SKY Network Television Limited – Continuous Disclosure Announcement

SKY Television advises that the Commerce Commission notified it late on Friday 31st August that it has completed the first stage of its investigation into Sky Television's RSP agreements and agreements with content providers. The Commission considers that further investigation is necessary. Given the complexity of the issues involved, Sky Television is not surprised at this development. Sky Television will continue to cooperate with the Commission concerning its investigations and is confident that the relevant arrangements do not breach the Commerce Act.

Yours faithfully
