Explanatory statement

General Information

This explanatory statement is an important document and should be read carefully. It comprises part of, and should be read in conjunction with, the notice of the Company's AGM to be held on Wednesday 23 October 2024.

If you have any questions regarding the matters set out in this explanatory statement (or elsewhere in the notice of AGM), please contact the Company, or your stockbroker or other professional adviser.

Resolution 1 — Adoption of remuneration report

There will be an opportunity for shareholders at the meeting to comment on and ask questions about the Company's remuneration report for the year ended 30 June 2024 (**FY24 Remuneration Report**), which appears on pages 21 to 45 of the Company's 2024 annual report. The vote on the proposed resolution adopting the FY24 Remuneration Report is advisory only and will not bind the Company nor its directors. However, the Board will take the outcome of the vote into consideration when reviewing the Company's remuneration policy and practices.

The Corporations Act contains a 'two strikes' rule in relation to remuneration reports. Under this rule, if, at two consecutive AGMs, 25% or more votes were cast against the resolution that the Company's remuneration report be adopted, a 'spill resolution' must be put to the vote at that AGM. If 50% or more shareholders vote in favour of a 'spill' then the entire Board (except the Managing Director) are required to stand for re-election at a further general meeting which must take place within 90 days of the AGM.

At the Company's 2023 AGM, approximately 1.25% of votes were cast against the resolution that the remuneration report be adopted. Accordingly, there is no requirement to allow for a possible spill resolution at this year's AGM under the 'two strikes' rule.

The Board notes however that the Company has previously engaged with investors and proxy advisors in relation to the Company's remuneration policy and practices. As a result, the Company implemented certain changes to the Company's short-term and long-term incentive plan schemes, which are described in the Company's remuneration report and beginning on page 8 of this notice of meeting.

The directors recommend that shareholders vote in favour of resolution 1.

Resolution 2 — Re-election of Elizabeth Ward

The Company's constitution states the Company must hold an election of directors at each AGM (rule 7.1(h)) and further that no director who is not a managing director may hold office beyond the third AGM following the meeting at which the director was last elected or re-elected (whichever is the later) (rule 7.1(f)). In determining the number of directors to retire, no account is to be taken of the

Notice of Annual General Meeting

Service Stream Limited

ABN: 46 072 369 870

Managing Director or of a director appointed as an addition to the existing directors and who only holds office until the next AGM. A retiring director is eligible for re-election. In accordance with these requirements, Elizabeth Ward retires by rotation at this year's AGM and, being eligible, stands for re-election.

Elizabeth Ward was appointed as Non-Executive Director of the Company in September 2021. Elizabeth brings to the Board extensive operational, contracting and commercial expertise gained across a diverse range of industries including large-scale infrastructure, transport, fisheries and telecommunications in Australia and New Zealand. Elizabeth has over 30 years' experience as a CEO, senior executive and strategic advisor across these sectors. She has specific experience in change management, business development, industrial relations, contract management, stakeholder engagement, service delivery and mergers & acquisitions. Elizabeth is an experienced company director gained across government, privately owned and regulated entities including NSW Telco Authority and Moana (formerly Aotearoa Fisheries Ltd). She has experience in audit and risk, health and safety, and remuneration board committees.

Elizabeth has held CEO roles with Gough Group, Kennards Hire and CentrePort Ltd.

Elizabeth is Chair of the Health, Safety & Environment Committee and a member of the Remuneration and Nomination Committee.

Elizabeth is currently a Non-Executive Director of Ritchies Transport Holdings Limited, Coachline Properties Limited, Rome NZ Propco Limited, Rome NZ Bidco Limited, Rome NZ Holdco Limited and KiwiRail.

Elizabeth has no other listed company directorships and has held no other listed company directorships in the last three years. Elizabeth held a New Zealand listed company directorship with Moana New Zealand (retired 4 July 2022).

The directors (other than Ms. Ward) recommend that shareholders vote in favour of resolution 2.

