Some of the statements to be made at the web-conferences described in this announcement may be forward-looking statements. You should be aware that such statements are only predictions and are subject to inherent risks and uncertainties. Those risks and uncertainties include factors and risks specific to the industries in which Raiden operates and proposes to operate as well as general economic conditions, prevailing exchange rates and interest rates and conditions in the financial markets, among other things. Actual events or results may differ materially from the events or results expressed or implied in any forward-looking statement. No forward-looking statement is a guarantee or representation as to future performance or any other future matters, which will be influenced by a number of factors and subject to various uncertainties and contingencies, many of which will be outside Raidens's control.

The Company does not undertake any obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events. No representation or warranty, express or implied, is made as to the fairness, accuracy, completeness or correctness of the information, opinions or conclusions contained in the presentations and Q&A sessions. To the maximum extent permitted by law, none of Raiden, its directors, employees, advisors or agents, nor any other person, accepts any liability for any loss arising from the use of the information relayed during the web conferences. You are cautioned not to place undue reliance on any forward-looking statement. The forward-looking statements in this announcement reflect views held only as at the date of the presentation and webinar/web-conference.

This announcement and the attendance of the webinars is not an offer, invitation, or recommendation to subscribe for, or purchase securities by the Company. Nor does this announcement or the contents of the statements at the web-conferences constitute investment or financial product advice (nor tax, accounting, or legal advice) and is not intended to be used for the basis of making an investment decision. Investors should obtain their own advice before making any investment decision.

The material to be presented at the webinar also contains a disclaimer, which you should also consider and pay attention to.

About Raiden Resources

Raiden Resources Limited . . (ASX:RDN / DAX:YM4) is a dual listed base metal—gold exploration Company focused on the emerging and prolific Tethyan metallogenic belt in Eastern Europe and has established a significant exploration footprint in Serbia and Bulgaria. In 2021 Raiden executed a transaction to purchase a highly prospective portfolio of gold, copper, nickel, and PGE projects in the Pilbara region of Western Australia.

The Directors believe that the Company is well positioned to unlock value from this exploration portfolio and deliver a significant mineral discovery
