About Red Mountain Mining Limited

Red Mountain Mining (ASX: RMX) is primarily a gold explorer and project acquisition company which listed on the ASX in September 2011. The Company's strategy is to unlock the potential of 'under-developed' gold and polymetallic projects in the greater Asian region by introducing Australian mining methods and improving efficiencies to gain significant production and exploration upside.

The Company holds direct and indirect interests in tenements in the Philippines that contain significant gold resources and several high-quality copper-gold prospects.
