About MGM Wireless Ltd and Messageyou, LLC

MGM Wireless is recognised in Australia and internationally as a pioneer of socially responsible technology-enabled school communications with a proven track record in designing, developing and successfully commercialising innovative world-class technology products.

The company's patented SMS school communication solutions empower schools to communicate effectively with parents and caregivers using SMS text messaging to improve student attendance, welfare and safety. Measurable benefits for schools include reduced operating costs, increased productivity and improved parent and community engagement, which ultimately improve student learning and social outcomes.

Schools in Australia and New Zealand use Messageyou software in their day-to-day operations.
