About Red Mountain Mining Limited

Red Mountain Mining (ASX: RMX) is primarily a gold explorer and project acquisition company incorporated in Australia in May 2006 and which listed on the ASX in September 2011. The Company's strategy is to unlock the potential of 'under-developed' gold and polymetallic projects in the greater Asian region by introducing Australian mining methods and improving efficiencies to gain significant production and exploration upside.

The company has recently signed a binding Share Sale Agreement to acquire significant gold resources and copper gold tenements in the Philippines. Other opportunities will be reviewed once the Philippines acquisition has been completed.
