the date before the date of the Offer, neither Iris nor any Associate of Iris gave, or offered to give, or agreed to give a benefit to another person which was likely to induce the other person, or an associate of the other person, to:

- (a) accept the Offer; or
- (b) dispose of RCT Units,

and which is not offered to all holders of RCT Units under the Offer.

6.7 NO ESCALATION AGREEMENTS

Neither Iris nor any associate of Iris has entered into any escalation agreement that is prohibited by section 622 of the Corporations Act.

7 INTENTIONS IN RELATION TO RCT

7.1 INTRODUCTION

This section 7 sets out the intentions of Iris in relation to:

- (a) the continuation of the business of RCT and operation of RCT as a managed investment scheme;
- (b) any major changes to the business of RCT and any redeployment of the assets of RCT (being the property of the managed investment scheme);
- (c) the compulsory acquisition of RCT Units and the delisting of RCT;
- (d) the future employment of the present employees at the hotel and casino complex; and
- (e) any plans in relation to the responsible entity of RCT.

The intentions of Iris have been formed on the basis of publicly available facts and information as well as certain due diligence information provided by RCT to Iris concerning RCT and the general business environment, which are known at the time of preparing this Bidder's Statement. Iris has also had the opportunity to have discussions with RCT in relation to its business.

Final decisions regarding these matters will only be reached by Iris in light of material information and circumstances at the relevant time (which, given the regulatory approvals required, may not be until at least the first quarter of 2026). Accordingly, the statements set out in this section are statements of current intention only and may vary as new information becomes available or circumstances change.

7.2 RATIONALE FOR THE OFFER

The Reef Hotel Casino has a strong reputation and well established presence in Cairns and far North Queensland, and Iris recognises that the property and the right to manage and operate it are attractive assets.

Iris views the Reef Hotel Casino as an attractive investment and subject to implementing its intentions as set out in this section 7, it currently intends to continue to operate the business as a profitable standalone, regional casino and hotel.

7.3 INTENTIONS FOR RCT AS A WHOLLY-OWNED CONTROLLED ENTITY

This section describes the intentions of Iris if, at the end of the Offer Period, Iris acquires a Relevant Interest in 90% or more of the RCT Units and so becomes entitled to proceed to compulsory acquisition of outstanding RCT Units in accordance with Part 6A.1 of the Corporations Act. As at the date of this Bidder's Statement, Iris intends to proceed to compulsory acquisition if permitted under Part 6A.1 of the Corporations Act, noting that the minimum acceptance condition is currently 80% (and may be waived by Iris) which means that at the end of the Offer Period, Iris may not have a Relevant Interest in 90% or more of RCT Units.

In the circumstance that Iris exercises any right to proceed with compulsory acquisition of the outstanding RCT Units in accordance with the provisions of Part 6A.1 of the Corporations Act, the current intentions of Iris are as follows:

(a) Corporate matters

Iris intends to:

- (i) proceed with compulsory acquisition of the outstanding RCT Units in accordance with the provisions of Part 6A.1 of the Corporations Act;

- (ii) thereupon arrange for RCT to be removed from the official list of ASX and commence the process to deregister RCT as a registered managed investment scheme; and
- (iii) exercise its right as a RCT Unitholder to replace the current members of the RCT Board, the responsible entity of RCT, with its own nominees. The identity of those nominees has not yet been fully determined but is likely to be comprised of existing directors or executives of Iris, including Sam Arnaout.

Compulsory acquisition under Part 6A.1 of the Corporations Act would result in the remaining RCT Unitholders having the consideration for their RCT Units paid to RCT to be held in trust pending claim by those RCT Unitholders for the consideration. The payment of that consideration to RCT Unitholders would most likely occur later than if the Offer had been accepted by the RCT Unitholder.