Resolutions 3 and 4 — Acquisition of securities by Leigh Mackender under the FY25 Tranche of the Company's Short-Term Incentive Plan and Long-Term Incentive Plan

Board Considerations

The Board is of the view that the structure, conditions and operation of the FY25 short-term incentive plan (**STIP**) and long-term incentive plan (**LTIP**) are the most appropriate for the Company. It is noted that, in addition to seeking feedback from proxy advisors and shareholders, the Board sought feedback from independent external market experts before determining the structure of the STIP and LTIP schemes.

Following a review, the Board has implemented the following key changes to the FY25 STIP:

- 50% of the STIP award will be deferred for 24 months in the form of performance rights;

Notice of Annual General Meeting

Service Stream Limited

ABN: 46 072 369 870

- half the deferred STIP award will be paid 12 months after the end of the performance year, the remaining half paid 24 months after the end of the performance year; and
- an increase to the STIP award percentage of fixed remuneration available to the Managing Director to address the plan's extension to a 3-year term (see below).

The Board considers the FY25 STIP and LTIP to be aligned with market expectations on growth performance and structured in a manner that rewards participants for the delivery of performance over the short-term and long-term which is linked to enhancing shareholder value.

Mr. Mackender's current total remuneration package for FY25, is comprised of:

- Total Fixed Remuneration: \$1,124,786.25 (inclusive of superannuation);
- STIP: 70% of Total Fixed Remuneration, \$787,350.38 target (with an opportunity to receive a maximum STIP award equal to 80% of his fixed annual remuneration, being \$899,829.00); and
- LTIP: 75% of Total Fixed Remuneration, \$843,589.69 target.

The non-executive directors of the Company have concluded that the remuneration package for Mr. Mackender (including the proposed grant of securities under the FY25 STIP and LTIP schemes) is reasonable and appropriate to the circumstances and complexity of the Company and the duties and responsibilities of Mr. Mackender.

Further details on the Company's remuneration framework are set out in the Company's 2024 remuneration report.

Resolution 3 — Short-Term Incentive Plan

Under the FY25 STIP, Mr. Mackender is entitled to an STIP award should the relevant performance targets be achieved. The achievement of the annual STIP target will entitle Mr. Mackender to 70% of his fixed annual remuneration, with an opportunity to receive a maximum STIP award equal to 80% of his fixed annual remuneration.

The exact amount of the STIP award which Mr. Mackender will receive, if any, will be subject to performance measures linked to the Company's financial performance and Mr. Mackender's individual performance over the financial year, with the maximum STIP award only being realised if a specified stretch target is achieved. The performance measures will be set by the Board each year.

The FY25 STIP targets are based on financial performance relative to Board determined budgets (as to 60%), individual components (as to 30%) and safety components (as to 10%). The financial measures are Group EBITDA¹ and OCFBIT², while the individual performance measures will relate to key business drivers set by the Board. The safety component will relate to safety performance measures set by the Board.

Where Mr. Mackender becomes entitled to receive a STIP award, it will be paid in the following way:

¹ Earnings before interest, tax, depreciation and amortisation, non-operational costs and adjustments for equity accounted joint ventures.

² Operating Cashflow before interest and tax.

Notice of Annual General Meeting

Service Stream Limited

ABN: 46 072 369 870

- (a) 50% of the STIP award will be paid in cash following the end of the performance year;
 - (b) 50% of the STIP award will be settled in performance rights and will vest in the following way:
 - (1) 25% of the STIP award will vest 12 months from the end of the performance year (being in or around August 2026) (**Tranche 1**); and
 - (2) 25% of the STIP award will vest 24 months from the end of the performance year (being in or around August 2027) (**Tranche 2**),
- (STIP Performance Rights).**

The key terms of the FY25 STIP, including those that will be applicable to Mr. Mackender, are summarised as follows:

- (a) Each STIP Performance Right is a right to receive one ordinary share in the Company upon vesting.
- (b) Tranche 1 of the STIP Performance Rights will automatically vest on release of the Company's audited FY26 preliminary final report. Tranche 2 of the STIP Performance Rights will automatically vest on release of the Company's audited FY27 preliminary final report. However, they will lapse if prior to vesting Mr. Mackender ceases to be an employee and the Board determines that he is not a 'good leaver' under the terms of the FY25 STIP.
- (c) The STIP Performance Rights will not carry dividend or voting rights. However, for each STIP Performance Right that vests, Mr Mackender will receive a cash payment equal to the value of any dividends paid by the Company between the date the STIP Performance is granted and the date it vests.
- (d) The Board retains the discretion to settle the STIP Performance Rights in the form of cash.

