Intec Moves Sydney Headquarters

Intec Ltd (ASX code: INL) advises that it has today moved its Sydney headquarters and the registered offices of all Intec Group companies to:

Address:	Level 3, 2 Elizabeth Plaza North Sydney NSW 2060 Australia
Mailing Address:	PO Box 1507 North Sydney NSW 2059 Australia
Phone:	+61 (0)2 9925 8170
Fax:	+61 (0)2 9925 8110
Email:	mail@intec.com.au
Web Site:	www.intec.com.au

This move has been necessitated by the ever-increasing need for space at the Department of Chemical Engineering within the University of Sydney campus. For the past eight years, Intec has enjoyed an excellent relationship across the broad range of endeavours with our University colleagues and these will continue despite this new geographical separation.

In addition to our existing demonstration plant and associated technical infrastructure at Burnie, Intec's Sydney-based laboratory and pilot plant facilities have been temporarily relocated to the premises of our longstanding light mechanical engineering partners, Doyle Engineering, at 25 Ethel Avenue, Brookvale NSW 2100, pending the foreshadowed major announcement concerning the Intec Metals Recycling Project.

Yours faithfully

Intec Ltd

Philip R Wood

Managing Director and Chief Executive Officer
