Company Secretary

Explanatory Memorandum

This Explanatory Memorandum has been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be conducted at the Annual General Meeting of Stealth Group Holdings Ltd (**Company** or **Stealth**).

The Directors recommend Shareholders read this Explanatory Memorandum in full before making any decision in relation to the resolutions.

Annual Financial Statements and Report

Under the Corporations Act, the directors of the Company must table the Annual Financial Report, the Directors' Report and the Auditor's Report for Stealth for the financial year ended 30 June 2025 (**2025 Annual Report**) at the Meeting. These reports, together with the Declaration of Directors, are set out in the 2025 Annual Report. Shareholders who elected to receive a printed copy of annual reports should have received the 2025 Annual Report prior to this Notice of Annual General Meeting.

In accordance with section 314 (1AA)(c) of the Corporations Act, the Company advises the 2025 Annual Report is available from the Company's website (<https://stealthgi.com/wp-content/uploads/2025/08/2936502.pdf>).

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the 2025 Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2025.

There is no requirement for Shareholders to approve the 2025 Annual Report.

At the Meeting, Shareholders will be given reasonable opportunity to:

- (a) discuss the 2025 Annual Report, which is available online;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the Auditor questions about:
 - (i) the conduct of the audit;
 - (ii) the preparation and content of the Auditor's Report;
 - (iii) accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (iv) the independence of the Auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Auditor about:

- (a) the preparation and contents of the Auditor's Report;
 - (b) the conduct of the audit of the 2025 Annual Report,
- may be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

1. Resolution 1 – Adoption of Remuneration Report

1.1. Background

Under the Corporations Act, the Company is required to include, in the Directors' Report, a detailed Remuneration Report setting out the prescribed information in relation to the remuneration of directors and executives of Stealth and the Company's remuneration practices.

Shareholders will be given reasonable opportunity at the meeting to ask questions and make comments on the Remuneration Report.

Under section 250R (2) of the Corporations Act, the Remuneration Report is required to be submitted for adoption by a resolution of Shareholders at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the Company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the Directors who were in office when the Directors' Report was approved, other than the Managing Director, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors of the Company is approved will be the Directors of the Company.

At the Company's previous annual general meeting the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

1.2. Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

The Board acknowledges that the Directors have a personal interest in some aspects of the Remuneration Report.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 1 in accordance with the express authorisation on the Proxy Form.

1.3. Voting Exclusion

In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 1:

- by or on behalf of a member of Key Management Personnel (details of whose remuneration are included in the Remuneration Report), or their Closely Related Parties, regardless of the capacity in which the votes are cast; or
- by a person who is a member of the Key Management Personnel at the date of the Meeting, or their Closely Related Parties, as a proxy.

However, votes will not be disregarded if they are cast as a proxy for a person entitled to vote on Resolution 1:

- in accordance with a written direction specifying the way the proxy is to vote on the resolution; or
- by the Chair pursuant to an express authorisation to exercise the proxy even if this Resolution is connected directly or indirectly with the remuneration of the Key Management Personnel.

2. Resolution 2 – Re-election of Director – Mr Giovanni Groppoli

2.1. Background

ASX Listing Rule 14.4 provides that, other than a Managing Director, a director of an entity must not hold office (without re-election) past the third Annual General Meeting following the director's appointment or 3 years, whichever is the longer. However, where there is more than one Managing Director, only one is entitled not to be subject to re-election.

Clause 14.2 of the Constitution requires that at the annual general meeting, one third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no director except a Managing Director shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots. A retiring director is eligible for re-election.

In determining the number of Directors to retire, no account is to be taken of:

- (a) a Director who only holds office until the next annual general meeting pursuant to Clause 14.4 of the Constitution; and/or
- (b) a Managing Director.

Accordingly, 1 Director must retire.

In accordance with Clause 14.2 of the Company's Constitution and ASX Listing Rule 14.5, Mr Giovanni Groppoli retires by rotation and being eligible, offers himself for re-election as a Director.

2.2. Mr Giovanni Groppoli's experience and background

Mr. Groppoli is the Principal of GlenForest Corporate (a boutique legal strategy, governance and board advisory firm based in Perth). He is a Fellow of the AICD.

Mr Groppoli is the Chairman of Perth Markets Group Ltd, Hunt Architects and MAD3 Consulting Engineers.

He is a former director and acting Non-Executive Chairman of Automotive Holdings Group Ltd (now Eagers Automotive Ltd). He was a partner of national law firm Deacons (now Norton Rose Fulbright) from 1987 to 2004.

