Strike Energy Limited (**Strike Energy**) (ASX:STX) and UIL Energy Limited (**UIL Energy**) (ASX:UIL) are pleased to announce they have entered into a binding Takeover Implementation Deed (TID) pursuant to which Strike Energy (or its wholly owned subsidiary) will make a conditional off-market takeover offer to acquire all of the issued shares of UIL Energy at an offer price of 0.485 Strike Energy shares for each UIL Energy ordinary share (**Offer**).

A copy of the TID is attached to this announcement.

The combination of Strike Energy and UIL Energy (**Merged Group**) presents a compelling opportunity to build a material domestic gas business with significant holdings in the Cooper and Perth Basins.

The Board of Directors of UIL Energy (**UIL Energy Directors**) unanimously recommend that UIL Energy shareholders accept the Offer:

- in the absence of a superior proposal; and
- subject to satisfaction of the capital raising condition and the independent expert concluding that the Offer is reasonable.

¹ Based on the 30-day VWAP of UIL Energy shares of \$0.046 per share up to and including 19 October 2018

The UIL Energy Directors intend to accept the Offer in respect of all shares they own or control, and exercise all 'in-the-money' options they own or control for the purposes of accepting the Offer in respect of the issued shares, by the later of 21 days after the Offer is opened for acceptance and 5 days after despatch of the UIL Energy target's statement, each:

- in the absence of a superior proposal; and
- subject to satisfaction of the capital raising condition and the independent expert concluding that the Offer is reasonable.

Support from UIL Energy and Strike Energy Boards

Commenting on the transaction:

Simon Hickey, Chairman of UIL Energy said,

"This is a compelling offer for UIL Energy shareholders to participate in a combination of Strike Energy and UIL Energy with significant positions in both the Perth Basin and Cooper Basin, and the potential to supply gas to both the West Coast and East Coast markets.

Both Strike Energy's interest in the West Erregulla prospect and our portfolio enhances the likelihood of a merged entity becoming a substantial operator in the Perth Basin. The West Erregulla prospect, expected to be drilled in early 2019, along with Strike Energy's current Jaw's project, provides UIL Energy shareholders with exposure to highly prospective and significant projects.

In the absence of a superior proposal and subject to the satisfaction of the capital raising condition and the independent expert concluding the Offer is reasonable, I, along with the UIL Energy Board of Directors, recommend all UIL Energy shareholders accept the Offer from Strike Energy, as I intend to do in relation to my own shares."

Commenting on the Offer, John Poynton, Chairman of Strike Energy said,

"It is an exciting time for Strike Energy to be building a meaningful Perth Basin operated business. The additional exploration potential in the extensions of the Kingia-High Cliff sands sequence is set to be high graded through our near term high-impact drilling at West Erregulla, and has the potential to release further large scale gas opportunities. The Perth Basin continues to show signs of a heavily underexplored hydrocarbon system and the addition of UIL Energy's acreage will result in Strike being set to influence the Western Australian domestic gas market over the coming decades.

This transaction plays to Strike's strengths of being a low cost and high-impact on-shore exploration and appraisal operator, which makes it an extremely attractive opportunity for both UIL Energy and Strike Energy shareholders alike.

The Merged Group will be well capitalised to execute on the Perth Basin strategy whilst continuing to progress the Southern Cooper Basin Gas Project, which is approaching a key milestone in proving commercial success.

The addition of the UIL Energy portfolio provides further diversity and scale benefits, and is a natural fit with our strategy of targeting potentially transformational gas supplies for both the Western and Eastern Australian domestic gas markets.

I look forward to welcoming existing UIL Energy shareholders to the Strike Energy register as part of the proposed transaction, and encourage all UIL Energy shareholders to read the Bidder's Statement, which will be available shortly, for further information."

OFFER DETAILS

Under the Offer, UIL Energy ordinary shareholders will receive consideration of 0.485 Strike Energy ordinary shares for each UIL Energy ordinary share held which implies an indicative offer price for UIL Energy of \$0.0703 per share and an indicative undiluted market capitalisation of \$16.1 million². This represents an attractive premium of:

- 26.1% to UIL Energy's 5 day volume weighted average price (VWAP) of \$0.055 per share up to and including 19 October 2018³; and
- 43.4% to UIL Energy's 30 day VWAP of \$0.046 per share up to and including 19 October 2018⁴.

If the offer is successful UIL Energy shareholders will own approximately 9% of the total issued share capital of the combined group.

