EZEATM AMENDS EXCLUSIVE DISTRIBUTION AGREEMENT WITH NEOICP KOREA, INC

HIGHLIGHTS

- Ezeatm Amends Exclusive 5 Year Distribution Agreement for ATMs and ATM-related products, parts and software
- Exclusive Distribution of the ATMS and ATM-related products is now extended to include not only Australia but Indonesia and Nepal

Ezeatm Limited (**ASX:EZA**, "Ezeatm") is excited to announce that it has signed an amendment to its exclusive 5 Year Distribution Agreement for ATMs and ATM-related products, parts and software manufactured by NeolCP Korea, Inc. ("NeolCP") to include the countries of Indonesia and Nepal.

Ezeatm has been working very closely with NeolCP since the signing of the original agreement on further customization of their world leading technology to suit both the Australian and international markets.

Mr Todd Zani, Ezeatm's Chief Executive Officer said "Whilst recently in Korea, I was excited with the technology and products being developed and was convinced that the NeolCP product would enable Ezeatm to broaden its product range and target market, both in Australia and abroad. We are excited about the future and the long term benefits this will bring for Ezeatm shareholders."
