# EXPLANATORY STATEMENT

## Purpose of Information

This Explanatory Statement ("Statement") accompanies and forms part of the Company's Notice of General Meeting ("Notice") for the 2025 General Meeting ("Meeting") to be held at ShineWing Australia, Level 10, 530 Collins Street, Melbourne VIC 3000 on Friday, 30 May 2025 at 11:00am (AEST).

The Notice incorporates, and should be read together, with this Statement.

## Resolution 1: Ratification of Prior Issue of 72,000,000 Shares under Placement

### Background

On 12 March 2025 the Company announced that it has received firm commitments to raise \$2,000,000 through the issue of 80,000,000 fully paid ordinary shares ("Shares") at an issue price of \$0.025 (2.5 cents) per Share ("Placement") pursuant to Section 708 of the Corporations Act (Cth) ("Corporations Act"). As part of the Placement, participant were also offered one free attaching unlisted option ("Options") in the Company, exercisable at \$0.03 (3 cents) each, expiring 31 March 2027, for every new Share subscribed. The Placement was Lead Managed by Euroz Hartleys Limited, who were also issued 17,650,000 Options as part of their fee.

The Placement would be carried out in two Tranches, with Tranche 1 consisting of 72,000,000 Shares and 72,000,000 Options issued to sophisticated investors and Tranche 2 to consisting of 8,000,000 Shares and 8,000,000 Options to be issued to Directors of the Company.

The 72,000,000 Shares as part of Tranche 1 were issued without shareholder approval under Rimfire's ASX Listing Rule 7.1 placement capacity on 21 March 2025. The Company is seeking ratification of the issue of the Placement Shares under Resolution 1.

### ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over a twelve (12) month period to fifteen percent (15%) of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Placement Shares does not fall within any of those exceptions and, as it has not been approved by the Company's shareholders, it effectively uses up part of the Company's fifteen percent (15%) placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the twelve (12) months following the date of issue of the Placement Shares.

ASX Listing Rule 7.4 provides that an issue under ASX Listing Rule 7.1 is treated as having been made with shareholder approval if the issue did not breach ASX Listing Rule 7.1 and shareholders of the company subsequently approve it. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

Resolution 1 is an ordinary resolution. If Resolution 1 is passed, the 72,000,000 Shares will be excluded in calculating the Company's 15% Placement Facility, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the Placement issue date. If Resolution 1 is not passed, the 72,000,000 Shares will be included in calculating the Company's 15% Placement Facility, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the Placement issue date.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- a) the total number of fully paid ordinary shares in the Company that were issued is 72,000,000;
- b) the Shares were issued at an issue price of \$0.025 (2.5 cents) per Share;
- c) the Shares allotted and issued rank pari passu with all existing securities of their class;

- d) the Shares were issued on 21 March 2025;
- e) the Shares were allotted and issued to sophisticated investors eligible under section 708 of the Corporations Act 2001 (Cth), identified through the book build process. There were no participants in the Placement that were investors required to be disclosed under ASX Guidance Note 21;
- f) funds raised from the Placement will be used to underpin high impact near term scandium drilling programs at Currajong, Murga and Rabbit Trap, as well as providing additional working capital.

### ***Board Recommendation***

The Board recommends that shareholders vote in favour of this Resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

### ***Voting Exclusions***

A voting exclusion statement for this resolution is set out in Note 6 above.

## **Resolution 2: Ratification of Prior Issue of 72,000,000 Free Attaching Unlisted Options under Placement**

### ***Background***

As noted above in Resolution 1, the Company is seeking shareholder approval to ratify the issue of 72,000,000 Options issued on 21 March 2025, to sophisticated investors, who participated in the Placement, as a free attaching option, under the terms of the Placement announced on 12 March 2025.

The Options were issued without shareholder approval under the Company's existing Placement Capacity under ASX Listing Rule 7.1.

### ***ASX Listing Rules***

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over a twelve (12) month period to fifteen percent (15%) of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the 72,000,000 Options does not fall within any of those exceptions and, as it has not been approved by the Company's shareholders, it effectively uses up part of the fifteen percent (15%) limit in Listing Rule 7.1. This reduces the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the twelve (12) months following the date of issue of the Unlisted Options.

ASX Listing Rule 7.4 provides that an issue under ASX Listing Rule 7.1 is treated as having been made with shareholder approval if the issue did not breach ASX Listing Rule 7.1 and shareholders of the Company subsequently approve it. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company now seeks Shareholder ratification of the issue pursuant to ASX Listing Rule 7.4 in order to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

If Resolution 2 is approved, the prior issue of the 72,000,000 Options may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore be able to issue additional equity securities without the Options the subject of Resolution 2 counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1.

