6 Purpose of the issue
(If issued as consideration for the acquisition of assets, clearly identify those assets)

The shares are to be issued as final consideration (third and fourth tranche referred to in the previous issue announced on 10 January 2003) for the acquisition by Reckon Limited from DJZ Investments Pty Limited of all the issued shares in Electronic Business Management Software Pty Limited, the owner of the intellectual property in the WorkFlow Manager Software.

Owing to the application of Accounting Standard AASB1015 (Acquisition of Assets) the issue of shares as consideration for acquisition of an asset must be recorded as a cost to the company at their market price as at the date of their issue. The company wishes to bring forward the incurring of this cost by issuing the above mentioned remaining tranches of shares subject to the conditions mentioned below.

Subject to the terms of a voluntary escrow agreement, one parcel of one million (1,000,000) shares will be released from a holding lock on 8 January 2004 and the other parcel of one million (1,000,000) shares will be released from a holding lock on 8 January 2005. If the WorkFlow Manager Software is no longer being utilised by Reckon Limited in its product line as at either or both of these dates, an adjustment to the purchase consideration is due to be made by the vendor, DJZ Investments Pty Limited. In such circumstances a parcel of shares may not be released from escrow until the relevant adjustment is made by way of (a cash) refund to Reckon Limited.

During the escrow period DJZ Investments Pty Limited or any persons who control it may not: dispose of, or agree or offer to dispose of the shares; create or agree or offer to create, any security interest in the shares; do or omit to do, any act if the act or omission would have the effect of transferring effective ownership or control of the shares.
