QIB's key achievements since FY21

None of us is as good as all of us, joining **TOGETHER** has enabled us to achieve more

PEOPLE

- Increased staff numbers from 84 to 297
- Improved employee engagement score (eNPS) from 13 to 35
- Hubbed 5 Brisbane offices into 1 - now occupied by over 100 broking staff

PROCESS

- Reduced the number of Australian Financial Services Licenses (AFSL) from 9 to 4
- Restructured the company to reduce the number of subsidiaries from 42 to 33
- Implemented standard "best practice" broking procedures across all entities

PRODUCT

- Delivered over 5% annual organic growth in Gross Written Premium now totaling over \$500m
- Acquired 18 broking businesses which have all grown since completion
- Consolidated insurer license agreements implemented key partner carrier agreements

PLATFORM

- Migrated all 18 businesses (100,000+ policies) onto INSIGHT broking system
- Increased business package policies on SCTP from 32.6% (FY21) to 48.7% (FY24)
- Deployed 300+ new laptops and installed new modern IT networks in 25 offices

PROFIT

- EBITA growth and margin sustainability

Steadfast Australasian Broker Networks

The value of insurance broking continues to grow and remains a good investment

Strong growth in CAGR across Australian intermediated general insurance and Steadfast network market share

Steadfast Group Product and Insurer Mix – 1st Half FY25

Base Premium is up ~7% on pcp with a diversified insurer portfolio

Broker advocacy for clients is driving value to the intermediated insurance market

The Australian intermediated GI market has grown from 44% in FY15 to c.56% in FY24

Insurers have a lot of priorities to balance which increases a broker's value:

Increased prudential regulation and Shareholder ROC expectations

Conduct regulation / societal pressure to limit excessive profits

Increasing 'risk' complexity to maintain profit

Legacy technology and operational complexity

Product complexity for business insurance has not improved

The average BizPack policy is 120+ pages, which can take 3+ hrs to read

Broker usage has increased from 69% to 84% (2018 – 2025)

The rising sophistication of MGAs

Presents an attractive, trusted, efficient way for Insurers to deploy capital into segments they could not nimbly target themselves

- We are seeing an ongoing rebalancing from Insurers towards MGAs
- MGA's share increasing due to serviceability, risk appetite, relationship & channel conflict

Profitable growth focus on maintaining underwriting discipline, active retention and targeted new business

The MGA market in Australia is estimated to be \$10bn* GWP

Network gross written premium

If comparing to October 2023 APRA data, Steadfast Underwriting Agencies would be **equivalent to 6th largest Australian insurer** by GWP[^]

Steadfast Underwriting Agencies Portfolio is highly diversified providing good sustainability and growth prospects

Certain non-IFRS financial information has been included within this presentation to assist in making appropriate comparisons with prior periods and to assess the operating performance of the business. Steadfast uses these measures to assess the performance of the business and believes that the information is useful to investors. Non-IFRS information, including underlying income statement items, pro forma income statement items, underlying earnings before interest expense (after premium funding interest income and expense), tax and amortisation of acquired intangibles (EBITA), underlying NPAT, underlying net profit after tax but before (pre tax) amortisation (NPATA), underlying EPS (NPAT) (NPAT per share) and underlying EPS (NPATA) (NPATA per share), have not been subject to review by the auditors. FY13 and FY14 results are pro forma and assume the Pre-IPO Acquisitions and the IPO Acquisitions were included for the full reporting period (all of the IPO Acquisitions completed on 7 August 2013). Prior period underlying EPS (NPAT) and underlying EPS (NPATA) have been adjusted to reflect the re-basing of EPS post the February/March 2015 1:3 rights issue. All references to Aggregate refer to the 100% aggregation of all investees' results regardless of Steadfast's ownership interest. Underlying EPS (NPAT) and underlying EPS (NPATA) for FY20 have been calculated as if all shares issued in FY20 pursuant to the IBNA acquisition and PSF Rebate acquisition were issued on 1 July 2019. To ensure comparability, underlying EBITA also deducts the interest expense on lease liabilities and depreciation of right-of-use assets from 1 July 2019.
