

ASX RELEASE: 20-Feb-2012

"Strategic Materials lodges in Reefton South - NZ"

Strategic Elements Ltd (ASX: SOR) is pleased to announce that Strategic Materials Pty Ltd (100% owned) has applied for a prospecting Permit near Reefton on the south island of New Zealand.

The area is included in the government geophysics survey that is currently being conducted on the west coast of the south island.

The company will provide an update on the project and intended exploration program shortly.
