Clause 7.3 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a managing director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 7.3 of the Constitution is eligible for re-election as a Director of the Company.

ASX Listing Rule 14.5 also provides that directors must hold an election of directors at each annual general meeting.

Accordingly, Robert Kirtlan, is required to and will retire from his office at the Annual General Meeting in accordance with clause 7.3 of the Constitution and being eligible, seeks re-election as a Director of the Company.

ASX Listing Rule 14.4 also provides that a Director (excluding the Managing Director) appointed to fill a casual vacancy or as an addition to the Board must not hold office (without re-election) past the next annual general meeting following the Director's appointment.

In accordance with clause 7.3(b) of the Constitution and ASX Listing Rule 14.4, since he was appointed as an addition to the Board on 17 February 2022, Mr Connelly is required to retire and being eligible for election, offers himself for re-election.

Mr Connelly is considered by the Board to be an independent Director.

Directors recommendation

The Board (other than Mr Connelly) unanimously supports the election of Mr Connelly.

On 13 May 2022, Renegade issued 10,000,000 shares (the subject of this resolution) to Sovereign at a deemed issue price of \$0.012 per Share.

Resolution 5

On 1 September 2022, Renegade entered into an investor relations and corporate communications services agreement with Republic Public Relations Pty Ltd (**Republic**).

Pursuant to the agreement, Republic agreed to accept 2,057,142 fully paid ordinary shares in Renegade Exploration Ltd in lieu of monetary consideration for one half of the total six month Minimum Fee for the Services provided under this Agreement.

On 4 October 2022, Renegade advised it had issued 2,057,142 shares in the Company at a deemed issue price of \$0.007 per Share for the provision of the services.

The Company issued these Shares without prior Shareholder approval pursuant to its 15% annual placement capacity under ASX Listing Rule 7.1.

Resolution 4 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the 10,000,000 Placement Shares issued on 13 May 2022 at a deemed issue price of \$0.012 per Share under ASX Listing Rule 7.1.

It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying the issues the subject of Resolutions 4 & 5, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval. The Company confirms that the issue and allotment of the Shares, the subject of Resolutions 4 & 5 did not breach ASX Listing Rule 7.1.

If Resolutions 4 & 5 are not passed, the issue of the Shares is still valid however it will reduce, to that extent, the Company's capacity to issue equity securities without shareholder approval under Listing Rule 7.1 for 12 months following the issue.

5.3 Information required by Listing Rule 7.5

Provided the Vesting Conditions are met or otherwise waived by the Board, a Vesting Notification will be sent to the Related Party from the Board, informing them that some or all of the Performance Rights have vested. Unless and until the Vesting Notification is issued by the Company, the Performance Rights will not be considered to have vested.

Following the issue of the Vesting Notification for the Performance Rights, the Related Party will have until the Expiry Date of the Performance Rights to convert any vested Performance Rights on the basis of one fully paid ordinary share for each vested performance Right. Any vested Performance Rights that remain unconverted after this date will automatically expire and lapse.

If the Vesting Conditions of a Performance Right are not achieved by the applicable Expiry Date, then the Performance Right will lapse. If a vested Performance Right is not exercised on or before the Expiry Date, then the Performance Right will lapse.

6.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Performance Rights to the Related Parties (or their nominees) constitutes giving a financial benefit.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of Performance Rights because the issue of Performance Rights constitutes reasonable remuneration payable to the Related Parties.

6.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of Performance Rights falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

This Resolution seeks the required Shareholder approval for the issue of the Performance Rights under and

for the purposes of Listing Rule 10.11.

6.5 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue of the Performance Rights to the Related Parties within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Performance Rights (because approval is being obtained under Listing Rule 10.11), the issue of the Performance Rights will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Performance Rights.