If Resolution 2 is not approved, the prior issue of 72,000,000 Options will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1, which will limit the Company's future placement capacity under Listing Rule 7.1 over the 12 month period.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- a) the total number of Options in the Company that were issued is 72,000,000 unlisted options;
- b) the Options were issued for Nil consideration, as a free attaching Option pursuant to the terms of the Placement;
- c) a summary of the terms of the Options are as follows:
  - 72,000,000 Unlisted Options exercisable at \$0.03 (3 cents) each, expiring on 31 March 2027, with each Option exercisable into one (1) fully paid ordinary share in the Company if the option is exercised.

The full terms and conditions of the Options are set out in Annexure A.

- d) the Options were issued on 21 March 2025;
- e) the Options were allotted and issued to sophisticated investors, who participated in the Placement. There were no participants in the Placement that were investors required to be disclosed under ASX Guidance Note 21; and
- f) the Options were issued as part of the Placement in the form of free-attaching unlisted options and therefore no funds will be raised from the issue of the Options. However, fund raised from the exercise of the Options are intended to be used as general working capital of the Company.

### ***Board Recommendation***

The Board recommends that shareholders vote in favour of this Resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

### ***Voting Exclusions***

A voting exclusion statement for this resolution is set out in Note 6 above.

### **Resolution 3: Ratification of Prior Issue of 17,650,000 Options issued to Lead Manager (and/or their nominee)**

#### ***Background***

As noted above in Resolution 1, the Company is seeking shareholder approval to ratify the issue of 17,650,000 Options issued on 21 March 2025, to the Lead Manager, Euroz Hartleys Limited (or their nominee), under the terms of the Placement announced on 12 March 2025.

The 17,650,000 Lead Manager Options were issued without shareholder approval under Rimfire's ASX Listing Rule 7.1 placement capacity on 21 March 2025. The Company is seeking ratification of the issue of the Options under Resolution 3.

#### ***ASX Listing Rules***

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over a twelve (12) month period to fifteen percent (15%) of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the 17,650,000 Options does not fall within any of those exceptions and, as it has not been approved by the Company's shareholders, it effectively uses up part of the fifteen percent (15%) limit in Listing Rule 7.1. This reduces the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the twelve (12) months following the date of issue of the Unlisted Options.

ASX Listing Rule 7.4 provides that an issue under ASX Listing Rule 7.1 is treated as having been made with shareholder approval if the issue did not breach ASX Listing Rule 7.1 and shareholders of the company subsequently approve it. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

Resolution 3 is an ordinary resolution. If Resolution 3 is approved, the prior issue of the 17,650,000 Options may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore be able to issue additional equity securities without the Options the subject of Resolution 3 counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1.

If Resolution 3 is not approved, the prior issue of 17,650,000 Options will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1, which will limit the Company's future placement capacity under Listing Rule 7.1 over the 12 month period.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- a) the total number of Options in the Company that were issued is 17,650,000 unlisted options;
- b) the Options were issued at an issue price of \$0.00001 per Option, as part consideration for the provision of Lead Manager services in connection with the Placement announced on 12 March 2025;
- c) a summary of the terms of the Options are as follows:
  - 17,650,000 Unlisted Options exercisable at \$0.03 (3 cents) each, expiring on 31 March 2027, with each Option exercisable into one (1) fully paid ordinary share in the Company if the option is exercised.

The full terms and conditions of the Options are set out in Annexure A.

- d) the Options were issued on 21 March 2025;
- e) the Options were allotted and issued to Euroz Hartleys Limited (or their nominee);
- f) the purpose of the issue is part consideration for the provision of Lead Manager services in connection with the Placement announced on 12 March 2025; and
- g) the Options were issued as part consideration for service provided, and therefore no funds will be raised from the issue of the Options. However, fund raised from the exercise of the Options are intended to be used as general working capital of the Company.

### ***Board Recommendation***

The Board recommends that shareholders vote in favour of this Resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

### ***Voting Exclusions***

A voting exclusion statement for this resolution is set out in Note 6 above.

## **Resolution 4: Ratification of Prior Issue of 3,688,302 Shares**

### ***Background***

On 4 December 2024 the Company announced that it had entered into an underwriting agreement with Euroz Hartleys Limited (Underwriter) pursuant to which the Underwriter agreed to underwrite up to 82,333,332 unlisted Options to acquire fully paid ordinary shares in the capital of the Company, at an exercise price of \$0.02 (2 cents) expiring 28 February 2025 (2 cent Unlisted Options), which upon exercise would raise \$1.65million.