Rule 10.14 of the ASX Listing Rules relevantly states that an entity must not permit a director to acquire securities under an employee incentive scheme without the approval of holders of ordinary shares. Subject to shareholder approval, it is proposed that Mr. Mackender will acquire performance rights under the terms of the FY25 STIP equal to a value of 50% of the maximum STIP award, being 70% (with the opportunity for this to increase to the maximum STIP award of 80%) of Mr. Mackender's fixed annual remuneration (and subsequently shares underlying those performance rights to the extent that the FY25 STIP vesting criteria is achieved). The number of shares Mr. Mackender actually receives, if any, will depend on the value of the STIP awarded and the Company's share price at the time of granting the performance rights.

If the grant of the STIP Performance Rights to Mr. Mackender is not approved by shareholders, Mr. Mackender will be entitled to a cash payment equal to 50% of the STIP award (resulting in 100% of the STIP award paid in cash).

Further details on the Company's STIP scheme are set out in the Company's 2024 remuneration report.

Resolution 4 — Long-Term Incentive Plan

For the financial year ending 30 June 2025, the directors determined to make available a tranche of performance rights (**FY25 LTIP Tranche**) to senior executives of the Company, including Mr. Mackender, as a long-term incentive. The directors have determined to make 577,801 performance rights available to Mr. Mackender under the FY25 LTIP Tranche subject to shareholder approval.

Rule 10.14 of the ASX Listing Rules relevantly states that an entity must not permit a director to acquire securities under an employee incentive scheme without the approval of holders of ordinary shares. Subject to shareholder approval, it is proposed that Mr. Mackender will acquire 577,801 performance rights under the terms of the FY25 LTIP Tranche (and subsequently, shares underlying those performance rights to the extent that they satisfy the relevant vesting criteria).

The key terms of the FY25 LTIP Tranche, including those that will be applicable to Mr. Mackender, are summarised as follows:

- (a) Each participating senior executive may acquire performance rights for nil consideration. The number of performance rights offered to an executive is calculated by reference to the executive's fixed annual remuneration, a long-term incentive participation rate (75% of fixed annual remuneration for Mr. Mackender) and an issue price of \$1.46 per share.
- (b) Each performance right entitles the holder to be issued one ordinary share in the Company for nil consideration provided they remain an employee of the Company on 30 June 2027 and/or provided that certain other vesting conditions have been satisfied, including those described below.

The performance rights granted will each vest where the following vesting conditions are met:

- (a) 50% of the performance rights granted will vest where the Company's Adjusted Earnings Per Share (**EPS**), measured using a point-to-point compound annual growth rate (**CAGR**) over the three financial years ending 30 June 2027 (**Performance Period**) meet the growth targets over the Performance Period (**EPS Target**); and
- (b) 50% of the performance rights granted will vest where the Company's Total Shareholder Return (**TSR**) over the Performance Period is such that it would rank in the top quartile of a relevant peer group of companies (being the ASX200 industrials).

The performance rights are subject to proportional vesting according to the tables below where the vesting conditions specified above are not fully met.

Earnings Per Share (50% weighting)

The growth performance condition is based on the Company's EPS CAGR over the Performance Period. The tranche of performance rights will vest on a pro-rata basis upon achieving annual EPS CAGR growth of between 5% and 10%.

Notice of Annual General Meeting

Service Stream Limited
ABN: 46 072 369 870

The performance vesting scale that will apply to the performance rights which are subject to the EPS Target is outlined in the table below:

EPS CAGR	Percentage of performance rights which qualify for vesting subject to the EPS conditions
< 5%	0%
5%	50%
Above 5% and less than 10%	Straight-line vesting (i.e., 10% incremental vesting for each 1% of EPS CAGR delivered)
10% or more	100%

Relative Total Shareholder Return (50% weighting)

The relative TSR performance condition is based on the Company's TSR performance relative to the TSR of comparative companies, as at the start of the Performance Period and measured over the Performance Period. If the TSR in the comparison group is ranked from highest to lowest, the median TSR is the percentage return to shareholders that exceeds the TSR for half of the comparison companies. The 75th percentile TSR is the percentage return required to exceed the TSR for 75% of the comparison companies.