(b) General operational review and structural considerations

Iris intends to conduct a review of RCT's operations on both a strategic and financial level to evaluate the performance, profitability and of RCT's business. Iris would seek to enhance RCT's casino and hotel operations pending the outcome of that review. Among other things, Iris will consider the following matters in this review:

- (i) merits of renovating or refurbishing casino buildings and fittings; and
- (ii) the terms of the existing sublease agreement between RCT and CAIC to determine whether that continues to be appropriate when RCT is under Iris' control and may seek to amend the sublease agreement (subject to any necessary consents or approvals required); and
- (iii) whether to keep current hotel branding arrangements in place or seek to enter into new arrangements, which may involve rebranding of the hotel.

(c) Impact on employees

While Iris conducts the review referred to in section 7.3(b), Iris expects to rely on RCT's existing workforce (as employed by CAIC – see section 4.3) and currently intends to maintain the current employment arrangements of all of employees during this period. The review referred to in section 7.3(b) will include an assessment of whether existing management and employee staffing arrangements remain appropriate under Iris' ownership and taking into account the other outcomes of the review. Any changes that Iris decides to make would only be implemented after due consideration of the outcome of the review, consultation with affected stakeholders where required, and in accordance with all applicable employment, workplace health and safety, and industrial relations laws.

Following completion of the Offer, Iris will also consider whether it will maintain CAIC as the Iris entity which formally employs those individuals.

(d) Distributions

Iris will only make any final decision on the future distribution policy of RCT after reviewing all relevant material at the time and having received legal and financial advice on this matter. However, Iris' current intention is that, given the need for further investment in repairing, maintaining, renovating and refurbishing the casino buildings and fittings, as well as its intentions to evaluate the terms of the sublease agreement between CAIC and RCT and hotel branding arrangements, it is likely that RCT Unitholders will not receive distributions to the same level (or at all) as under existing practices.

7.4 INTENTIONS FOR RCT AS A PART OWNED CONTROLLED ENTITY

This section describes Iris' intentions if RCT becomes a controlled entity of Iris, but Iris is not entitled to proceed to compulsory acquisition in accordance with Part 6A.1 of the Corporations Act.

In any of those circumstances, Iris' current intentions are as follows:

(a) Corporate matters

Once Iris acquires a Relevant Interest of more than 50% of the RCT Units and the Offer has become or is declared unconditional, and subject to the Casino Agreements, the Corporations Act and the Trust Deed, Iris intends to seek to replace some or all of the members of the RCT Board such that Iris' nominees represent at least a majority of the RCT Board. Once Iris acquires a Relevant Interest in 80% or more of the RCT Units and the Offer becomes or is declared unconditional, and subject to the Casino Agreements, the Corporations Act and the Trust Deed, Iris intends that all except for one of the non-Iris nominees on the RCT Board will resign. RCT has confirmed in the Bid Implementation Agreement that each Director and RCT will procure the RCT Board to permit this.

Replacement board members have not yet been decided by Iris and their identity will depend on the circumstances at the relevant time. Those nominees are expected to include existing directors or executives of Iris, including Sam Arnaout.

Iris will seek, to the extent possible through its nominees on the RCT Board, to implement the intentions detailed in section 7.3 where they are consistent with RCT being a controlled entity of (but not wholly-owned by) Iris and are considered to be in the best interests of RCT Unitholders as a whole, including minority unitholders.

It is possible that, even if Iris is not entitled to proceed to compulsory acquisition of minority holdings after the end of the Offer Period under Part 6A.1 of the Corporations Act, it may subsequently become entitled to exercise rights of general compulsory acquisition under Part 6A.2 of the Corporations Act – for example, as a result of acquisitions of RCT Units in reliance on the '3% creep' exception in item 9 of section 611 of the Corporations Act. If so, it currently intends to exercise those rights and would then seek to have RCT removed from the official list of the ASX and will then implement the intentions referred to in section 7.3.

If Iris were to acquire 75% or more of the RCT Units, it may be in a position to cast the votes required to determine the outcome of a "special resolution" at a meeting of RCT Unitholders. This would (where Iris is permitted to vote on such resolutions) enable it to pass resolutions, for example, to amend the Trust Deed.

