## Notes to the consolidated financial statements

for the half-year ended 31 December 2003

### Note 1 Basis of preparation of the half-year financial report

The half-year financial report is a general-purpose financial report, which has been prepared in accordance with the requirements of the Corporations Act 2001, applicable Accounting Standards including AASB 1029 "Interim Financial Reporting" and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views).

For the purpose of preparing the half-year financial report, the half-year has been treated as a discrete reporting period.

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Company as the full financial report.

The half-year financial report should be read in conjunction with the Annual Financial Report of Intec as at 30 June 2003. It is also recommended that the half-year financial report be considered together with any public announcements made by Intec during the half-year ended 31 December 2003 in accordance with the continuous disclosure obligations arising under the Corporations Act 2001.

The Company and controlled entities generated a net loss of \$811,268 and negative cash flows from operations of \$956,431 in the half-year ended 31 December 2003 as the Company continues to work towards the commercialisation of Intec Processes. As of balance date, the Company and controlled entities had net assets of \$2,040,777 and cash balances of \$1,676,999. The continuing viability of the consolidated entity and its ability to continue as going concerns and meet their debts as they fall due in future years are dependent upon:

- (i) the Company being successful in negotiating and obtaining additional funding; and
- (ii) success in proving and commercialising the Intec Processes.

The successful raising of \$1.65 million, net of issue costs, from placement subsequent to the half-year end has aided this process.

The Directors believe that the consolidated entity will be successful in the above matters and, accordingly, have prepared the financial report on a going concern basis. The Directors regularly monitor the Company's cash position and on an on-going basis consider a number of strategic and operational plans and initiatives to ensure that adequate funding continues to be available for the Company to meet its business objectives.

The accounting policies adopted are consistent with those of the previous financial year except that as a result of applying the new accounting standard AASB1044 "Provisions, Contingent Liabilities and Contingent assets" for the first time, certain liabilities have been reclassified.

### Note 3. Contingent liabilities

Since the last annual reporting date, there has been no change of any contingent liabilities or contingent assets.

### Note 4. Events occurring after reporting date

On 31 December 2003, Intec announced that IVNL Gold Pty Ltd (now renamed Intec Hellyer Metals Pty Ltd (IHM)) had reached agreement with the Receivers and Managers of Western Metals Copper Limited (In Liquidation) for the purchase of the Hellyer Metals Project for A\$1,597,973. Formal completion of this transaction took place on 30 January 2004.

On 17 February 2004, Intec announced the approval by the Federal Government of a R&D Start Grant totalling \$1.43 million. On 20 February 2004 Intec announced a placement of 15 million ordinary shares at 11 cents to raise \$1.65 million.

The financial effects of the above transactions have not been brought to account at 31 December 2003.

No other event has occurred subsequent to 31 December 2003 requiring disclosure in, or amendment to, these financial statements.

### Note 5. Segment information

The consolidated entity operates in one business segment and one geographical segment, only being research, development and commercialisation of its hydrometallurgical technology in Australia.

## Directors' declaration

The Directors declare that the financial statements and notes set out on pages 2 to 6:

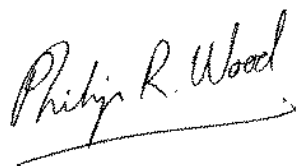

- (a) comply with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements, and
- (b) give a true and fair view of the consolidated entity's financial position as at 31 December 2003 and of its performance, as represented by the results of its operations and its cash flows, for the half-year ended on that date.

In the Directors' opinion:

- (a) the financial statements and notes are in accordance with the Corporations Act 2001; and
- (b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors of Intec Ltd.

On behalf of the Board

## Independent review report to the members of Intec Ltd

### Statement

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the financial report of Intec Ltd:

- does not give a true and fair view, as required by the Corporations Act 2001 in Australia, of the financial position of the Intec Group (defined below) as at 31 December 2003 and of its performance for the half-year ended on that date, and
- is not presented in accordance with the Corporations Act 2001, Accounting Standard AASB 1029: Interim Financial Reporting and other mandatory financial reporting requirements in Australia, and the Corporations Regulations 2001.

This statement must be read in conjunction with the rest of our review report.

### Scope

#### The financial report and directors' responsibility

The financial report comprises the statement of financial position, statement of financial performance, statement of cash flows, accompanying notes to the financial statements, and the directors' declaration for the Intec Group (the consolidated entity), for the half-year ended 31 December 2003. The consolidated entity comprises both Intec Ltd (the company) and the entities it controlled during that half-year.

The directors of the company are responsible for the preparation and true and fair presentation of the financial report in accordance with the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

#### Review approach

We conducted an independent review in order for the company to lodge the financial report with the Australian Securities and Investments Commission. Our review was conducted in accordance with Australian Auditing Standards applicable to review engagements.

We performed procedures in order to state whether, on the basis of the procedures described, anything has come to our attention that would indicate that the financial report does not present fairly, in accordance with the *Corporations Act 2001*, Accounting Standard AASB 1029: Interim Financial Reporting and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the consolidated entity's financial position, and its performance as represented by the results of its operations and cash flows.

We formed our statement on the basis of the review procedures performed, which included:

- inquiries of company personnel, and
- analytical procedures applied to financial data.

When this review report is included in a document containing information in addition to the financial report, our procedures include reading the other information to determine whether it contains any material inconsistencies with the financial report.

These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance provided is less than that given in an audit. We have not performed an audit, and accordingly, we do not express an audit opinion.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by directors or management.

## **Independence**

In conducting our review, we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.