6.6 Technical Information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to this Resolution:

- (a) the Performance Rights will be issued to Robert Kirtlan, Mark Wallace and Mark Connelly (or their nominee) (Related Parties), who fall within the category set out in Listing Rule 10.11.1 by virtue of being a Director;
- (b) the maximum number of Performance Rights to be issued is 75,00,000 comprising:
 - (i) 15,000,000 Performance Rights to Mark Connelly (Resolution 6(a);
 - (ii) 30,000,000 Performance Right to Robert Kirtlan (Resolution 6(b); and
 - (iii) 30,000,000 Performance Rights to Mark Wallace (Resolution (6c);

- (c) the terms and conditions of the Performance Rights being issued to Messrs Kirtlan and Wallace are set out in Schedule 2;
- (d) the Performance Rights will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Performance Rights will occur on the same date;
- (e) the issue price for the Performance Rights will be nil. The Company will not receive any other consideration in respect of the issue of the Performance Rights for services provided by the Related Parties;
- (f) the purpose of the issue of the Performance Rights is to provide a performance linked incentive component in the remuneration package for Robert Kirtlan, Mark Wallace and Mark Connelly to motivate and reward their performance as a Director and to provide cost effective remuneration, enabling the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties.

- (c) The value attributable to each of the Performance Rights is set out below.

Director	Performance Right	Value per Performance Right ¹	Value of Rights
M Connelly	15,000,000	\$0.006	\$90,000
R Kirtlan	30,000,000	\$0.006	\$180,000

M Wallace	\$77,000	\$119,109

The Performance Rights are being issued to Mark Connelly in accordance with the terms of the letter of appointment. A summary of the material terms of the Mr Connelly's appointment letter is out in Section 6.1 above.

6.7 Directors' Recommendation

The Directors do not make any recommendation with respect to the issue of Performance Rights as such recommendation regarding the remuneration of the Directors of the Company may be a conflict of interest (as set out in ASIC guidance set out on page 25 of ASIC Regulatory Guide 76).

7. RESOLUTION 7 – APPROVAL OF 10% PLACEMENT CAPACITY

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$5.4 million (based on the number of Shares on issue and the closing price of Shares on the ASX on 12 October 2022).

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution:

7.3 Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and

- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

7.4 Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 7.4(i), the date on which the Equity Securities are issued.

7.5 Use of funds raised under the 7.1A Mandate

The Company will only issue the Equity Securities for cash consideration. The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the development of the Company's business and the acquisition of new assets or investments.

7.6 Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 12 October 2022.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.003 50% decrease in Issue Price	\$0.006 Issue Price/Current Market Price	\$0.012 100% increase in Issue Price
Current 891,683,780 Shares	Number of shares	89,168,378	89,168,378	89,168,378
	Funds raised	\$267,505	\$535,010	\$1,070,021
50% increase 1,337,526,670 Shares	Number of shares	133,752,567	133,752,567	133,752,567
	Funds raised	\$401,258	\$802,515	\$1,605,031
100% increase 1,783,367,560 Shares	Number of shares	178,336,756	178,336,756	178,336,756
	Funds raised	\$535,010	\$1,070,021	\$2,140,041

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No convertible securities (including any convertible securities issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

- (iv) Variable "A" in Listing Rule 7.1A.2 is 891,683,780.
- (v) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (vi) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vii) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes convertible securities, it is assumed that those convertible securities are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (viii) The issue price is \$0.006, being the closing price of the Shares on ASX on 12 October 2022.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

7.7 Allocation policy under the 7.1A Mandate

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

7.8 Previous approval under Listing Rule 7.1A

The Company previously obtained Shareholder approval under Listing Rule 7.1A at the 2021 annual general meeting on 30 November 2021. No securities have been issued under LR 7.1A since approval was previously received.

7.9 Voting Exclusion

A voting exclusion statement is not included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

7.10 Directors' Recommendation

The Directors unanimously recommend Shareholders vote in favour of Resolution 7.

8. RESOLUTION 8 – APPROVAL OF EMPLOYEE SECURITIES INCENTIVE PLAN

8.1 General

On 1 October 2022, amendments to the Corporations Act will commence, simplifying the process for incentivising participants under employee share schemes (**ESS**). Division 1A will be introduced into Part 7.12 of the Corporations Act, providing a new regime for the making of offers in connection with an ESS (**New Regime**). This regime will

replace the current relief afforded by ASIC Class Order 14/1000 (**Class Order**), which has been in force since 30 October 2014.

To ensure that the Company's ESS complies with the New Regime, the Company will adopt, subject to Shareholder approval, a new ESS called the '**Renegade Exploration Limited Employee Securities Incentive Plan**' (the **New Plan**).

Resolution 8 seeks Shareholder approval of the New Plan in accordance with Listing Rule 7.2 exception 13(b).

