About Simble

Simble Solutions (ASX:SIS) is an Australian software company focused on energy management and Internet of Things (IoT) solutions. The Simble Energy Platform or 'SimbleSense' is an integrated hardware and real-time software solution that enables businesses to visualise, control and monetise their energy systems. The Company's Software as a Service (SaaS) platform has IoT capabilities and empowers enterprises and consumers to remotely automate energy savings opportunities to reduce their energy bill. Simble operates in the SME and residential market and targets the distribution of its platform through channel partners. Simble has an international presence with offices in Sydney (Australia), London (UK) and Da Nang (Vietnam).