Certain holders of the 2 cent Unlisted Options elected to exercise their 2 cent Unlisted Options prior to the expiry date of 28 February 2025. On 5 March 2025, the Company issued 36,333,332 Shares in respect of the exercised 2 cent Unlisted Options. 46,000,000 2 cent Unlisted Options were not exercised prior to the expiry date of 28 February 2025 and were cancelled.

On 19 March 2025 the Company issued 46,000,000 shares which were subscribed for by the Underwriter.

In accordance with the Underwriting Agreement, the Company issued 3,688,302 Shares to the Underwriter or its nominee as consideration for its underwriting commitments (Fee Shares).

The 3,688,302 Fee Shares were issued without shareholder approval under Rimfire's ASX Listing Rule 7.1 placement capacity on 19 March 2025. The Company is seeking ratification of the issue of the Fee Shares under Resolution 4.

### ***ASX Listing Rules***

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over a twelve (12) month period to fifteen percent (15%) of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Fee Shares does not fall within any of those exceptions and, as it has not been approved by the Company's shareholders, it effectively uses up part of the Company's fifteen percent (15%) placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the twelve (12) months following the date of issue of the Fee Shares.

ASX Listing Rule 7.4 provides that an issue under ASX Listing Rule 7.1 is treated as having been made with shareholder approval if the issue did not breach ASX Listing Rule 7.1 and shareholders of the company subsequently approve it. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

Resolution 4 is an ordinary resolution. If Resolution 4 is passed, the 3,688,302 Fee Shares will be excluded in calculating the Company's 15% Placement Facility, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the Fee Shares issue date. If Resolution 4 is not passed, the 3,688,302 Fee Shares will be included in calculating the Company's 15% Placement Facility, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the Fee Shares issue date.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- a) the total number of fully paid ordinary shares in the Company that were issued is 3,688,302;
- b) the Shares were issued at a deemed issue price of \$0.026787 per Share;
- c) the Shares allotted and issued rank pari passu with all existing securities of their class;
- d) the Shares were issued on 19 March 2025;
- e) the Shares were allotted and issued to Euroz Hartleys Limited (or their nominee);
- f) there were no funds raised from the issuance of the Fee Shares. The Fee Shares were issued as the Underwriting Fee under the Underwriting Agreement, being 6% of the Underwritten Amount.

### **ASX Listing Rules**

Listing Rule 10.11 requires a listed Company to obtain shareholder approval by ordinary resolution prior to the issue of securities to a related party of the Company. Approval pursuant to Listing Rule 7.1 is not required in order to issue the securities to the Directors as approval is being obtained under Listing Rule 10.11.

If Resolutions 5 and 6 are passed, the Company will be able to proceed with the issue, and each of Mr Ian McCubbing and Mr Andrew Knox (and/or their nominee(s)) will receive a total of 8,000,000 Shares at an issue price of \$0.025 (2.5 cents) per share and 8,000,000 free attaching Options.

If all or any of Resolutions 5 and 6 are not passed, the Company will not proceed with the issue of the Shares and Options to the applicable party, and the applicable party (or their nominee(s)) will not receive the Shares as described above.

If approvals are given under ASX Listing Rule 10.11, approvals are not required under ASX Listing Rule 7.1.

The following information is given under ASX Listing Rule 10.13 in respect of the proposed issues of Shares and Options to each Director under Resolutions 5 and 6 (respectively):

- the proposed recipients are Mr Ian McCubbing and Mr Andrew Knox each of whom is a Director of the Company, or their respective nominees (each of which would be an associate of the respective Director);
- each of the proposed recipients are related parties of the Company as Mr Ian McCubbing and Mr Andrew Knox are Directors of the Company and thus fall into ASX Listing Rule 10.11.1;
- the number and class of securities to be issued are 8,000,000 Shares and 8,000,000 Options are proposed to be issued as per the table above. The 8,000,000 shares will be escrowed for a period of 12 months from the date of issue of the Shares;
- the date by which the Company will issue the securities will be no later than one (1) month after the date of this Meeting (or such later date as may be approved by ASX);
- the issue price of the Shares will be \$0.025 (2.5 cents) per Share;
- the Options are to be issued with an exercise price of 0.03 (3 cents) each, expiring on 31 March 2027. The material terms of Options are as set out in Annexure A;
- the Options will be issued as part of the Placement in the form of free-attaching unlisted options and therefore no funds will be raised from the issue of the Options. However, fund raised from the exercise of the Options are intended to be used as general working capital of the Company; and
- funds raised from the Placement will be used to underpin high impact near term scandium drilling programs at Currajong, Murga and Rabbit Trap, as well as providing additional working capital.

***Board Recommendation***

The Board (with the respective Director abstaining in relation to the relevant Resolution regarding their own proposed Shares and Options) recommends that shareholders vote in favour of Resolutions 5 and 6.