If Iris acquires control of RCT but it is not entitled to proceed to compulsory acquisition, Iris, together with the RCT Board, will consider if it is appropriate for RCT to remain listed on the ASX and may seek de-listing. Iris intends to have RCT removed from the official list of the ASX as soon as it is able to do so (subject to the level of acceptances, compliance with the requirements of the ASX Listing Rules and legal, tax and other considerations relevant at the time). After a period of 12 months following completion of the Offer, Iris may seek to procure the delisting of RCT by convening a unitholder vote and passing a special resolution approving the delisting, depending on the circumstances at the time.

(b) General operational review

After the end of the Offer Period, Iris, through its nominees on the RCT Board, intends to propose to the RCT Board that an immediate, broad based review of RCT's operations be conducted on both a strategic and financial level, along similar lines to that described in section 7.3(b).

Iris intends, subject to the approval of the RCT Board, to participate in this review.

(c) Implications for continuing RCT Unitholders

RCT Unitholders who do not accept the Offer will remain as minority unitholders in RCT and may be subject to a number of additional risks, including:

- (i) reduced liquidity, meaning that you may have greater difficulty in realising value for Your RCT Units;

- (ii) the future operational and capital management of RCT being determined by Iris and its nominees on the RCT Board based on its views as to what is in the best interests of RCT;
- (iii) a potential fall in the price of RCT Units below the Offer consideration; and
- (iv) the potential for RCT to undertake future equity raisings to fund its future investment and capital expenditure which may be dilutive to non-participating unitholders.

(d) Limitation in giving effect to intentions

The ability of Iris to implement the intentions set out in this section will be subject to the legal obligations of RCSL directors to act in the best interests of all RCT Unitholders and the requirements of the Corporations Act, the Trust Deed and the Listing Rules relating to conflicts of interest and transactions between related parties.

Iris will only make a decision on the above-mentioned courses of action following legal and financial advice in relation to those requirements.

7.5 INTENTIONS REGARDING THE MINIMUM ACCEPTANCE CONDITION

Iris intends to waive the 80% minimum acceptance condition, set out in section 10.7(a), in accordance with section 650F of the Corporations Act if no later than 7 days before the end of the Offer Period the following conditions have been, and remain, satisfied:

- (i) Iris has received acceptances of the Offer in respect of 75% of all RCT Units and has a Relevant Interest in at least 75% (by number) of all RCT Units;
- (ii) there is no Competing Transaction;
- (iii) no other Conditions have been breached or become (either immediately or at some future point in time) incapable of satisfaction;
- (iv) Accor and CAIL:
 - (A) in aggregate have a Relevant Interest in at least 71.96% of the RCT Units;
 - (B) have each accepted the Offer and not exercised any withdrawal right following acceptance of the Offer;
 - (C) have each confirmed in writing that they will not exercise any withdrawal rights that they may have in respect of their acceptances of the Offer before Iris has obtained all necessary Regulatory Approvals in connection with the Offer; and
 - (D) each IBC Director has publicly announced that once the Offer is unconditional, they will unconditionally recommend that RCT Unitholders accept the Offer.

7.6 OTHER INTENTIONS

Subject to the matters described above in this section 7 and elsewhere in this Bidder's Statement and, in particular, the completion of the strategic review of RCT's operations, it is the intention of Iris, on the basis of the facts and information concerning RCT that are known to Iris and the existing circumstances affecting the assets and operations of RCT at the date of this Bidder's Statement, that all governance matters related to RCT will continue to be overseen by the RCT Board, including:

- (a) the business of RCT will be conducted in substantially the same manner as at the date of this Bidder's Statement;
- (b) no other major changes will be made to the business or corporate structure of RCT;

- (c) there will be no redeployment of the fixed assets and scheme property of RCT; and
- (d) the present employees involved in the management of RCT or working at the hotel casino complex will continue to be employed in their current roles by Iris.

There are no current plans to remove or replace RCSL as the responsible entity of RCT.

8 TAXATION CONSIDERATIONS

8.1 INTRODUCTION

The following is a general summary of some of the Australian income tax, stamp duty and GST consequences for RCT Unitholders who accept the Offer to dispose of their RCT Units. For completeness, this section does not cover implications for RCT Unitholders of receiving distributions from RCT prior to a disposal of their RCT Units, noting the tax implications associated with such distributions should broadly align with the tax treatment applicable to distributions received to date.

