 - There is no reason why the +securities should not be granted +quotation.
 - An offer of the +securities for sale within 12 months after their issue will not require disclosure under Section 707(3) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty
 - Section 724 of the Corporations Act does not apply to any applications received by us in relation to any +securities to be quoted and that no-one has any right to return any +securities to be quoted under Section 737 or 738 of the Corporations Act at the time that we request that the +securities be quoted.
- 3 We will indemnify ASX to the fullest extent permitted by law in respect of any claim, action or expense arising from, or connected with, any breach of the warranties in this agreement.
- 4 We give ASX the information and documents required by this form. If any information or document is not available now, we will give it to ASX before +quotation of the +securities begins. We acknowledge that ASX is relying on the information and documents. We warrant that they are (will be) true and complete.
- 5 We will comply with the listing rules that are in force from time to time, even if +quotation of our +securities is deferred, suspended or subject to a +trading halt.

ASX may at any time vary or revoke a decision on our application or of its own accord.
- 8 A document given to ASX by an entity, or on its behalf, becomes and remains the property of ASX to deal with as it wishes, including copying, storing in a retrieval system, transmitting to the public, and publishing any part of the document and permitting others to do so. The documents include a document given to ASX in support of the listing application or in compliance with the listing rules.

- We will satisfy the +SCH +technical and performance requirements and meet any other requirements +SCH imposes in connection with +CHESS approval of our +securities.
 - When +securities are issued we will enter them in the +CHESS subregister holding of the applicant before they are quoted, if the applicant instructs us on the application form to do so.