The Offer extends to any UIL Energy shares that are issued as a result of the exercise of options during the period of the Offer. However, UIL Energy and Strike Energy also intend to enter into private treaty arrangements with UIL Energy option holders to cancel UIL Energy options in exchange for either cash or options in Strike Energy (subject to any required Strike Energy shareholder approval).

Strike Energy will extend the takeover bid to all UIL Energy preference shareholders, under which Strike Energy will offer to acquire all of the issued preference shares of UIL Energy at an offer price of 0.485 Strike Energy Milestone Options for each UIL Energy Preference Share held. Further details on the Strike Energy Milestone Options are set out in the TID.

The Offer is subject to certain terms and conditions, which include but are not limited to:

- Completion of a capital raising by Strike Energy of at least \$13 million;
- Minimum Offer acceptance of 50.1%;
- No regulatory action, prescribed occurrences or material litigation;
- No material fall in the ASX200 index; and
- No breach by UIL Energy of the conduct of business restrictions or UIL Energy warranties in the TID.

² Based on the closing price of Strike Energy shares on ASX on 19 October 2018, being the last trading day prior to this announcement

³ Based on the VWAP of UIL Energy Shares of \$0.055 over the 5 day period up to and including 19 October 2018

⁴ Based on the VWAP of UIL Energy Shares of \$0.046 over the 30 day period up to and including 19 October 2018

The Offer conditions are set out in full in Schedule 2 of the TID.

Subject to satisfaction or waiver of the Offer conditions, Strike Energy also intends to invite UIL Energy Non-Executive Director, Stephen Bizzell, to join the Strike Energy Board of Directors upon closing of the Offer.

Strike Energy and UIL Energy have also agreed to enter into an exclusivity arrangement from the date of signing the TID and the earlier of the end of the Offer Period and termination of the TID in accordance with its terms.

Under the TID, Strike Energy has the right to make a counter proposal in the event UIL Energy receives a competing proposal from a third party.

Under certain circumstances, an agreed break fee or reverse break fee of \$150,000 will be payable.

As soon as practicable following the Effective Control Date, Target must take all actions necessary to procure:

- (a) the resignation and appointment of Target Directors such that a majority of the Target Board is composed of Target Directors nominated by Bidder (**Bidder Nominees**), subject to the receipt of a consent to act from each relevant person; and

Subject to clause 5.13, during the Exclusivity Period, Target must not, and must procure that each of its Representatives and each other Target Group Member does not, directly or indirectly:

Subject to clauses 5.3 and 5.13, during the Exclusivity Period, Target must not, and must procure that each of its Representatives and each other Target Group Member does not, directly or indirectly:

even if the Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by Target any of its Representatives or any Target Group Member or has been publicly announced.

5.3 No talk exception

The restriction in clause 5.2 does not apply to the extent that it restricts Target or the Target Board from taking or refusing to take any action with respect to a bona fide Competing Proposal if:

- (a) the Target Board has determined that the Competing Proposal is, or is reasonably likely to constitute, a Superior Proposal or would be reasonably likely to constitute a Superior Proposal if it were to be proposed; and

- (b) acting in good faith and after having taken advice from its external legal advisers, the Target Board has determined that failing to take the action or refusing to take the action (as the case may be) with respect to such Competing Proposal would be likely to constitute a breach of the fiduciary duties or statutory obligations of any Target Director.

5.4 No due diligence restriction

Subject to clauses 5.5 and 5.13 but without limiting clause 5.2, during the Exclusivity Period, Target must not, and must procure that each of its Representatives and each other Target Group Member does not, directly or indirectly:

- (a) make available to any Third Party, or cause or permit any Third Party to receive, any non-public information relating to Target or any other Target Group Member that may reasonably be expected to assist the Third Party in formulating, developing or finalising a Competing Proposal or a Potential Competing Proposal; or
- (b) assist, encourage, procure or induce any person to do any of the things referred to in clause 5.4(a) on its behalf.

5.5 No due diligence exception

The restriction in clause 5.4 does not apply in respect of a bona fide Competing Proposal if all of the following requirements are satisfied:

- (a) the Target Board has determined that the Competing Proposal is, or is reasonably likely to constitute, a Superior Proposal or would be reasonably likely to constitute a Superior Proposal if it were to be proposed;
- (b) acting in good faith and after having obtained advice from its external legal advisers, the Target Board has determined that failing to take the action or refusing to take the action (as the case may be) with respect to such Competing Proposal would be likely to constitute a breach of the fiduciary duties or statutory obligations of any Target Director;
- (c) the Third Party has first entered into a written agreement in favour of Target restricting the use and disclosure by the Third Party and its affiliates and advisers of the information made available to the Third Party; and
- (d) to the extent that any material confidential information concerning the Target Group's operations made available to the Third Party has not previously been provided to Bidder, Target provides that information to Bidder at the same time as it is provided to the Third Party.