This summary does not constitute tax advice by Iris to any RCT Unitholder and should not be relied upon by a RCT Unitholder in making any decision to hold or dispose of any RCT Units.

RCT Unitholders who are tax residents of a country other than Australia (whether or not they are also residents or are temporary residents, of Australia for tax purposes), or who hold their RCT Units in connection with a taxable presence in another country, should take into account the tax consequences of accepting the Offer under the laws of those countries, as well as under Australian law.

In particular, the comments contained in this summary are only relevant to those RCT Unitholders who hold their RCT Units on capital account for income tax purposes, and do not apply to the extent that RCT Unitholders:

- (a) hold RCT Units as revenue assets (i.e. including entities which acquired their RCT Units for the purposes of resale at a profit) or as trading stock;
- (b) are under a legal disability;
- (c) are exempt from Australian income tax;
- (d) are a bank, insurance company, tax-exempt entity, or superannuation fund or a dealer in securities;
- (e) are subject to the Investment Manager Regime in Subdivision 842-I of the *Income Tax Assessment Act 1997* (Cth) in respect of their RCT Units;
- (f) are subject to the Taxation of Financial Arrangement rules in Division 230 of the *Income Tax Assessment Act 1997* (Cth) in relation to gains or losses on their RCT Units;
- (g) have, or are taken to have, acquired their RCT Units before 20 September 1985;
- (h) chose to index the cost base of their RCT Units;
- (i) are non-resident RCT Unitholders who currently hold, or have held, at any time RCT Units through a permanent establishment in Australia, who are temporary residents of Australia, or who have changed residence while holding RCT Units; or
- (j) are Australian residents who hold their RCT Units as part of an enterprise carried on at or through a permanent establishment in a foreign country.

Moreover, except where otherwise stated, this summary does not apply to RCT Unitholders that are partnerships or trusts or persons that are partners of such partnerships, or beneficiaries of such trusts. If a partnership or trust is a RCT Unitholder, the partners of such partnership or the beneficiaries of such trust should obtain their own professional tax advice in relation to the Australian tax consequences for them or the partnership or the trust (as applicable) of disposing of RCT Units under the Offer.

The following summary is based on the existing tax laws and administrative practices of Australian taxation and revenue authorities as at the date of this Bidder's Statement and is not intended to be an authoritative or

complete statement of the Australian tax law applicable to the specific circumstances of every RCT Unitholder.

The tax law is complex and subject to change periodically as is its interpretation by the courts, the Australian Taxation Office (**ATO**), and other relevant revenue authorities. Iris has not sought to have any tax implications associated with a RCT Unitholder accepting the Offer ruled upon by the ATO and therefore a risk remains that the ATO may not agree with this summary or an aspect of it.

The information contained in this summary is not, and should not be relied upon as, personal taxation or financial advice. The Australian income tax, stamp duty and GST implications may vary according to individual circumstances, and each RCT Unitholder is strongly recommended to seek their own professional tax advice that is specific to their particular circumstances.

8.2 AUSTRALIAN RESIDENT RCT UNITHOLDERS

(a) Capital gains tax consequences of accepting the Offer

A RCT Unitholder that accepts the Offer, and transfers their RCT Units to Iris, will be treated as having disposed of their RCT Units for capital gains tax (**CGT**) purposes. The disposal of a RCT Unit will constitute a CGT event for Australian CGT purposes.

The time of the CGT event should be the date that the contract to sell those RCT Units is formed, which should be the date on which a RCT Unitholder accepts the Offer following the acceptance instructions set out in section 10.3 of this Bidder's Statement.

A RCT Unitholder whose RCT Units are compulsorily acquired will be taken to have disposed of their RCT Units for the purposes of CGT when the units are transferred to Iris.

The capital gain or loss from this CGT event will need to be disclosed in the RCT Unitholder's tax return for the income year in which the CGT event occurred.