Under the New Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Equity Securities in the Company as the Board may decide and on the terms set out in the rules of the New Plan. A summary of the key terms of the New Plan is provided in Schedule 3. In addition, a copy of the New Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. Shareholders are invited to contact the Company if they have any queries.

1.2 Key changes between the Class Order and New Regime

The following table summarises the key changes that will be implemented by the New Regime for "Invitations" (within the meaning given in the New Plan) made on or after 1 October 2022. These changes are reflected in the New Plan.

	Current position under the Class Order	Position from 1 October 2022
Disclosure obligations	The Class Order mandates certain information that must be provided to ESS participants. There is no difference between the disclosure requirements where ESS interests are offered for monetary consideration or for no monetary consideration.	If the offer of ESS interests is for no monetary consideration: There are no prescribed disclosure obligations, other than a statement that the offer is made under Division 1A. If the offer of ESS interests is for monetary consideration: - Certain prescribed disclosure requirements apply. These disclosure requirements are similar (although different) to the current disclosure requirements under the Class Order. - The participant cannot acquire the ESS interests until 14 days after receiving the above disclosure. This mandates a waiting period ensuring a participant has time to consider their decision and seek legal financial advice. - Any associated trust, contribution plan and loan arrangement will need to comply with specified requirements.
Eligible participants	- Directors; - Full-time and part-time employees; - Casual employees and contractors, provided they work the number of hours that are the pro-rata equivalent of 40% or more of a comparable full-time position with the entity.	- Directors; - Full-time and part-time employees; - Any service providers to the entity (with no minimum requirement of hours of service provided); - Certain 'related persons' to the above.

	Current position under the Class Order	Position from 1 October 2022
5% limit	The maximum number of ESS interests that can be issued under the Class Order relief over a three-year period is 5% of the issued share capital.	If the offer of ESS interests is for no monetary consideration: There is no limit on the number of such ESS interests that may be issued. If the offer of ESS interests is for monetary consideration: The number of ESS interests issued over a three-year period must not exceed 5% of the issued share capital. Entities may specify a different issue cap in their constitution.
Quotation requirement	An entity's shares must have been quoted for three months before the Class Order relief is available.	Newly listed entities can offer ESS interests under the new regime without any minimum quotation period. This will make it much simpler for newly listed entities to offer ESS interests.
Suspension	For the Class Order relief to be available, the entity's shares must not have been suspended for more than 5 days over the previous 12 months.	The new regime permits an entity to offer ESS interests regardless of any suspension to the trading of its shares.
On-sale relief	Relief is provided from the on-sale provisions for securities issued under the Class Order.	There is no equivalent relief under the new provisions. This means cleansing notices (or cleansing prospectuses for entities unable to must be issued in order to ensure shares may be on-sold within 12 months of issue.
ASIC involvement	A 'Notice of Reliance' must be submitted to ASIC to rely on the Class Order relief.	There are no ASIC lodgement requirements. ASIC has the power to require the provision of documents necessary in order to form an opinion about whether the regime has been complied with. ASIC has also been given express enforcement powers including the ability to issue 'stop orders'.
Criminal offences	N/A	New ESS related criminal offences have been introduced regarding certain misleading or deceptive statements or omissions.

8.2 Listing Rules 7.1 and 7.2, exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2, exception 13(b), provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

Listing Rule 7.2, exception 13(b), ceases to be available to the Company if there is a material change to the terms of the Plan from those set out in this Notice.

If Resolution 8 is passed, the Company will be able to issue Equity Securities under the New Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of three years up to a nominated maximum amount without using the Company's 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the New Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If Resolution 8 is not passed, any issue of Equity Securities pursuant to the New Plan must either be undertaken using the Company's 15% annual placement capacity under Listing Rule 7.1, or with prior Shareholder approval.

8.3 Specific information required by Listing Rule 7.2, exception 13(b)

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to the New Plan:

- (a) A summary of the material terms of the New Plan is in Schedule 3.
- (b) As at the date of this Notice, no Equity Securities have been issued under the New Plan.
- (c) The Company does not currently have an existing employee securities incentive plan. The maximum number of Equity Securities permitted to be issued under the New Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of Resolution 8 is 89,168,378 (subject to adjustment in the event of a reorganisation of capital and further subject to applicable laws and the Listing Rules). This number comprises approximately 10% of the Company's Equity Securities currently on issue.
- (d) A voting exclusion statement is included in the Notice.