Mr. Groppoli left private practice in 2005 and until 2018 was the managing director of Milner's Brand Marketing, and Aviva Mann Optical Group.

Mr. Groppoli acts as External General Counsel to Stealth and the Board considers that Mr. Groppoli is not an independent Director.

2.3. Recommendation

The Board has reviewed Mr Groppoli's performance since his appointment to the Board and considers that Mr Groppoli's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Groppoli) supports the re-election of Mr Groppoli and unanimously recommends Shareholders vote in favour of the Resolution.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 2 in accordance with the express authorisation on the Proxy Form.

3. Resolution 3 – Reinsertion of proportional takeover provisions of the Constitution

3.1. Background

The Corporations Act permits a company to include rules in its Constitution which enable the company to refuse to register a transfer of shares resulting from a proportional takeover bid unless shareholders in the bid class in a meeting approve the takeover bid. Rule 36 of the Company's Constitution contains provisions dealing with proportional takeover bids for Company shares. Under the Corporations Act, these provisions must be renewed every three years, or they will cease to have effect. The provisions set out in Rule 36 have not been renewed and have therefore expired.

The Company accordingly seeks Shareholder approval of this Resolution for the reinsertion of the proportional takeover provisions in Rule 36 of the Constitution. If approved, the proposed proportional takeover provisions will be in exactly the same terms as the expired provisions as set out in Rule 36 and will have effect for a three-year period commencing on the date of this Meeting.

The following information is provided for the purposes of Section 648G of the Corporations Act:

3.2. Proportional takeover bid

In a proportional takeover bid, the bidder offers to buy a proportion only of each shareholder's shares in the target company. This means that control of a company may pass without shareholders having the chance to sell all their shares to the bidder and the bidder may take control of the company without paying an adequate premium for gaining control. In order to address this possibility, a company may provide in its constitution that if a proportional takeover bid is made for shares in the company, shareholders must vote on whether to reject the offer or allow the proportional bid to proceed and that decision will be binding on all the shareholders.

3.3. Effect of the provisions to be renewed

If a proportional takeover bid is made, the Directors must convene a meeting of shareholders to vote on a resolution to approve the proportional bid more than 14 days before the bid period closes. The vote is decided on a simple majority. Each person who, as at the end of the day on which the first offer under the bid was made, held bid class securities is entitled to vote, but the bidder and its associates are not allowed to vote. If the resolution is rejected, the registration of any transfer of shares resulting from that proportional takeover bid will be prohibited and the bid will be deemed to be withdrawn. If the resolution is approved (or taken to have been approved), the transfers must be registered if they comply with the Corporations Act and the Company's Constitution. If the resolution is not voted on, the bid will be taken to have been approved.

The proportional takeover approval provisions do not apply to full takeover bids.

3.4. Present acquisitions proposals

At the date of this notice, no Director is aware of a proposal by a person to acquire, or to increase, a substantial interest in the Company.

3.5. Advantages and disadvantages of the proportional takeover approval provisions during the period in which they have been in effect

While the proportional takeover approval provisions were in effect, there were no full or proportional takeover bids for the Company. Therefore, there has been no example against which to review the advantages or disadvantages of the provisions for the Directors and the shareholders, respectively, during this period, other than the potential advantages and disadvantages for Shareholders set out below.

3.6. Potential advantages and disadvantages for the Directors and Shareholders of the Company

The inclusion of the proportional takeover provisions will enable the Directors to formally ascertain the views of the Shareholders in respect of a proportional takeover bid. Without such provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that there are no potential advantages or disadvantages for the Directors in renewing the proposed proportional takeover approval provisions. In particular, there is no restriction on their ability to make a recommendation on whether a proportional takeover bid should be accepted.

Potential advantages to Shareholders of the inclusion of proportional takeover provisions in the Company's Constitution include:

- Shareholders have the right to determine by majority vote whether a proportional takeover bid should proceed;
- the provisions may assist Shareholders to avoid being locked in as a minority, and from suffering potential further loss if the takeover bid were to cause a decrease in the Share price or otherwise make the Shares less attractive, and therefore more difficult to sell;
- increase in Shareholders' bargaining power which may assist in ensuring that any proportional takeover bid is adequately priced; and
- knowing the view of the majority of Shareholders assists each individual shareholder in assessing the likely outcome of the proportional takeover bid and whether to accept or reject an offer under the bid.