5.6 General notification obligations

Target must immediately notify Bidder if:

- (a) Target, any of its Representatives or any other Target Group Member receives any Competing Proposal or Potential Competing Proposal or any offer or request to do any of the things referred to in clauses 5.2(a) or 5.4(a); or

5.7 Matching rights

If Target, any of its Representatives or any other Target Group Member are contacted in relation to, or receive a Competing Proposal or Potential Competing Proposal then:

- (a) Target must as soon as reasonably practicable:
 - (i) give Bidder a notice setting out all material terms of the Competing Proposal or Potential Competing Proposal including the amount and form of consideration to be offered, the source of any cash component of the consideration, the conditions to which it is subject, the proposed timetable and any break fee arrangements;
 - (ii) use reasonable endeavours to obtain the consent of the person (if such consent is required) who has made the Competing Proposal or Potential Competing Proposal to disclose to Bidder on a confidential basis that person's name and other details which identify that person (**Identifying Details**); and
 - (iii) disclose the Identifying Details to Bidder on a confidential basis except that if the consent referred to in clause 5.7(a)(ii) has not been obtained then Target may withhold any part of the Identifying Details from disclosure if the Target Board, acting in good faith and on the basis of advice from its external legal advisers determines that giving those details to Bidder would be likely to constitute a breach of the fiduciary duties or statutory obligations of any Target Director; and
- (b) during the period of time starting on the date Target notifies Bidder of a Competing Proposal under clause 5.7(a) and ending on the date that is 2 Business Days after the date of that notice (**Matching Period**):
 - (i) Target must not enter into, or agree to enter into, any binding documentation to give effect to or implement the Competing Proposal or Potential Competing Proposal;
 - (ii) Target must use all reasonable endeavours to ensure that no Target Director makes any public statement recommending the Competing Proposal or Potential Competing Proposal to Shareholders; and
 - (iii) Bidder may offer to amend the terms of the Offers or make an alternative proposal to Target or the Shareholders with a view to providing an equivalent or a superior outcome for Shareholders than those offered under the relevant Competing Proposal or Potential Competing Proposal (**Counter Proposal**).

5.8 Response to Counter Proposal

If during the Matching Period, Bidder makes a Counter Proposal:

- (a) Target must use all reasonable endeavours to procure that the Target Board considers the Counter Proposal in good faith; and
- (b) if the Target Board acting in good faith determines that the terms and conditions of the Counter Proposal taken as a whole are no less favourable to Shareholders than those in the relevant Competing Proposal or Potential Competing Proposal, then:
 - (i) the parties must use their reasonable endeavours to agree and enter into such documentation as is necessary to give effect to and implement the Counter Proposal as soon as reasonably practicable; and

- (ii) Target must use all reasonable endeavours to procure that each Target Director makes a public statement recommending the Counter Proposal to Shareholders.

5.9 Changes to proposals

Any material change to a Competing Proposal or Potential Competing Proposal including:

- (a) any material change to the terms referred to in clause 5.7(a)(i); or
- (b) any incomplete or non-binding proposal or expression of interest becoming complete, capable of acceptance or binding,

will be taken to constitute a new Competing Proposal or Potential Competing Proposal in respect of which each party must separately comply with its obligations under clauses 5.6 and 5.7.

5.10 Shareholder approval

Without limiting the other provisions in this clause 5, if, during the Exclusivity Period, Target or other Target Group Member enters into any legally binding agreement, arrangement or understanding (whether or not in writing) with any Third Party in respect of a Competing Proposal or Potential Competing Proposal, which does not relate solely to the acquisition of Shares under a takeover bid or scheme of arrangement (**Alternative Proposal**), then if required by law or the ASX Listing Rules, Target must procure that completion of the Alternative Proposal is conditional on the Shareholders approving the Alternative Proposal by ordinary resolution in a general meeting.

5.11 Standstill arrangements with other parties

the parties must amend this clause 5 to the extent required to give effect to the requirements of ASIC or the Takeovers Panel, as the case may be, and in the circumstances referred to in clause 5.14(a)(ii) must give the required undertakings.

- (b) The parties must not request ASIC to review, or make or cause or permit to be made any application to the Takeovers Panel in respect of, the arrangements in this clause 5.