8.4 Additional information

Resolution 8 is an ordinary resolution.

8.5 Directors' Recommendation

The Directors unanimously recommend Shareholders vote in favour of Resolution 8.

9. RESOLUTION 9 – APPROVAL OF POTENTIAL TERMINATION BENEFITS UNDER THE PLAN

9.1 General

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'. The Listing Rules also provides certain limitations on the payment of 'termination benefits' to officers of listed entities.

As is common with employee incentive schemes, the New Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities granted to a participant under the New Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. This 'accelerated vesting' of Plan Securities may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained.

If Resolution 9 is not passed, the Company will not be able to offer 'termination benefits' to persons who hold a 'managerial or executive office' pursuant to the terms of the New Plan.

9.2 Part 2D.2 of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by Shareholders in accordance with section 200E of the Corporations Act.

Subject to Shareholder approval of Resolution 8, Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the New Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

As noted above, under the terms of the New Plan and subject to the Listing Rules, the Board possesses the discretion to vary the terms or conditions of the Plan Securities. Notwithstanding the foregoing, without the consent

of the participant in the New Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities.

The exercise of this discretion by the Board may constitute a 'benefit' for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the New Plan who holds:

- a. a managerial or executive office in, or is an officer of, the Company (or subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and
- b. Plan Securities at the time of their leaving.

9.3 Valuation of the termination benefits

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give under the New Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

- (e) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases; and
- (f) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to, without first obtaining shareholder approval, termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

9.4 Additional information

Resolution 9 is conditional on the passing of Resolution 8.

If Resolution 8 is not approved at the Meeting, Resolution 9 will not be put to the Meeting. Resolution 9 is an ordinary resolution.

9.5 Directors' Recommendation

The Board declines to make a recommendation in relation to Resolution 9 due to their potential personal interests in the outcome of the Resolution.

10. OTHER BUSINESS

Management is not aware of any other business to come before the Meeting other than as set forth in the accompanying Notice. If any other business properly comes before the Meeting, it is the intention of the persons named in the form of proxy to vote the Shares represented thereby in accordance with their best judgement on such matter.

INSTRUCTIONS FOR COMPLETING PROXY FORM

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
 - **(Individual):** Where the holding is in one name, the Shareholder must sign.
 - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
 - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:

SCHEDULE 3 – SUMMARY OF EMPLOYEE SECURITIES INCENTIVE PLAN

The following is a summary of the material terms and conditions of the New Plan:

1. **(Eligible Participant):** A person is eligible to participate in the New Plan (**Eligible Participant**) if they have been determined by the Board to be eligible to participate in the New Plan from time to time and are an “ESS participant” (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company.

This relevantly includes, amongst others:

- (a) an employee or director of the Company or an individual who provides services to the Company;
- (b) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
- (c) a prospective person to whom paragraphs (a) or (b) apply;
- (d) a person prescribed by the relevant regulations for such purposes; or
- (e) certain related persons on behalf of the participants described in paragraphs (a) to (d) (inclusive).

2. **(Maximum allocation):**

- (a) The Company must not make an offer of Securities under the New Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:
 - (i) the total number of Plan Shares (as defined in paragraph 13 below) that may be issued or acquired upon exercise of the convertible securities offered; plus
 - (ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the New Plan at any time during the previous 3 year period,would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company’s Constitution from time to time.

3. **(Purpose):** The purpose of the New Plan is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

4. **(Plan administration):** The New Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the New Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.

5. **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the New Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the New Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an

Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

6. **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the New Plan rules and any ancillary documentation required.
7. **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the New Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

8. **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
9. **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the New Plan rules, or such earlier date as set out in the New Plan rules.

10. **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the New Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
11. **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the New Plan rules: any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

12. **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
13. **(Rights attaching to Plan Shares):** All Shares issued under the New Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, **(Plan Shares)** will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the New Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
14. **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.
15. **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

16. **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
17. **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the New Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the New Plan and determine that any amendments to the New Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the New Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

18. **(Plan duration):** The New Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the New Plan for a fixed period or indefinitely, and may end any suspension. If the New Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.
