

RESEARCH REPORT – BCP EQUITIES

Renascor Resources (ASX: RNU) is pleased to advise that BCP Equities has released a research report on Renascor Resources entitled “Creating Scale with Arno”.

The report focuses on the considerable potential of the Arno Graphite Project in South Australia’s Eyre Peninsula in the broader context of the global supply of graphite.

The research report, which has been commissioned by the company, is now available on our website www.renascor.com.au/reports under the Investors tab.

Background information

Renascor Resources is an Australian-based company focused on the discovery and development of economically viable mineral deposits. Renascor has an extensive tenement portfolio, holding interests in projects in key mineral provinces of South Australia, the Northern Territory and Western Australia, including significant graphite projects near Arno Bay, South Australia and at Munghlinup, Western Australia.