If a RCT Unitholder accepts the Offer but one or more of the conditions of the Offer are not satisfied, the Offer will lapse. Any RCT Unitholders who have accepted the Offer in these circumstances will not be taken to have disposed of their RCT Units and accordingly, should not realise any capital gain or loss.

(b) Determination of the gain or loss

A capital gain in connection with the disposal of a RCT Unit will arise where the capital proceeds received on disposal exceeds the cost base of the RCT Unit. Alternatively, a capital loss will arise on the disposal of a RCT Unit to the extent that the capital proceeds received on disposal are less than the reduced cost base of the RCT Unit.

The capital proceeds should be equal to the amount paid by Iris as consideration for each RCT Unit (**Purchase Price**). The cost base of a RCT Unit should generally include the amount paid (or deemed to be paid) to acquire the RCT Unit plus certain incidental costs of acquisition, ownership and disposal (such as brokerage fees). The reduced cost base is calculated in a similar, but not identical, manner.

Capital gains and capital losses (including prior year capital losses) of a taxpayer are netted off in a year of income to determine if there is a net capital gain or loss. If a RCT Unitholder makes a net capital gain in a year, this amount is, subject to the following comments, included in the RCT Unitholder's assessable income.

If a RCT unitholder makes a net capital loss in a year, this amount may be carried forward and offset against capital gains made in subsequent income years, subject to the satisfaction of certain loss recoupment tests. Capital losses cannot reduce or offset other income or gains.

(c) CGT discount

A RCT Unitholder that is a resident of Australia for tax purposes and is an individual, trust or complying superannuation entity may be entitled to reduce their capital gain (after first reducing the capital gain by any available current year or carry forward capital losses) by the applicable CGT discount, provided that the RCT Units were acquired (or are taken to have been acquired) at least 12 months before the disposal (excluding the date of acquisition and the date of disposal).

The applicable CGT discount, which should reduce a capital gain (after first reducing the capital gain by any available current year or carry forward capital losses) arising from the disposal of RCT Units, is as follows:

- (i) 50% for individuals and trustees (except a trust that is a complying superannuation entity); and
- (ii) 33 1/3% for a complying superannuation entity.

The CGT discount is not available to RCT Unitholders that are companies.

In relation to trusts, the CGT discount may flow through to presently entitled beneficiaries of the trust who may be entitled to retain the benefit of the CGT discount depending on their particular circumstances.

The resulting net capital gain (i.e. the amount remaining after the application of any available capital losses, available CGT discount and/or concessions) should be included in assessable income and subject to Australian income tax at the applicable marginal tax rates.

8.3 NON-RESIDENT RCT UNITHOLDERS

This section 8.3 applies to RCT Unitholders who are not residents of Australia for Australian income tax purposes (that is, foreign tax residents). It does not apply to RCT Unitholders who currently hold, or have held, at any time RCT Units through a permanent establishment in Australia, who are temporary residents of Australia, or who have changed residence while holding RCT Units.

A RCT Unitholder who is not a resident of Australia for tax purposes, should generally not have to pay Australian income tax on any capital gain arising on the disposal of their RCT Units, unless their RCT Units are characterised as 'indirect Australian real property interests'. A RCT Unitholder's RCT Units may be characterised as indirect Australian real property interests if both of the following requirements are satisfied:

- (a) the non-resident RCT Unitholder, together with its 'associates' (as defined in the *Income Tax Assessment Act 1936* (Cth)) held a combined interest of at least 10% of the issued units in RCT either at the time of disposal of the RCT Units (for CGT purposes), or for a continuous 12 month period during the 24 months prior to the disposal of their RCT Units (for CGT purposes) (**Non-Portfolio Interest Test**); and
- (b) at the time of disposal, more than 50% of the market value of the assets of RCT is represented (directly or indirectly) by 'taxable Australian real property', being real property situated in Australia (including leases of land situated in Australia), and mining, quarrying and prospecting rights over minerals, petroleum or quarry materials situated in Australia (**Principal Asset Test**).

