ASX ANNOUNCEMENT

APPOINTMENT OF DIRECTOR

The Company is pleased to announce the appointment of Paul Mazzoni to the Board following the retirement of David Zukerman.

Mr Mazzoni is a geologist with over 40 years of wide ranging geological experience in the mining and minerals industry. He holds a Bachelor of Science from Melbourne University, and a Master of Science (Mineral Exploration) from Queens University, Ontario. He is a qualified mineral property valuator as defined in the VALMIN code, as well as being a former member of the Western Australia Chamber of Mines Exploration Council.

Mr Mazzoni joined Western Mining Corporation as a geologist in 1973. He remained with Western Mining Corporation throughout the majority of his working career, rising to the position of Geoscience Manager Group Projects. From 2007 until 2013 Mr Mazzoni was Chief Geologist at Coffey Mining, an international mining consultancy group.

Mr Mazzoni brings a wealth of experience and expertise to the Board. Mr Mazzoni will take the place of David Zukerman who has decided to retire. The Board and staff of Sabre Resources Ltd would like to thank David Zukerman for his valued contribution to the Company over the past 10 years and to wish him well in his retirement.
