A stylized illustration of a city skyline on the left side of the slide. It features several buildings in shades of blue and grey. One prominent building has a tall, thin spire with a circular globe-like structure near the top. Another building has a grid of windows. The style is flat and modern.

Business division

Reckon is an industry leader in
accounting software solutions
suitable for small to enterprise
sized business

Reckon 

Professional division

Reckon is an industry leader in practice management software to accounting practices of all sizes.

Process Automation

Reckon is an industry leader in solutions to enhance business efficiencies for accountants, lawyers and businesses in general across the globe.

Process Automation includes

- Scan, Document Management, Client Portal and Print solutions – facilitates a paperless office and office virtualisation, and is well suited for mobile workforces.
- Expense Management of all disbursement types allows for efficient cost recovery and value billing options.
- Corporate, Superannuation and HR content is delivered using online technology and data is stored electronically.

The logo for ReckonOne R is centered within a large white circle that has a thin grey border. The background of the entire image is a bright blue color with stylized white clouds at the top and bottom edges. The text 'ReckonOne' is in red, 'R' is in white on a red square, and 'One' is in grey.