Where both of the above requirements are satisfied by a non-resident RCT Unitholder, the RCT Unitholder may be liable for Australian income tax on gains from the disposal of their RCT Units and may be required to lodge a tax return in connection with the disposal of their RCT Units. Furthermore, Iris may have an obligation to withhold from the Purchase Price payable to the RCT Unitholder as discussed below.

If either element is absent, any capital gain made on the disposal of a RCT Unit by any RCT Unitholder that is not a resident of Australia for income tax purposes should not be subject to income tax in Australia.

A non-resident RCT Unitholder who is subject to a capital gain on disposal of their RCT Units may be eligible to apply a CGT discount to part of their capital gain, if the RCT Unitholder acquired, or is taken to have acquired, their RCT Units on or before 8 May 2012 (subject to certain conditions being satisfied) and the RCT Unitholder is an individual or a trust. Otherwise, the CGT discount is not available to non-resident RCT Unitholders.

8.4 NON-RESIDENT RCT UNITHOLDERS WITH CGT WITHHOLDING OBLIGATIONS

Iris may have an obligation to pay to the ATO an amount equal to 15% of the Purchase Price (**CGT Withholding Tax**) for each RCT Unit that is otherwise payable to the RCT Unitholder if the RCT Unitholder's units are indirect Australian real property interests (as discussed above) (i.e. if the Non-Portfolio Interest Test and the Principal Asset Test are satisfied) and:

- (a) Iris knows or reasonably believes that the RCT Unitholder is a foreign tax resident; or
- (b) Iris does not reasonably believe that the RCT Unitholder is an Australian resident for Australian tax purposes, and either:
 - (i) the RCT Unitholder has an address outside Australia; or
 - (ii) Iris is authorised to provide a financial benefit relating to the transaction to a place outside Australia (whether to the RCT Unitholder or to anyone else); or
- (c) the RCT Unitholder has a connection outside Australia of a kind specified in the regulations.

RCT Unitholders who have an amount withheld should generally be entitled to a credit for the amount withheld upon lodging an Australian income tax return. In addition, a RCT Unitholder may apply to the Commissioner of Taxation prior to the disposal of their RCT Units to vary the rate of withholding down from 15% if the tax liability expected to arise from that disposal is less than 15% of the Purchase Price.

If Iris determines that it may have an obligation to pay CGT Withholding Tax in respect of a RCT Unit, Iris may (but is not required to) ask the relevant RCT Unitholder to declare that it is an Australian tax resident or that its RCT Units are not indirect Australian real property interests, in accordance with the entity declaration requirements in section 14-225 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). A RCT Unitholder is able to provide a declaration unilaterally up to five Business Days before the end of the Offer Period.

If the relevant RCT Unitholder does not provide an appropriate declaration (within the requirements of the legislation, covering the date of the transaction) or if Iris knows that the information in the declaration is not correct, or if Iris otherwise considers that it is required to withhold an amount under law, then Iris may withhold CGT Withholding Tax from the Purchase Price payable to the RCT Unitholder and pay that amount to the ATO. In such an instance, the relevant RCT Unitholder will only receive the net proceeds and will be taken to receive the full Purchase Price for the purposes of the Offer.

Iris expects to consult the ATO in conjunction with RCT in relation to its CGT Withholding Tax obligations.

8.5 STAMP DUTY

RCT Unitholders will not be subject to any stamp duty in respect of their disposal of the RCT Units.

8.6 GST

RCT Unitholders will not be subject to any Australian GST in respect of their disposal of the RCT Units.

RCT Unitholders should seek their own advice to determine whether any GST incurred on costs related to the disposal of their RCT Units (for example, third party adviser fees) is recoverable from the Australian Taxation Office (in the form of 'input tax credits' or 'reduced input tax credits').

In addition, since the announcement of the Takeover Bid, Iris has received a no-objection notification from the ACCC in relation to the acquisition of all of the RCT Units.

9.2 TAKEOVER BID IMPLEMENTATION AGREEMENT

RCT has entered into the Bid Implementation Agreement with Iris.