The potential disadvantages to Shareholders of the inclusion of proportional takeover provisions in the Company's Constitution include:

- the likelihood of a proportional takeover bid being successful may be reduced and the provisions may discourage the making of a proportional takeover bids in respect of the Company;
- the provisions may reduce the opportunities which Shareholders may have to sell all or some of their shares at a premium to persons seeking control of the Company and may reduce any takeover speculation element in the Company's share price; and
- the provisions may be considered an additional restriction on the ability of individual shareholders to deal freely in their shares.

The Directors consider that the potential advantages for shareholders of the proportional takeover approval provisions outweigh the potential disadvantages. In particular, the Directors consider that Shareholders should have the opportunity to vote on a proposed proportional takeover bid. In the absence of Clause 36 (as previously adopted), a proportional takeover bid for the Company may enable effective control of the Company to be acquired by a party who has not offered to acquire 100 per cent of the Company's shares (and, therefore, has not offered to pay a 'control premium' that reflects 100 per cent ownership).

3.7. Special Resolution

Resolution 3 is a **special** resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must vote in favour of Resolution 3 for it to be passed.

3.8. Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

The Chair intends to vote all undirected proxies in favour of Resolution 3.

4. Resolution 4 – Ratification of prior issue of Shares under Listing Rule 7.1 - Placement

4.1. Background

On 30 April 2025 the Company raised \$7.5m before capital raising costs upon the issue of 12,500,000 fully paid ordinary shares (ranking pari passu with, and otherwise on the same terms as, existing fully paid ordinary shares) to institutional and sophisticated investors at an issue price of \$0.60 per share (**Placement**).

4.2. ASX Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company may issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Placement does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the Placement.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the listed company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 4 seeks the approval of Shareholders for the prior issue of the Placement under and for the purposes of Listing Rule 7.4.

4.3. Technical information required by ASX Listing Rule 14.1.A

If Resolution 4 is passed, the Placement will be excluded in calculating the Company's 15% limit in Listing Rules 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Placement. By ratifying this issue, the Company will retain the flexibility to issue Equity Securities in the future up to the annual placement capacity set out in Listing Rule 7.1 with the requirement to obtain prior Shareholder approval.

If Resolution 4 is not passed, the Placement will be included in calculating the Company's 15% limit in Listing Rules 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Placement.

4.4. Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 4:

4.4.1. The number and class of securities the entity issued

A Total of 12,500,000 Shares were issued using the Company's 15% limit under Listing Rule 7.1

The Shares issued were all fully paid ordinary shares in the capital of the Company, issued on the same terms and conditions as the Company's existing Shares.

4.4.2. The price or other consideration the entity has received for the issue

The Shares were issued at an issue price of \$0.60 per share. The Company has not and will not receive any other consideration for the issue of Shares under the Placement.

4.4.3. The date or dates on which the securities were issued

The Shares were issued on 30 April 2025.

4.4.4. The names of the persons to whom the entity issued the securities or the basis on which those persons were identified or selected

The Shares were issued to various sophisticated and professional investors who are clients of the Lead Manager, MST Financial Services Pty Ltd. The recipients were identified through a bookbuild process, which involved the Lead Manager seeking expressions of interest to participate in the capital raising process from non-related parties of the Company.

The Company confirms that no Material Persons were issued more than 1% of the issued capital of the Company.

4.4.5. The purpose of the issue, including the use or intended use of any funds raised by the issue

The purpose of the issue was to fund growth focused initiatives aligned to the Company's previously stated strategic target of \$300 million in annual sales by FY28, including:

- Expansion of exclusive and own-brand product ranges;
- Growth of Marketplaces and the store-in-store roll-out;
- Launch of Hire business including new In-Store Hire-rental openings;
- Investment in network expansion, digital infrastructure, and customer channels;
- Subscription & Loyalty programs enhancing customer retention and growing new revenue streams; and
- Strengthening the balance sheet to enhance financial flexibility and support margin accretive opportunities.

4.4.5.1. Were the securities under an agreement

The shares were not issued under an agreement.

4.5. Voting Exclusion

The Company will disregard any votes cast in favour of the Resolution by or on behalf of a person who participated in the Placement the subject of Resolution 4, or an associate of that person (or those persons) (**Resolution 4 Excluded Party**).

However, this does not apply to a vote cast in favour of the Resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

4.6. Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 4 in accordance with the express authorisation on the Proxy Form.

For your proxy appointment to be effective it must be received by **11:00am (AWST) on Wednesday, 12 November 2025**.

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person.