The performance vesting scale that will apply to the performance rights which are subject to the TSR test is outlined in the table below:

The Company's TSR ranking	Percentage of performance rights which qualify for vesting subject to the TSR condition
< 50th percentile	0%
50th percentile	50%
Above 50th and below 75th percentile	straight-line vesting (i.e., 2% incremental vesting for each percentile ranking achieved)
75th percentile and above	100%

Other matters relating to LTIP

Performance rights vest when the Company determines that the vesting conditions have been met. The shares underlying the performance rights must be issued within 14 days of the later of that date and the date on which the Company releases its results for the financial year ended 30 June 2027.

The executive will not have any rights in respect of shares in the Company underlying any performance rights acquired under the FY25 LTIP Tranche (such as dividend and voting rights) unless and until the shares are issued.

Notice of Annual General Meeting

Service Stream Limited

ABN: 46 072 369 870

Where an executive ceases to be employed by the Company, the Board will determine if the executive is a good leaver. If the executive is determined to be a good leaver then the number of the performance rights held by that executive that have not been exercised will lapse subject to an agreed formula which takes into consideration the number of months between cessation of employment and the end of the performance period. Any performance right that does not lapse remains eligible to vest in accordance with the performance conditions. If the executive is not determined to be a good leaver then all performance rights will lapse. A good leaver may include those executives who cease to be employed by the Company due to death, serious disability, permanent incapacity, retirement, redundancy or agreed cessation.

If the grant of performance rights to, and acquisition of shares by, Mr. Mackender is not approved by shareholders, Mr. Mackender will be entitled to a cash payment equal to the market value of the shares that would have been issued to him had shareholder approval been obtained.

Additional information for the purpose of rule 10.15

Rule 10.14 of the ASX Listing Rules also states that the notice of meeting to obtain shareholder approval must comply with rule 10.15. The Company has prepared this notice of meeting so that it complies with rule 10.15, and provides the following additional information for that purpose:

- (a) The grant of performance rights under the FY25 STIP and FY25 LTIP Tranche is to Mr. Leigh Geoffrey Mackender, who in accordance with rule 10.14.1, is a director of the Company.
- (b) The maximum number of performance rights which may be granted to Mr. Mackender under the FY25 STIP is equal to a value of 50% of the maximum STIP award, being 70% (with the opportunity for this to increase to the maximum STIP award of 80%) of Mr Mackender's fixed annual remuneration. The number of shares Mr. Mackender actually receives, if any, will depend on the value of the STIP awarded and the Company's share price at the time of granting the performance rights.
- (c) The maximum number of performance rights which may be granted to Mr. Mackender under the FY25 LTIP Tranche is 577,801 performance rights. Assuming Mr. Mackender is entitled to be issued all of the shares underlying those performance rights, he would be issued 577,801 fully paid ordinary shares in or around September 2027.
- (d) The value attributed by the Company to the performance rights proposed to be granted to Mr. Mackender under the FY25 LTIP Tranche is \$843,589.69, being 75% of Mr. Mackender's total fixed remuneration. The value that Mr. Mackender actually receives from the grant will depend on the number of performance rights that vest (if any) and the value of the Company's shares at that time.
- (e) The number of securities that have previously been issued to Mr. Mackender under the Company's Short-Term Incentive Plan is nil.

Notice of Annual General Meeting

Of the vesting conditions applicable to the FY22 LTIP, both the EPS CAGR and TSR vesting conditions were met. With Service Stream's EPS CAGR being 10% or more and TSR ranking being in the 75th percentile and above, 100% of the performance rights approved by shareholders to be acquired by Mr. Mackender, being a total of 793,618 fully paid ordinary shares in the Company, were issued to Mr. Mackender under the FY22 LTIP tranche. YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **10:00am (Melbourne time) on Monday, 21 October 2024.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