Pursuant to the Bid Implementation Agreement, Iris agreed to make the Offer and the IBC Directors agreed to recommend the Offer, in the absence of a Superior Proposal and subject to the Independent Expert giving (and not revoking) a Reasonable Opinion.

The Bid Implementation Agreement also contains:

The Bid Implementation Agreement may also be terminated in certain circumstances including material breach by either party.

The full terms of the agreement can be viewed in the announcements made by RCT on the ASX in connection with the Offer on 28 August 2025 and is available at www.asx.com.au.

9.3 ACQUISITION OF RCSL AND CAIC

On 11 July 2025, Iris entered into separate share purchase agreements to acquire all the shares in RCSL and CAIC. The agreement in respect of RCSL was amended on 20 August 2025. This section provides further information about these acquisitions.

CAIL and Accor own each of RCSL and CAIC in equal shares. Iris has agreed to pay \$10,884,000 for all of the RCSL shares and Iris has agreed to pay \$33,000,000 for all of the CAIC shares (subject to a working capital adjustment following completion).

Subject to satisfaction or waiver of the conditions in the respective share purchase agreements, these transactions will complete on the first Business Day after the end of the calendar month immediately following the date that the Offer closes. However, if the Offer closes after the 25th day of the relevant month, the transactions will complete on the first Business Day of the second calendar month after the Offer closes.

CONDITIONS

Each of the acquisition of RCSL and CAIC are subject to the following conditions:

- (a) the Offer becomes or is declared unconditional and there is no Superior Proposal, the existence of which means Iris is entitled to receive the Target Break Fee in accordance with the Bid Implementation Agreement;
- (b) in respect of the acquisition of RCSL, the CAIC acquisition becomes unconditional, and in respect of the acquisition of CAIC, the RCSL acquisition becomes unconditional;
- (c) in respect of the acquisition of CAIC, neither the Casino Licence nor the Cairns Casino Agreement is revoked or varied in a way which materially and adversely alters the way in which RCT and CAIC are entitled to conduct their business;
- (d) in respect of the acquisition of CAIC, the Operating Agreement is not terminated or varied in a way which materially and adversely alters the way in which CAIC is entitled to conduct its business;
- (e) the Queensland Government Approvals outlined in section 9.1 are obtained;

- (g) there are no regulatory actions or other action taken by any Government Agency which makes the transaction incapable of proceeding.

The parties have each agreed to use their best endeavours to fulfil the conditions under each share purchase agreement. In addition, since announcement of the Takeover Bid, Iris has received a no-objection notification from the ACCC in relation to the acquisition of RCSL and CAIC.

TERMINATION

The parties to the respective share purchase agreements may terminate the agreements in the following circumstances:

- (a) failure by a party to complete; and
- (b) material unremedied breach of the agreement including for breach of any Fundamental Warranties (as defined below), but excluding any other breach of any other warranty by the other party.

Fundamental Warranties are the warranties given in respect of RCSL and CAIC (as the case may be) by CAIL and Accor in the share purchase agreements for RCSL and CAIC in respect of the following matters for both RCSL and CAIC: the company's incorporation and existence, RCSL and CAIC's incorporation and authority to enter into the agreement, and title to the shares being acquired and capacity for the shares to be transferred.

GUARANTORS

Radayla Pty Ltd as trustee for the Radayla Family Trust is guaranteeing the obligations of Iris as buyer under the share purchase agreements to acquire all the shares in RCSL and CAIC. AAPC Limited is guaranteeing the obligations of Accor and Casinos Austria International Holding GmbH is guaranteeing the obligations of CAIL as sellers under the share purchase agreements to acquire all the shares in RCSL and CAIC.

EXCLUSIVITY

The share purchase agreements also include 'no shop' and 'no talk' restrictions on CAIL and Accor in respect of the shares the subject of the share purchase agreements. The 'no talk' restriction does not apply where the exception to the 'no talk' restriction in the Bid Implementation Agreement applies to a competing proposal.

The share purchase agreements for RCSL and CAIC also contain usual conduct of business restrictions and other terms customary for transactions of this nature.
