Quotation agreement

1 *Quotation of our additional *securities is in ASX's absolute discretion. ASX may quote the *securities on any conditions it decides.

2 We warrant the following to ASX.

- The issue of the *securities to be quoted complies with the law and is not for an illegal purpose.
- There is no reason why those *securities should not be granted *quotation.
- An offer of the *securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty

- Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any *securities to be quoted and that no-one has any right to return any *securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the *securities be quoted.

Material Terms and Conditions of Options

The Options will entitle the holders to subscribe for Shares in the Company on the following terms:

- (a) each Option entitles the holder, when exercised, to one (1) Share in the Company;
- (b) the Options are exercisable at any time on or prior to 5.00pm (Western Standard Time) on 30 September 2011 (**Expiry Date**) by completing an Option exercise form and delivering it together with the payment for the number of Shares in respect of which the Options are exercised to the registered office of the Company;
- (c) each option may be exercised by notice in writing to the Company during the period referred to in condition (b), accompanied by payment of 50 cents per share;
- (d) an Option does not confer the right to a change in exercise price or a change in the number of underlying shares over which the Option can be exercised;
- (e) all Shares issued upon exercise of the Options will rank pari passu in all respects with the Company's then issued ordinary shares (**Shares**). The Company will apply for the quotation on ASX of all Shares issued upon exercise of the Options;
- (f) there are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options. However, the Company will ensure that for the purposes of determining entitlements to and such issue, the record date will be at least 7 Business Days after the issue is announced. This will give Option holders the opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue; and
- (g) if at any time the issued capital of the Company is reorganised, the rights of an Option holder are to be changed to the extent necessary to comply with the Listing Rules applying to the reorganisation of capital at the time of the reorganisation.
