RECEIPT OF SUBSTANTIAL SALES ORDER

Saferoads Holdings Limited (Saferoads) is pleased to announce the receipt of a substantial order for its Ironman Steel Barriers from Coates Shorco Hire. This order confirms that the sales of Saferoads' Ironman Steel Barriers will meet the forecast sales for these products for the year 2005 - 2006. The order is to be supplied in full prior to the end of June 2006.

Placement of this order follows on from the successful "live" crash testing of the barriers in Melbourne in October 2005, and in Sydney in November 2005. The crash tests at each site were attended by representatives from local councils, major road contractors and state roads authorities.

A handwritten signature in black ink, appearing to be a stylized 'D' followed by a horizontal line.
